Agreed extension to The Colleton Primary School designated area 2013/2014 (and corresponding changes to the designated areas of Polehampton CE Infant & Junior Schools and St Nicholas CE Primary School)

Details:

Extension 1 – To extend the boundary of the current school's designated area to stretch south down Broadwater Lane, from where the existing shared area meets the current designated area, until the junction with Lodge Road, whereby it follows Lodge Road for a few metres before continuing up Park Lane. It then follows Park Lane as far as the first bridge before turning north and following the river as far the railway track, which is also the northern boundary of the shared area (previously part of the designated area of St Nicholas CE Primary School).

Extension 2 – Incorporate properties to the west side of Hurst Road previously part of the shared designated area with Polehampton CE Infant and Junior Schools into the single designated area.

To correspond with these extensions, the Council has determined an increase to the published admission number from 35 to 60.

Affected properties:

The following properties are affected by the above proposals:

Extension 1:

Crumley Farm, Hurst Road, Twyford, RG10 0EL
Broadwater Cottages, Broadwater Lane, Hurst, RG10 0EL
There is a property on the western edge of Broadwater Lane, just below the boundary of the existing The Colleton Primary School designated area. This remains unaffected by the changes, and is in effect isolated from the surrounding properties in terms of designated area. This property is a pumping station, not a residential home.

Extension 2:

Hurst Road – even numbers
Orpington Close

Affected Pupils:

Extension 1 - No pupils are currently on roll at Wokingham Borough schools will be affected by the proposed extension.

Extension 2 - The following table gives a guide to the number of pupils currently residing in that area and attending Wokingham schools if the current shared area is transferred solely to The Colleton Primary School.

School	R	1	2	3	4	5	6
The Colleton Primary School	3	1	0	0	2	0	0
Polehampton CE Infant School	1	1	0				
Polehampton CE Junior School				0	0	0	1
