

River Loddon fishing information

Fishing on the River Loddon at Dinton Pastures is by Casual Day Ticket and Day Season Ticket (this ticket will entitle you to fish White Swan Lake and Longmoor Lake at California Country Park also).

The quality of the fish found in the River Loddon is exceptionally good with specimen Barbel, Chub, Perch and Pike being the main target for keen anglers. Pleasure anglers can also find good sport from the Bream and Roach present with the occasional Trout or Carp being captured.
