## Our initiatives

### Easier ways of submitting an application

Make your submission and track its progress free of charge on-line. Call our help line on 01242 260 505 or on-line service at [www.submitaplan.com](http://www.submitaplan.com)

### Partnering with us

Your dedicated account manager provides you with access to 3,800 technical experts. This gives a single point of contact and concise advice.

### Negotiable Fees

To give you the best possible value for money our fees are tailored for your project. A personal quote is only a phone call away.

## Our Strengths

### Experienced Surveyors with local knowledge

Our team of pro-active surveyors harbour a wealth of technical and local knowledge to help ensure your project runs smoothly.

### Thorough inspections

To ensure an effect transition of work from plan to site we inspect work regularly and when the builder needs us to.

### Independent and accountable

We will always be here and answerable for what we do. This provides a reassurance that we will get it right first time.

## Our Qualities

### Fast access to other organisations

We provide fast access to organisations such as the Fire Authority. We also have access to previous plans, historic documents, maps and energy conservation advice to provide you with a comprehensive service.

### Fast turnaround

Time is money. We provide a fast turnaround for you and your client so work can start as soon as possible.

### We work with you

Helping you find effective solutions which offer the least cost and complexity.

**Remember - There are never problems, only challenges and we aim to help you meet them**
