

Schedule of evidence bases (as of July 2016) for the Local Plan Update			
Name of Study	Purpose of study	Bodies/authorities involved	Status
Berkshire (including South Bucks) Strategic Housing Market Area	This technical study identifies the Housing Market Area/s that each of the local authority areas involved in the study are in and works out how many houses will be needed for these Housing Market Areas and each local authority area between 2013-2036.	Thames Valley Berkshire Local Enterprise Partnership (LEP), Wokingham Borough Council, Reading Borough Council, Bracknell Forest Borough Council, Slough Borough Council, West Berkshire District Council, Royal Borough of Windsor and Maidenhead Council and South Bucks District Council	Completed February 2016
Berkshire Functional Economic Market Area Study	This technical study considers various functional economic markets that operate across Berkshire such as the Commercial Property Market, the Housing Market and the Labour Market in order to define the Functional Economic Market Area/s of Berkshire.	Thames Valley Berkshire Local Enterprise Partnership, Wokingham Borough Council, Reading Borough Council, Bracknell Forest Borough Council, Slough Borough Council, West Berkshire District Council and Royal Borough of Windsor and Maidenhead Council	Completed February 2016
Green Belt Study	This technical study assesses whether land within the existing Green Belt meets the purposes of the Green Belt as set out in national policy.	Wokingham Borough Council and Bracknell Forest Borough Council	Completed July 2016
Duty to Co-operate Statement	This statement identifies those issues that are likely to have strategic importance and which therefore fall under the duty to co-operate. This document also identifies the specific bodies where co-operation may be necessary. This is an updated version of the Duty to Co-operate Scoping Strategy and incorporates the consultation comments received.	Wokingham Borough Council	Completed July 2016
Sustainability Appraisal (SA) Scoping Report	This technical scoping report sought views on whether the SA objectives (covering social, economic and environmental considerations) were appropriate to help appraise the plan.	Wokingham Borough Council	Completed July 2016
Habitats Regulation Assessment Scoping Document	This scoping document explains that the EC Habitats Directive 1992 requires local authorities to consider whether a plan or project may have a significant effect on a European site of environmental importance such as the Thames Basin Heath Special protection areas (SPA). At the next stage of the LPU process, there will be a need to undertake a further scoping exercise to understand whether an appropriate assessment is necessary.	Wokingham Borough Council	Completed July 2016
