

# (CAN) Network Application Form

**WOKINGHAM  
BOROUGH COUNCIL**

The CAN Network is an information and support service for children and young people (up to age 25) and their families, who live in the Wokingham Borough. The CAN card is recognised by many local leisure attractions and may enable some concessions. Children and young people do not need to have a diagnosis to join the CAN Network but cannot obtain a CAN card without evidence of their additional need.

Based on the information completed in this form, the CAN Network maintains a statutory register for the Wokingham Borough, which is used to help shape service provision. Please be aware that completion of this form does not mean that your child/young person or family will automatically receive a service from any of the statutory or voluntary agencies.

**I wish to apply for a CAN Card**

CAN cards are renewed every 3 years. New and out of date cards will be issued free. However, there may be a charge of £5 for the re-issue of a card due to it being lost or stolen.

You will need to enclose a head and shoulders photo of the child or young person applying, and also documentation to evidence the additional need or disability.

**I wish to join the CAN Network contact list**

By signing up to our contact list you will receive regular news emails of what is happening locally, i.e. events, activities, training and consultations that may be of interest to you. The CAN Network may send you from time to time, information or requests for consultation from a third party if it is deemed relevant. You can unsubscribe at anytime by emailing in to us and asking to be removed from the bulletin list.

Please contact the CAN Network Co-ordinator if there is any change to your personal information.
