

# Amended Designated Areas of Loddon and Whiteknights Primary Schools

## Primary School designated areas

### Earley Neighbourhood

This map gives a guide to the designated areas for Community and Voluntary Controlled schools in the Wokingham Borough that use them in their over-subscription criteria.

If you require any further information, please contact the School Admissions team.

Areas not identified may be part of the designated area of a Voluntary Aided school.

Voluntary Aided schools are shown in blue for information only - please refer to the policies later in the guide.

1 Shared Designated Area for Aldryngton and Loddon Primary Schools. Note that the area marked "1" (bounded by solid black lines) continues to be the sole Designated Area of Aldryngton Primary School as well as becoming part of the Designated Area of the Loddon Primary School. The current Loddon Primary School Designated Area is included in the new enlarged designated area for that school.

2 Shared Designated Area for Radstock and Whiteknights Primary Schools. Note that the area marked "2" (bounded by solid black lines) continues to be the sole Designated Area of Radstock Primary School as well as becoming part of the Designated Area of Whiteknights Primary School. The current Whiteknights Primary School Designated Area is included in the new enlarged designated area for that school.

The Designated Areas of Loddon and Whiteknights Primary Schools will increase to include the designated areas of Aldryngton and Radstock Primary Schools respectively. Therefore children living within the designated areas of Aldryngton and Radstock Primary Schools will also have Designated Area Priority for Loddon and Whiteknights Primary Schools respectively.

However, the current designated areas of Aldryngton and Radstock Primary Schools will remain unchanged – so only children living within the historic Designated Areas of Aldryngton and Radstock Primary Schools will have Designated Area priority for these two schools.
