Introduction

As a result of findings following a local area inspection that took place between the 11th March and 15th March 2019, Wokingham Borough Council and Berkshire West CCG are required to produce a Written Statement of Action that explains how the local area will tackle the areas of significant weakness. This Written Statement of Action has been co-produced with key partners and stakeholders.

The Six Areas of Concern Identified by Ofsted and the CQC

1. The lack of a clearly communicated co-produced strategy and accompanying action plans that are shared and understood across education, health and care in the local area and sharply focused on improving outcomes for children and young people with SEND
2. The timeliness and quality of EHC Plans
3. The lack of co-production at a strategic level to inform effective co-production at all levels
4. The quality of management information to inform accurate evaluation and energise service improvement across the local area
5. The lack of well-coordinated and effectively joined up work across education, health and social care
6. The underdeveloped pathway to enable young people with SEND to make a successful transition to adulthood

Area of significant weakness 1:

The lack of a clearly communicated co-produced strategy and accompanying action plans that are shared and understood across education, health and care in the local area and sharply focused on improving outcomes for children and young people with SEND

Required Outcomes:

- A final co-produced SEND strategy that is owned, shared and delivered through the SEND Improvement Board (SIB).
- A SEND action plan, setting out “*improvements needed across education, health and care in a coherent joined-up approach*”, which is owned, shared, delivered and monitored by the SEND Improvement Board.
- A SEND strategy which focuses sharply on identifying joint priorities to improve children and young people’s outcomes across education, health and social care.

Objective	Actions	Completion Date	Lead	Evidence/Impact
A. Co-produced SEND strategy and Action Plan	1. Confirm membership of SEND Strategy (and 18 month Action and Financial Plan) Task & Finish Group (including representatives of all partners) and arrange meetings.
