Frequently Asked Questions:
1. When does my child have to start school? 15
2. When can my child start school in the Wokingham Borough? 15
3. What types of primary schools are there in the Wokingham Borough? 16
4. How can I find out more about a school? 17
5. Can I select a school for my child? 18
6. How do I apply? 21
7. How do I know you have received my application? 22
8. What if my application is received after the deadline? (late application) 22
9. What if I change my preference after completing the form? 22
10. How are places allocated? Including:
   – Oversubscription criteria (categories for admission) 23
   – Residency requirements 26
11. What if there are multiple births or children with birth dates in the same academic year in my family? 29
12. How do you operate waiting lists? 29
13. What do I do when I receive the offer of a school place? 30
14. Can I apply for a place and delay my child’s entry to school? 30
15. Can I appeal if I am not offered my preferred school? 31
16. What is the situation on infant class sizes? 31
17. What is the situation for infant class size appeals? 31
18. What if I want my child to attend a school outside the Wokingham Borough? 32
19. What if I live outside the Wokingham Borough and I want my child to attend a school in the Wokingham Borough? 32
20. Can my child start earlier or later than normal? 32
21. What happens if I move house before, or during, the application process? 33
22. What is the process if I want my child to change schools outside of the normal admission round (In-year admissions)? 33
23. What In-Year Fair Access Protocols have been set by Wokingham Borough Council? 36
24. What are the term dates for the academic year 2020/2021? 37
25. Are free places at independent schools or assistance with fees available? 38
Help and assistance from Wokingham Borough Council 38
26. What do we mean by special educational needs or disability? (SEND) 38
27. If I have difficulties with my child, who can help me? 40
28. Will I have to pay for my child's lunch? 41
29. How will my child get to school? 42
30. Will my child be entitled to any assistance with transport? 43
31. Is there any assistance available for the purchase of school uniform? 44
32. Will there be charges for school activities? 44
33. What if my child has a long term illness and cannot attend school? 45
34. When does my child move from primary school to secondary school? 45
35. Further information relating to the single point of entry 45

Published: September 2019
Introduction

Wokingham has long been rated one of the best places to live in Britain. It is also our ambition to make this the best place in the country in which to grow up and achieve.

We are justly proud of our schools. The Council works in close partnership with them to improve standards and facilities still further. We aim to secure a wide range of opportunities for all pupils, and promote happiness, wellbeing and self-reliance.

We understand that starting school for the first time is an important milestone and an exciting experience for both children and parents. However, this transition can also be a challenging time for all as decisions are made about which schools to apply for – with this process then followed by the understandably anxious wait to see if the application has been successful.

Similar to other areas, Wokingham has experienced increasing demand for school places due to rising birth rates and movement of families. We have adopted an overall strategy for the provision of school places which includes looking at options for additional capacity at existing schools and new school provision. This strategy has led to seven new schools opening since 2014. Any further planned additional places, new school provision or updates to information provided in this guide will be notified by publishing to the “starting infant or primary school F2” page at: www.wokingham.gov.uk/admissions.

Do take the time to read this guide carefully before you apply for school places, particularly the section on how places are allocated. Our schools are popular; there is no guarantee that a place will be offered at your preferred school(s), so expressing four school preferences will maximise our ability to offer you one of them.

It is important that you do express your preferences for schools you wish your child to attend. If you don’t, you are at more risk of not having a place allocated in one of your preferred schools. Please list your choice of schools in your order of preference on the application form which is also available online taking into account the factors that are listed on page 18.

If you are applying for ‘own admissions authority’ schools (which include voluntary aided and foundation schools and academies) or for state schools outside the borough, we recommend that you read those schools’ admission policies or refer to the relevant local authority admissions guides, to understand how your application will be considered by them. The school policies will indicate where supplementary information forms may be required in addition to the application form. Whatever state school you apply for, if you live in the Wokingham borough, applications must be made to the school admissions team. It is our job to make sure it gets to the right place.

It is important to make a well-informed decision about which school you wish your child to attend, taking into account their strengths and aptitudes. We strongly recommend that parents take the opportunity to visit schools to see what they can offer their child before making an application.

The information in this guide is designed to help you to understand the admissions process, to give information about schools in the borough including when you can visit, a timetable of key dates, and facts about how places are allocated. If, at any time, you are unsure or feel that the information available is unclear, please contact our school admissions team who are here to help you (contact details on page 7).
For many parents the first point of contact in relation to their child’s education is often with their child’s school or early years setting; however there may be occasions when it is necessary to speak to someone in Children’s Services and you are welcome to contact us on (0118) 974 6100.

We hope you find this guide helpful and we wish your child success and happiness in their educational journey. To this end, we look forward to welcoming your child into a Wokingham borough school.

Cllr UllaKarin Clark- Carol Cammiss
Executive Member for Children’s Services  Director of Children’s Services
First school place at a primary or infant school

Selecting a first school for your child is an important decision.

To start school in Foundation Two (F2) as a Rising Five in September 2020 you will need to apply to the Local Authority (LA) by 15 January 2020. You may apply online or in exceptional circumstances on a paper application form, where you will have the opportunity to identify four preferences. We strongly recommend that you visit your local schools and talk to the Head teachers before making a decision on your preferences. Please see key to terms and abbreviations on page 10.

If you are applying to a voluntary aided school, you may also need to complete the school’s own supplementary information form, in addition to the LA application form. The supplementary information form must be returned to the relevant school. Please refer to the schools’ admissions policies shown later in this guide and contact the school should you have any queries. Supplementary information forms are obtainable from either the LA or school and are available on the council’s website at: www.wokingham.gov.uk/admissions.

You will be sent notification of your child’s place on 16 April 2020.

Only one application form will be accepted. Should more than one application be received for your child, the School Admissions Team will process the application with the latest date.

Online admissions

In line with government requirements, the Council has an online admissions service. Parents are invited to apply online for their child’s school place by visiting: www.wokingham.gov.uk/admissions.

The deadline for applications is 15 January 2020.

There are a number of benefits for parents/carers using the online school admissions system. The major benefits are listed below:

• It is simple, easy and quick to use
• Parents/carers do not need to rely on the postal service
• Confirmation of applications is sent by email
• Applications can be changed at any time up until the closing date of 15 January 2020
• Parents/carers do not need to wait for their allocation letter to find out the allocated school
• Parents/carers do not need to wait for an application pack to apply
• The system assists parents/carers in completing the application form correctly, by using online validation and drop down lists where possible.

Please note that some computer security packages may block your receipt of online admissions generated email, if this is the case please check your ‘junk’ mailbox before contacting the School Admissions Team.

Please use this box to record your password:

Should you require assistance in accessing this service, please contact the School Admissions Team on (0118) 974 6000 or email: schooladmissions@wokingham.gov.uk.
If you have any queries or need further information about applying for a school place, please contact:

Primary application procedure map

Stage 1 – Wokingham Borough residents only

Apply online:

• Visit: www.wokingham.gov.uk/admissions to use online facility
• Application automatically acknowledged by email
• Details automatically entered onto council’s admissions database
• Further information requested to support applications if required – deadline for receipt of supporting information 15 January 2020

OR

Apply on paper, available on request

• Send to School Admissions Team
• Details manually entered onto council’s admissions database
• Further information requested to support applications if required – deadline for receipt of supporting information 15 January 2020

CLOSING DATE FOR APPLICATIONS – 15 JANUARY 2020

Stage 2

Checks made to information provided, including council tax address checks
Applications for schools in other local authority areas exchanged with those authorities
Applications for own admission authority schools in the Wokingham Borough forwarded to the schools for consideration and ranked lists returned to local authority by them
Oversubscription criterion applied to each application
Outcomes of applications collated and database updated

Stage 3

Any preferences that can be offered are identified
The highest preference that can be offered is identified
If no preference can be offered to parents living in the Wokingham Borough, an alternative offer will be made to the designated area school (if places available) or to the most accessible alternative school with places available
An email offer is sent to parents living in the Wokingham Borough if they applied online.
An offer letter is sent by first class post on national offer day to parents living in the Wokingham Borough giving the outcome of their application if they applied using a paper application form.
Parents are given the right to appeal against all preferences not offered.

NATIONAL OFFER DAY – 16 APRIL 2020

Stage 4

Parents are required to confirm they accept the offer of the school place or advise what alternative arrangements have been made and if they wish their child to attend full or part-time or to defer
Parents confirm whether they wish their child to remain on waiting list for higher ranked preferred schools
Late applications are considered after the deadline of 3 May 2020.

DEADLINE TO RETURN OFFER FORM – 3 MAY 2020
Key words

The terms and abbreviations that are used in this guide may be difficult to understand. The following may help but if you require any further explanation, please contact the School Admissions Team (see page 7 for contact details).

Admission authority

The body responsible for setting and applying a school’s admissions arrangements. For community and voluntary controlled schools, the local authority is the admissions authority. For foundation and voluntary-aided schools, academies and free schools, it is the school’s governing body or academy trust that decides the admission arrangements and which children best meet its oversubscription criteria if it has more applicants than places. These schools are also known as ‘own admission authority schools’.

LA

Local authority. Home LA refers to the LA in which the child lives.

DfE

Department for Education.

Parent

A parent is defined in law (Education Act 1996) as including any person who has parental responsibility (as defined in the Children Act 1989) for a child or young person. Having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child, is considered to be a parent in education law.

Sibling

Unless otherwise stated in own admission authority school policies, a sibling is defined as a brother or sister (that is, another child of the same parents, whether living at the same address or not), or a half-brother or half-sister, step-brother or step-sister or adopted or foster children living at the same address, who will be at the school when the applicant enters to the school. Evidence may be required.

Equal Preference

All preferences are treated on an equal basis taking account of the admissions criteria, and where the LA is potentially able to offer a place at more than one school the single offer will be for the school the parent ranked highest.

Designated area

The designated (or catchment) area is a distinct geographical area from which children may be given priority for admission to a school using the oversubscription criteria (see Question 10).

Admission Number (AN)

The number of school places that the admissions authority must offer in each relevant age group of a school for which it is the admissions authority. This is normally determined as part of the Net Capacity Assessment (calculated using a formula set by the DfE) for the space available and the use of resources. Previously known as published admission number (PAN).

Any admissions above these numbers would normally only be determined by an independent Appeal Panel or through application of the Fair Access Protocol or for a child with a Statement of Special Educational Needs or Education, Health and Care Plan.

Oversubscribed schools

Where there are more applications for places than the school’s admission number, the school is oversubscribed in that year group. Places are allocated in priority order in accordance with the admissions policy and oversubscription criteria determined by the LA or school concerned (if the school is its own admission authority).
<table>
<thead>
<tr>
<th>Term</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Waiting list</td>
<td>A list of children held and maintained by the admission authority when the school has allocated all its places, on which children are ranked in priority order against the published oversubscription criteria. Positions on waiting lists can change due to new or revised applications.</td>
</tr>
<tr>
<td>Rising Five</td>
<td>A child whose fifth birthday falls between 1 September 2020, and 31 August 2021, who starts school in Foundation Two (F2) sometimes referred to as Reception, is admitted by the LA as part of the co-ordinated scheme. Parents have the right to defer their rising five place until statutory school age (the term after the child is five). If parents of summer born children defer the offer of a place, they will need to re-apply for a school place in the summer term as the LA is unable to hold a place into a new school year.</td>
</tr>
<tr>
<td>Voluntary Aided schools</td>
<td>These schools do not follow the admissions criteria set by Wokingham Borough Council. The governing body, under the guidance of the relevant Diocesan body or in consultation with other admissions authorities, set their own admissions criteria and arrangements. The timing of their applications process is the same as for LA community and voluntary controlled schools and preferences for such schools will be referred to them in order that they can apply their own admissions criteria to determine allocations and notify these to the LA.</td>
</tr>
<tr>
<td>Community and Voluntary Controlled schools</td>
<td>These schools follow the admission criteria set by Wokingham Borough Council.</td>
</tr>
<tr>
<td>Academies</td>
<td>Are publicly funded schools established by The Secretary of State for Education by entering into a contract, the funding agreement, with a charitable company referred to as the academy trust and are independent of the local authority. This agreement provides the framework within which an academy must operate, including the requirement for academies to comply with the School Admissions Code and to be included in the local authority co-ordinated admission arrangements.</td>
</tr>
<tr>
<td>Free schools</td>
<td>Are the same as Academies but have been set up by parents, education charities or religious groups. Once established, they operate to exactly the same rules as for other academy schools.</td>
</tr>
</tbody>
</table>
Primary co-ordinated scheme

Application for a primary school place – the primary co-ordinated scheme

Wokingham Borough Council’s schools admission scheme for children starting school has been drawn up to fulfil the requirements set out in the School Admissions Code, published by the Government’s Department for Education (DfE).

The main points of the scheme are:

• All preferences are treated on an equal basis taking account of the admissions criteria, and where the LA is potentially able to offer a place at more than one school the single offer will be for the school the parent ranked highest. This arrangement maximises the extent to which we are able to meet parental preferences.

• Parents have the opportunity to list **four** schools in their order of preference.

• Every parent of a child living in the Wokingham Borough who has applied for a place in the normal admission round receives an offer of only one place on the same day.

• Parents will be treated fairly and consistently regardless of the status of the school for which they make an application.

When drawing up our admissions arrangements, we sought to ensure that our admissions criteria are clear, fair and objective, for the benefit of all children, including those with special educational needs, disabilities or in public care. Our admissions criteria fully comply with those outlined within the School Admissions Code.

Application for a school place

If your child was born between 1 September 2015, and 31 August 2016, you should apply for a school place at a primary or infant school. During the coming months you will be making decisions about your child’s education. This guide is designed to explain the process.

The Borough will make available sufficient school places in our schools to accommodate all pupils living in the Wokingham Borough together with some from neighbouring authorities who apply by the application deadline and will allocate in line with the published oversubscription criteria. For a variety of reasons, some of our schools are more popular than others resulting in some of our schools being oversubscribed.

The allocation summary for 2019/2020 for each primary school is shown on page 77 and this can give some indication of the level of demand for places at individual schools. A summary of the 2018/2019 and 2017/2018 allocations is also included on pages 80 to 85. This is an indication only and is based on the date of allocation and does not reflect any changes as a result of successful appeals or movement from waiting lists after allocation which can vary year to year. The numbers can fluctuate due to the numbers of preferences expressed for a school and the numbers of children born within and level of movement into a designated area and the numbers of siblings living within the designated area of a school. Further information on how to interpret the summaries is given on page 18.

Wokingham LA has established a common application form and this is to be used by all parents (living within the Wokingham Borough) to apply for a school place (in electronic or paper format). You are invited to name four preferred schools, in order of preference, giving your reasons why you want your child to attend there. This should include any own admission authority schools or schools in other local authority areas; however an additional supplementary information form may be required for aided schools available from either the school or LA. It is your statutory right to express a preference for any school you choose.

Applications for entry to primary must be received by **15 January 2020**.
You may apply for your child to start school online. The additional benefits are that you will be able to return to your application and view and make amendments any time up until the deadline. Online applications are made on the Citizens Portal and you will need to register on the portal, if this is the first time accessing it. As part of the registration process you will receive an email and if for some reason this does not arrive please check your ‘junk’ mailbox before contacting the School Admissions Team.

On 16 April 2020 you will be sent an email confirming your allocation enclosing information about how to accept the offer (electronically or by post) or advising what alternative arrangements you have made for your child. Failure to accept this place may result in the place being withdrawn (see Question 13). If a paper application was submitted a letter will be sent out to you by first class post on 16 April 2019.

Processing applications

Wokingham LA will apply its oversubscription criteria and create lists indicating the order in which all children applying have priority (within these criteria) for the maintained schools in its area. The LA will forward applications to the own admission authority schools in the Borough in order that the governing bodies of those schools will apply their own admissions criteria to applications for their schools and return their lists to the LA. It will also forward applications to other LAs for schools outside the Wokingham Borough and will receive applications from other LAs for schools within the Wokingham Borough. Wokingham LA will then compile the lists for all schools. Where a child qualifies for a place at more than one school, Wokingham LA will provisionally allocate at the school ranked highest by the parent in their application. The lists will be adjusted for any other school for which a preference was expressed, moving another child who was previously not eligible for a place up the list to the provisional place that has been vacated.

Offers of school places

Following the exchanges of information, final allocation lists will be reviewed and where more than one place can be offered the school place offered will be for the highest ranked preferred school. There is the right of appeal against any decision to refuse a place at a higher ranked preferred school.

If an application is received from a parent living in another LA and should Wokingham LA be unable to offer a place at a preferred school or schools, an alternative place will not be offered. This will not affect your right of appeal against the decision. It is the responsibility of your home LA to ensure that your child has a school place.

The possibility still remains that there may be some Wokingham Borough children who will not be allocated any of their four preferred schools. In this situation, if a place cannot be offered at any of the preferred schools, a place will be offered at:

a) a designated area school (if there are places available) or
b) the most accessible school with places.

Contact details for the School Admissions Team are on page 7

This means that if you have not named your designated area school (or schools) as one of your four preferred schools, your child may be placed at a school some distance away from your home address. This is subject to places being available, as your designated area school may be oversubscribed with children living closer to the school.

On 16 April 2020, Wokingham LA will write to all applicants either via email or in a letter informing them of the result of their application. The letter will be sent by first class post, please allow seven days for receipt of this information. The School Admissions Team will not give out information by telephone of where your child has been allocated until after 23 April 2020. If you consider that you are unable to wait for notification, we recommend that you apply online as allocation details will be sent electronically on 16 April 2020.
Information regarding the allocation for schools in the Wokingham Borough is posted to the primary page of the council’s website on offer day. If you have applied for schools outside the Wokingham Borough, then the relevant local authority may have issued similar information to its website. This may answer any queries you may have regarding how places were allocated. The offer email or letter will state that the offer is being made on behalf of the school (if it is an own admission authority school) or on behalf of another local authority, if applicable.

Please note that the School Admissions Team receives a large volume of telephone calls during March, April and May and every effort is made to deal with your enquiry.

Pupils will be placed on a waiting list for places at schools ranked higher than the school that has been offered. Parents will be required to confirm that they wish their child to remain on the waiting list using the form accepting or declining the offer of a place (see Question 13). Parents have the right of appeal for schools ranked higher than the school that has been offered.

The School Admissions Team will allocate places strictly in accordance with the published arrangements and will do all they can to offer your child a place in a preferred school. **You are required to accept or decline the allocated place by 4 May 2020 using the form sent with the allocation email/letter, or via the council’s website.**

If you are declining the offer of a place, please advise what alternative arrangements you have made for your child. **It is recommended that you accept the offer of the allocated school, pending the result of any appeals for higher ranked schools. The acceptance of a school place will not affect the outcome of your appeal but will ensure that a school place is available for your child, if your appeal is not successful.**

If an acceptance form is not received, there will be one further written warning; failure to respond may result in the place being withdrawn and in the case of oversubscribed schools, the place will be offered to the next child on the waiting list.

If you are not happy with your allocated school, please contact the School Admissions Team who will be able to advise you of other schools in the Wokingham Borough with vacancies. Changes of preferences will only be considered if requested in writing.

**The allocation email or letter will specifically ask you to advise us at any stage, if you are not accepting the place for any reason.**

**Use of personal data**

Personal information sent to us is subject to (EU) General Data Protection Regulations (GDPR). If you would like more information about how the Wokingham Borough council uses your data please see our Privacy notice(s) which are available: [http://www.wokingham.gov.uk/privacy/](http://www.wokingham.gov.uk/privacy/)
Frequently asked questions about this process:

1. When does my child have to start school?

The law determines compulsory school age depending on whether the child’s fifth birthday falls before 1 September, 1 January or 1 April. This means:

- If a child’s birthday falls between 1 April and 31 August, he or she will become of compulsory school age on 1 September.
- If a child’s birthday falls between 1 September and 31 December, he or she will become of compulsory school age on 1 January.
- If a child’s birthday falls between 1 January and 31 March, he or she will become of compulsory school age on 1 April.

2. When can my child start school in the Wokingham Borough?

All Wokingham Borough schools will offer F2 (Reception) full-time places to children from September 2020, in line with Government legislation.

Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year.

Parents can also request that their child attends part-time until the child reaches compulsory school age.

In such instances the school place will be held for that child and not offered to another child. However, please note that the school place will not be held beyond the academic year for which the original application was accepted. This means that if your child is summer born and you wish him/her to start in September 2020 into year one (the term after your child’s fifth birthday – statutory school age) that the school place will not be held and you will be required to apply after the May half-term 2020 for a year one place under the in-year application process. It should be noted that, in this instance, all places at your preferred schools may have already been allocated.

The decision about when to start your child at school is yours. We recommend that you discuss the options with your early year’s provider or allocated school if you have any concerns regarding the readiness of your child to start in September 2020 or whether to accept a full-time or part-time school place.

If you wish to defer your child’s school place until later in the school year or if you wish your child to attend on a part-time basis and you subsequently decide that your child is ready to attend school earlier, then you should discuss this with the Headteacher and we would also recommend that you advise your early year’s setting of your decision.

Please note that once your child takes up his or her school place, your child will no longer be able to access the ‘free entitlement’ to early year’s education. The ‘free entitlement’ of 15 hours per week (which may increase to 30 hours) is still applicable if your child continues at his or her early year’s setting until you consider your child is ready to start school. Further information is given on page 45. However your child must start school when he or she reaches compulsory school age (question 1 refers).
Children are normally allocated to their chronological year group. If you consider that your child will not be ready and would like your child to work a year behind; the admissions authority would consider such requests in accordance with their policy relating to children starting school earlier or later than normal (the council’s is shown in question 20 – page 32, but if you are considering applying to an own admission authority school; you should read the relevant school policy). In order that such requests (supported by evidence from relevant professionals) can be fully considered; you will be required to submit an application for the normal age group by the deadline. This ensures that if your request is refused; your child’s application for your preferred schools will not be disadvantaged and your request can be considered appropriately including the views of your preferred schools.

When considering such requests; the admissions authority would require sight of supporting professional evidence of the educational, social and emotional benefits of the child working outside the chronological age group from independent professionals involved with the child and would consider the views of the current early year’s setting and preferred schools, if appropriate, as to whether the child’s needs could be met within the normal age group. Cultural factors e.g. policies for children to start school at an older age in a family’s country of origin; would not usually be considered a reason to delay starting school.

**3 What types of primary schools are there in the Wokingham Borough?**

There are 54 primary schools, of which 35 are all through (F2 Reception to year six); nine are infant (F2 Reception to year two), nine are junior schools (years three to six) and one all through school (F2 Reception to Year 12). These comprise community, voluntary controlled, voluntary aided, academy and free schools.

The age range served by a school depends on whether your child attends infant and junior schools or a primary school. In the Wokingham Borough your child could attend a primary school from age five to 11 or an infant school from age five to seven and then transfer to a junior school from seven to 11. Infant and junior schools are often located on the same site but may have different Headteachers and governing bodies. **Parents must apply for a place at junior school when the child is in Year 2 at infant school.** The closing date for applications will be the same as for entry into Foundation 2 (Reception).

All categories of community and voluntary controlled and aided schools have governors representing the Local Authority (LA), staff and parents as well as other governors representing the wider community, including town or parish councils and any individuals or companies identified as ‘sponsors’ of the school. Voluntary schools have additional governors, usually representing a church or religious body reflecting the religious character and/or historical origins of the school. In a voluntary aided school the church foundation will appoint the majority of the governors.

The governing body or academy trust board for an academy or free school is defined by the Funding Agreement.

Wokingham Borough Council is the admissions authority for community and voluntary controlled schools. The admissions authority for voluntary aided schools or Academies is the school’s governing body or Academy Trust Board, which sets the admission policy for the school. Please see the list at the back of this guide for details on individual schools.

4 How can I find out more about a school?

There is no longer a requirement for schools to publish a school brochure or prospectus each year, but some may continue to do so. All schools are required to publish on their school websites, minimum ‘key’ information defined by the Department for Education and this includes:

- details of the school’s pupil premium strategy for the current year; and, for the previous year, a statement of how the money was spent and the impact that it had on educational attainment of those pupils at the school in respect of whom grant funding was allocated;
- details of the school’s curriculum, content and approach, by academic year and by subject and approach to phonic and reading schemes;
- where applicable, details or links to the school’s admission arrangements, including its selection and oversubscription criteria, published admission number and the school’s process for applications through the local authority;
- details of the school’s policies on behaviour, complaints, charging and SEN and disability provision;
- links to the school’s Ofsted reports and DfE School Performance Tables and details of the school’s latest Key Stage 2 attainment and progress measures as presented in the School Performance Tables;
- a statement of the school’s ethos and values.

All schools will need to ensure that they continue to comply with any separate requirements that may apply in respect of developing specific policies and communicating them.

For those parents who cannot access the internet or who find hard copies of materials more accessible, schools are required to continue to provide a hard copy where parents request it – this may be simply met by printing a hard copy of the online information.

Another source of information may be your child’s current Headteacher and the parents of pupils already at any of your preferred primary schools.

Please note that should a Wokingham Borough community school provide conflicting information on admissions, reference should always be made to this guide or to the school admissions team for clarification.

Some important factors when selecting a school may include:

- How the school teaches reading, writing and mathematics?
- Is there a wide range of activities available for all ages and abilities?
- Are there after-school activities and other clubs?
- Is children’s work on display?
- Is there a high expectation of pupils with the emphasis on individual achievement?
- What importance is placed on working with parents?
• What are the arrangements for helping children with special educational needs?
• How does the school intend to develop in the future?

Results need to be seen over a longer period than one year to enable a clear pattern to emerge. Some schools have strengths in particular areas and this may be a factor that you may wish to consider, taking account of your child’s interests and abilities.

Other useful websites for information about schools include:

Ofsted (Office for Standards in Education):
www.ofsted.gov.uk; contact: 0300 123 1231; email: enquiries@ofsted.gov.uk

DfE (Department for Education):
www.gov.uk; contact: 0370 000 2288

5  Can I select a school for my child?

The LA will seek to comply with parental preference wherever possible, but our ability to do so is limited by the number of places available at the schools. We cannot guarantee places at preferred schools as demand for places will vary each year.

Parents have the right to express a preference for any school they choose, to a maximum of four. You do not have the right to choose your child’s school as schools cannot always accommodate all of the children who wish to go there. It is important to understand that all places are subject to availability as indicated by the admission number for the school.

We strongly encourage you to visit the schools. Open day and evening information is listed on each school page and a table provided on page 51.

Factors to take into account when expressing a school preference

• Can my child get to the school?

• If having siblings in the same school is important to you, is it likely that any subsequent siblings will gain a place at the school? This is especially important if you live outside the designated area of a school and, with the current rise in the numbers of primary school aged children coming through the system, it is possible that siblings may not be placed in the same school.

• Have I included my designated area school or schools? This is not an automatic preference. If you do not include in your list of preferred schools, your designated area school or schools; and we are unable to allocate to any of your preferences, then we will allocate a place at the most accessible school with places which may be some distance from your home address. Please note that living in the designated area of a school does not guarantee a place at that school as the number of applications may outnumber that of places available. Where this is the case, radial distance, in the criterion that cannot be fully allocated, will determine the allocation of places.

• Have I got a realistic chance of getting a place at one of my school preferences? Please refer to the historical data on the school pages. Please note that this is an indication only and can change due to various factors including the number in the cohort and the level of parental preferences expressed for the school. The summaries give you three years information on how many children were allocated by school in each oversubscription criterion. Where the number is 0, this will show you that the school was heavily oversubscribed with children in higher criteria. For instance, the box related to children living in designated area (criterion D) will give you the number of children allocated and if under criteria E and F
the box shows 0, this indicates that the school was under considerable pressure from the designated area and siblings living outside designated area or any other children could not be allocated. The information also shows the number of children in designated area that could not be allocated because they live further away from the school than the last child allocated based on radial distance (a straight line measurement from the home address to the school). This is another indication of the popularity of the school from families living in designated area. It is important to note that we cannot guarantee that every child living in a school’s designated area will be offered a place if expressed as a preference.

- To maximise the extent to which we can allocate a preferred school; it is recommended that you visit schools; use all four preferences and also consider applying for at least one school which has historically had places in the lowest oversubscription criterion (F) in the past.

- Are there any exceptional medical or social needs to be taken into account? If this applies, please refer to information required under Criterion B and indicate that this may apply on your form. (Own admission authority schools may have this criterion listed differently or not at all.)

- If you have information to provide to support your application; please make reference to it in the ‘reasons’ section and submit it for consideration.

Please note that places cannot be allocated on the basis of your child care arrangements or that attendance at an early years’ setting at or near a school site does not give priority to children for admission to the school.

Our admissions arrangements maximise the extent to which parental selection can be met because all preferences will be considered on an equal basis taking account of the admissions criteria, and where the LA is potentially able to offer a place at more than one school, the single offer will be for the school the parent ranked highest.

A place will be offered for the highest possible preference and waiting lists will operate for places at schools ranked higher than the school that has been offered. Waiting lists will continue to be held by the LA. You will receive periodic requests to find out whether you still wish to remain on the list.

If a place cannot be offered at any of the preferred schools, a place will be offered at:

a) a designated area school (if there are places available) or

b) the most accessible school with places.

In the Wokingham Borough, there is a ‘designated appropriate’ primary school for each part of the borough. This will not always be the nearest school, but you may find that the majority of children in your area will be attending the designated school and there may be implications if you opt for a school outside your designated area for any subsequent siblings who may not be allocated to the same school. These schools are determined by taking into account those areas traditionally served by the school and the demands of the whole community. Maps showing the ‘designated appropriate’ areas for schools in the Wokingham Borough are available on the council’s website at www.wokingham.gov.uk.

If you require specific advice, please contact the School Admissions Team or the school in the case of own admission authority schools. These electronic maps represent the definitive description of community and voluntary controlled school designated areas for the purposes of admission arrangements and oversubscription criteria.

There are many different reasons why parents want their children to attend a particular school. The examples shown below are provided to give you some idea of how the process works. The application form allows you to list four preferences and allows you to write your reasons for those preferences.
EXAMPLE 1:
Emma’s parents would like her to be considered for a place at the primary school which has close links with the early years setting she currently attends; a Catholic primary school as the family are practising Catholics, or the primary school which is the designated school for her home address or the next closest primary school.

Her parents expressed a preference for:
1. Primary school with close links to her early years setting
2. Catholic primary school
3. Designated area primary school
4. Next closest primary school

A place at school 1 cannot be offered as it was oversubscribed. Emma met the entry requirements of school 2 and the Governing Body can offer her a place at the school and she also qualifies for school places at school 3 and 4. Emma is offered her second preference as the highest ranked school with places available.

EXAMPLE 2:
Hari’s parents would like him to attend the local designated area school with his friends; or the next nearest school because he already has some friends going there. His parents decided not to give a third or fourth preference.

His parents expressed a preference for:
1. Designated area school
2. Next nearest school

Hari met the requirements for both school preferences and so he was offered a place at school 1 as the highest ranked school.

EXAMPLE 3:
James’ parents would like him to go to his designated area primary school which has excellent results; a voluntary aided primary school because the family are occasional church goers or a school approximately two miles away which also has very good results. No fourth preference was expressed.

His parents expressed a preference for:
1. Designated area school
2. Church of England voluntary aided primary school
3. Primary school with very good results

James did not gain a place at school 1 as it was oversubscribed with others living closer to the school or with siblings at the school living in the designated area. The governing body could not offer him a place at school 2 as the governing body of the school considered his application but other applicants were ranked higher on their criteria. School 3 is oversubscribed with applicants living in the designated area or have siblings at the school. James is offered the most accessible school with places to his home address.
6 How do I apply?

All applicants living in the Wokingham Borough must apply online or use the Wokingham LA’s application form and applications are on the basis of the parent and child’s single address. **Only one application form will be accepted per pupil. Where duplicates are received (paper and/or online) the Authority will process the form with the latest application date.**

If your child attends an early years’ provision in the Borough in October 2019 or if you have registered child’s details via our website [www.wokingham.gov.uk](http://www.wokingham.gov.uk) information outlining the application process will be sent out in November 2019.

You should complete the application form and return it no later than 15 January 2020.

Applications for schools outside the Wokingham Borough must be included on the application form.

The online admissions service will open for applications on **13 November 2019**, help and advice can be obtained by telephoning (0118) 974 6000 or emailing: schooladmissions@wokingham.gov.uk. This service offers you a faster, simpler and easier process. The system helps you by ensuring that the application form is completed correctly; enabling you to make changes before the deadline and allowing you to view allocation details electronically on 16 April 2020. It also helps you in providing links to relevant websites.

All applicants will be required to register as a new applicant. If you have registered previously, this is now invalid; however you can register again using the same information.

You should ensure that the form is completed accurately and in full. The information that you give us will be used to process your application for all preferences identified. We will check all the information that you provide on the form. You will be asked to verify any change of address and produce documentary evidence relating to any change of address at any point, prior to your child starting school. When a place is offered, it will be on the condition that the information you provide is correct. If you are intending to move before your child starts school you should declare it and provide details. Places will be withdrawn if it is found that false or misleading information has been provided. Again, it is strongly recommended that you identify four preferences on the application form. Expressing a single preference may place you at a disadvantage, should we not be able to offer your preferred school.

If a place cannot be offered at any of the preferred schools, a place will be offered at:

a) a designated area school (if there are places available) or

b) the most accessible school with places.

Please ensure that the whole form (and required fields) is completed and that the form is signed and dated by the person who has parental responsibility for the child. Where additional evidence is required to support an application under a specific criterion, e.g. medical grounds, you must ensure this is returned with your application by 15 January 2020. It would be helpful to reference supporting information in the ‘reasons’ section.

Please send any paper applications direct to the School Admissions Team, at the address on page 7.
7 How do I know that you have received my application?

For online admissions, an email will be sent to you acknowledging receipt upon submission. If you return to the online application via the edit button after submission, you must resubmit. The School Admissions Team will acknowledge receipt of paper applications provided parents have enclosed a stamped addressed envelope.

8 What if my application is received after the deadline?

Applications made after the closing date but before offer date

The closing date for application for school places will be 15 January 2020. Children’s Services will, as far as possible, accept applications that are received ‘late’ for a good reason e.g. when a single parent has been ill for some time or an unexpected move to the Borough, provided evidence to support the reason for the late application is submitted. If this is accepted then the application will be processed as if it were received on time. Changes to existing applications received after 15 January 2020 will be considered as ‘late’ and considered after the allocation of places.

If no evidence is provided it will be deemed that an application could have been made by the closing date and the application will not be processed until after the offer date and main allocation of places.

These late applications will not be considered until after 4 May 2020.

Applications made after the offer date but before the start of the autumn term

All late applications will be processed by the application of the admissions criteria where necessary. Where possible a place will be offered at a preferred school with places available. If this cannot be achieved a place will be allocated at the most accessible school to the home address with vacancies if living in the Wokingham Borough and the child’s name will be added to the waiting list for higher ranked preferred schools under the relevant oversubscription criterion. No offer will be made to those children living outside the borough as it is the responsibility of the home authority to provide a school place. Parents retain the right of appeal.

Co-ordination with other local authorities will continue until 31 August 2020 in order to eliminate multiple offers.

9 What if I change my preferences after completing the form?

Parents who wish to amend their application before the closing date will be allowed to do so as long as they put their request in writing to the School Admissions Team or amend their online application by the closing date. You will be required to resubmit the online application each time an amendment is made or you have viewed in ‘edit’ mode. You will receive a confirmation email when you resubmit.

Parents who wish to amend their application after the closing date should put their request in writing to the School Admissions Team. No consideration will be given to their request until after the offer date.

If Wokingham Borough Council has allocated your child an alternative school as your preferred schools were full; any changes of preferences will adversely affect any assistance with transport and sibling protection (see note 5 of the oversubscription criteria).
10 How are places allocated?

Children with Education, Health and Care Plans (EHCP) that name a school in the plan are required to be admitted to the school that is named. The governing body does not have the right to refuse admission.

The following oversubscription criteria in order of priority will be applied when a **community** or **voluntary controlled** school receives more preferences than places available. All preferences will be treated on an equal basis.

**Oversubscription criteria (categories for admission)**

A. ‘Looked after’ and children who were ‘looked after’, but ceased to be so because they were adopted or became the subject of a child arrangements order or special guardianship order (previous ‘looked after’ children) (see note 1).

B. Families who have exceptional medical or social needs as the grounds for their admission to a particular school (see note 2).

C. Children whose permanent home address is **inside** the schools’ designated area and who has a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school. (See notes 3, 4 and 5)

D. Children whose permanent home address is in the schools’ designated area. (See note 3)

E. Children whose permanent home address is **outside** the schools’ designated area and who has a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school. (See notes 4 and 5)

F. Any other children

Notes relating to criteria are shown across the next two pages.
Notes relating to oversubscription criteria

Note 1: A “looked after child” is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see definition in section 22(1) of the Children Act 1989).

A previously looked after child is a child who was looked after by a local authority but ceased to be so because they were adopted, or became the subject of a child arrangements order or special guardianship order. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders). It also includes children who have been provided with child arrangement orders (previously known as residence orders) under the provisions of section 14 of the Children & Families Act 2014 which amends section 8 of the Children Act 1989 and children with a special guardianship order appointing one or more individuals to be a child’s special guardian under section 14A of the Children Act 1989.

Applications received under the Criterion A must be made by the person with parental responsibility for the child (e.g. the child’s social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

- confirmation by the home local authority that the child is looked after
- confirmation by the local authority that last looked after the child confirming that the child was looked after immediately prior to the issuing of one of the orders detailed above.

Note 2: When submitting applications under criterion B (exceptional medical or social needs as grounds for a child’s admittance to a particular school), this must be supported by written evidence from an independent professional aware of the case relating to the child, parent/carer or other children living at the same address (e.g. doctor, hospital consultant or psychologist for medical grounds or registered social or care worker, housing officer, the police or probation officer for social needs). This evidence must be specific to the school in question; it must show why that school is the most suitable; what facilities will benefit the child, and why no other school can offer the same support.

Your application cannot be considered if you do not declare that you are applying under this criterion and you do not provide written independent professional evidence. All supporting documentation must be received by 15 January 2020 for consideration prior to the main allocation of places. An admissions panel will consider the supporting evidence provided and will advise the applicant of its decision; the panel’s decision is final. Any evidence received by the school admissions team after 15 January will not be taken into account in the main allocation of places but may if agreed by panel; affect the applicant’s position on a school’s waiting list after offer day.

It should be noted that all schools have the resources to work with special educational needs and common childhood complaints such as asthma or allergies.

Note 3: The designated area for The Coombes CE Primary School has been revised to include a second priority designated area (currently the single designated area for Farley Hill Primary School). Applicants from the first priority designated area and the shared area will be allocated places before those living in the second priority designated area. The tiebreaker will be applied to each area to determine who is allocated a place should there be more applicants than places in either priority areas or the shared area.

Note 4: A sibling is a brother or sister (that is, another child of the same parents, whether living at the same address or not), or a half-brother or half-sister, step-brother or step-sister, or adopted or foster children living at the same address.

Siblings attending a school nursery cannot be considered under this criterion. It includes children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

In the case of linked infant and junior schools, the application will be treated as meeting criteria C or E if the child’s sibling is expected to be at either of the two schools at the time the child would enter the school. At the initial allocation, when a parent is applying for a Reception place at an infant school that has both a feeder and a sibling link to a junior school and that child has a sibling currently attending Year 2 of the infant school but who will have left by the time the younger child starts, the Reception applicant will be considered under the sibling criterion as part of the initial allocation. This is because, due to the feeder link, they will be expected to still have a sibling at the linked junior school at the time of admission.

Notes relating to oversubscription criteria continued

Note 5: Occasionally a parent with more than one child can express a preference for their designated area school(s) for the older child, but the local authority is unable to meet this preference. The local authority will then allocate a place at a lower ranked preferred school or the closest available school with places. In this case, the parent may then prefer to send younger sibling(s) to the same school as the older child attends. In such instances, the allocated school may be regarded as if it were the designated area school for subsequent siblings and would be treated as meeting criterion C (sibling resident inside the designated area). This only applies to preferences submitted on an original application. Parents must notify the school admissions team at the time of application that they consider this exception applies. Where there is an application for the actual designated area school(s), designated area status would still be applied.

Example 1:

Parent expressed preferences for oldest child:
1. School W
2. School X
3. School Y – designated area school for home address

Wokingham Borough Council was unable to allocate any of the preferred schools as the schools on offer day were full and a place was allocated at School Z as the nearest school with places available.

Parent now wishes to express a preference for younger child and advises on the application form that they wish this exception to apply:
1. School Z
2. School Y – designated area school for home address

The authority will now apply designated area and sibling status – Criterion C to the preference for School Z and designated area to School Y.

Example 2:

Parent expressed preferences for oldest child as follows:
1. School A
2. School B
3. School C – designated area school
4. School D

Wokingham Borough Council was unable to allocate any of the first three preferred schools on offer day including the designated area school, as the schools were full and a place was allocated at School D.

Parent now wishes to express a preference for a younger child and advises on the application form that they wish this exception to apply:
1. School D
2. School A
3. School C – designated area school

The authority will now apply designated area and sibling status – Criterion C to the preference for School D and designated area to School C.

The authority has sought to make the above criteria as objective as possible. However for category B and any other cases where judgement is needed as to which criteria the application meets, a panel of at least two officers will consider the application and supporting evidence. The panel’s decision and reasons will be recorded, for the purposes of informing the parent and any subsequent appeal.
Tie breaker

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance to three decimal points between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

In the event that two or more children live at the same distance (measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two Children’s Services staff members.

General preference information

Please give full reasons for your preferences on the application form, as this ensures that your child’s preference is placed against the appropriate criterion if the school is oversubscribed. This is particularly important if you are applying for an own admission authority school that may have different criteria to the LA or for schools situated in another LA.

If further information is required to support an application for a Wokingham Borough school, such information must be provided before 15 January 2020. Information will not be accepted after this deadline and may result in the application being treated using a lower criterion.

Residency requirements

Home address

Applications are processed on the basis of the child’s single permanent home address living with parent(s) or a carer/legal guardian at the closing date for applications. An address will not be accepted where the child was resident other than with a parent or carer unless this was part of a private fostering or formal care arrangement. Checks will be made to determine whether an address declared on the application form is that of a second home with the main home being elsewhere. Some residential arrangements will be considered to be temporary arrangements. The Council will consider the available evidence to determine if, on the balance of probability, the declared home address is the child’s permanent home. Where the applicant, or their partner or spouse reasonably considered to be living with them as a single family unit own another property, have previously lived in it and chose not live in it (including where a home is rented out to a third party) the owned property will ordinarily be considered to be the permanent home. Special circumstances that might lead to the declared address being considered as a permanent home despite another home being owned or otherwise available for occupation will need to be declared at the point of application by parents. Without being exhaustive these might include:

- an owned property being a considerable distance from the preferred school, indicating that the family had permanently relocated to the new home, or
- that the owned property is uninhabitable and cannot reasonably be made habitable in the period leading up to admission to the school or
- that the owned property is in the process of being sold and the family live permanently in the declared property or
- that following divorce or separation the family home cannot be occupied by the applicant or otherwise treated as the child’s permanent home
Where the declared address is rented and the applicant has no claim on any other property the declared address may be considered to be a temporary address if there is evidence the applicant has chosen to rent the property solely for the period necessary for a child to be admitted to a particular school.

Applicants should note that should any evidence arise after a child has been offered a place or admitted to a school that indicates that the declared home was not a permanent home, the place may be withdrawn, even when a child has started school.

Reference to council tax records will be made to determine a single address for consideration of a place under criteria C or D. It is for the applicant to satisfy the local authority that they live at the address stated.

After allocation, if an applicant moves from the property they have used in their application to another property which is within or nearer to the designated area of the preferred school; the address of the property they originally owned and declared on application will be the address used for determining their designated area, unless this house has been sold or rented out for 12 months prior to the closing date for applications.

Applicants will be asked to declare that the address used is expected to be their place of residence beyond the date of the pupil starting school. Applicants are required to advise of any change of circumstance at any time prior to the child starting school. If you do not declare such arrangements, or a different address is used on the application where the child does not usually live; it will be considered that a false declaration has been made and it may be decided to decline to offer a place at a particular school, or to withdraw the offer of a place. In deciding whether a place was allocated on the basis of a misleading or fraudulent application, an admissions panel will consider any supporting evidence giving reasons why the move was necessary prior to the child starting school.

It is important to declare if there is to be a change of address prior to the child starting school. If the applicant already owns a property which is in the process of being sold, we are able to accept the address of the new property only on submission of the appropriate evidence in support e.g. exchange of contracts letter on both the new property and, where possible, disposal of their current property. The deadline for submission of evidence to support a move is 15 January 2020. If the move takes place later or evidence is submitted later, the local authority will only be able to consider this information after the initial allocation of places has taken place and treat the new address for waiting list purposes.

A temporary address cannot be used to obtain a school place. Temporary addresses will only be considered where evidence is provided of a genuine reason for the move e.g. flooding or subsidence.

The local authority reserves its right to carry out further investigation and require additional evidence and to reject applications or withdraw offers of places, if it believes it has the grounds to do so. In such cases, the applicant will have recourse to putting their application through the independent appeals process.

Split living arrangements

Where a family claims to be resident at more than one address, justification and evidence of the family’s circumstances will be required e.g. split residence order or legal separation documentation. The application must be completed by the parent, at an address which is owned, leased or rented, where the child lives for the majority of the school week. This is based on the number of school nights a child spends at the home (Sunday night 1800hrs to Friday 0900hrs).

Where there is an equal split or there is any doubt about residence, the School Admissions Team will assess and make a judgment about which address to use for the purpose of the allocation of a school place where necessary requesting further information e.g.

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
• confirmation from any previous school or early years setting of the contact details and home address supplied to it by the parents
• the address where child benefit or other benefit (if applicable) is paid
• where the child is registered with the GP
• any other evidence the parents may supply to verify the position

The information provided will be considered by an admissions panel of at least two officers and their decision is final. It is recommended that consensus is reached by both parents and child on the school preferences to be expressed and it should be noted that only one offer email or letter will be sent to the main applicant unless otherwise requested and agreed by both parents.

Applicants from abroad

An application for a school place can be made from applicants applying for a school place for their child from abroad, provided that they can provide evidence of their right of abode. The address used will be the address where the child is living at the closing date for applications unless evidence is provided that the family is returning to a property that they own in the borough by 15 January 2020. Third party written evidence confirming the details and timing of the relocation will be required.

Adjustments will be made to any waiting lists, if the family returns later, prior to the start of school. Further advice on the documentation required can be obtained from the School Admissions Team.

Service Families

Families of UK service personnel who are not yet living in the area will be able to make an application if it is accompanied by an assignment order declaring a relocation date and intended address. In the absence of a new home postal address, the authority will use the former Hazebrouck Barracks (co-ordinates: Easting 476869 and Northing 166249) as the postal address to determine distance to a preferred school. A letter from the Commanding Officer or garrison headquarters will be required confirming the living arrangements for families who are being housed at the army quarters at Arborfield but are assigned to another base.

Returning Crown Servants

Families of crown servants returning from overseas to live in the Wokingham borough may apply for a place in advance of their move provided the application is accompanied by an official letter confirming the posting to the UK and the expected relocation date. Where a parent is unable to provide confirmation of a relocation address, an indication of the area may be provided, narrowed down as far as possible, to which the family intend to return. Preferences will be considered but applications will be considered under criterion G (other children) until the parent is able to provide confirmation of the new address such as proof of exchange of contracts or a signed rental agreement. If a place cannot be offered at a preferred school; no alternative school will be offered until confirmation of the relocation address within the borough is received but the right of appeal will be advised.

It is the responsibility of parents to keep the school admissions team informed of any changes to their planned address during the application process.

Council’s whistleblowing policy

The Authority occasionally receives information from members of the public concerning potential misleading or fraudulent applications. Information is provided at: http://www.wokingham.gov.uk/contact-us/report-a-serious-concern-whistleblowing/. You are encouraged to put your name to any concerns raised and information will be withheld in such instances in accordance with the Council’s Whistleblowing Policy. If you wish to make an allegation please call the whistleblowing hotline on: (0118) 974 6550 or email: confidential.whistleblowing@wokingham.gov.uk. Further information is available at: www.wokingham.gov.uk (search for report benefit or other fraud).
11 What if there are multiple births or children with birth dates in the same academic year in my family?

Where the application of oversubscription criteria results in splitting twins or other siblings from a multiple birth in the same school year; places will be offered even if this will result in the school going above admission number.

Where the application of oversubscription criteria results in children with dates of birth in the same school year in the same family, places will be offered even if this will result in the school going above the admission number with one exception; where to do so will result in the school breaching infant class size legislation at Key Stage 1 (e.g. class size must not break 30 children to one qualified teacher). In this instance, the places will be allocated by the drawing of lots carried out by at least two Children's Services staff members. In such instances, parents will be offered the place and will need to decide whether they wish their children to be split or consider placement together at an alternative school after allocation.

12 How do you operate waiting lists?

Waiting lists will be maintained by the local authority for all schools where necessary for children not offered a school place at their preferred school until the end of year 2 (infant schools) or year 6 (primary schools) to fill places that may become available during the school year. No account is taken of the length of time spent on a waiting list.

Positions on waiting lists may go up or down due to pupil withdrawals or new or revised applications received; therefore waiting lists will be reviewed and revised:

- Each time a child is added to, or removed from, the waiting list
- When a child’s changed circumstances will affect their priority
- When parents respond to periodic requests to see if they wish to remain on the waiting list
- At the end of a school year; should there be a change in the determined oversubscription criteria
- Children who are the subject of a direction by the local authority to admit or who are allocated to a school in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

Please note that where a school is fully subscribed, pupils moving to that school’s designated area after the allocation will be placed on the waiting list in accordance with the published oversubscription criteria (criteria C or D for community and voluntary controlled schools), as appropriate (subject to producing satisfactory evidence of the move). Places cannot be reserved for pupils moving into a school’s designated area.

You will be asked to confirm on the acceptance form (see question 13 below) if you wish your child to remain on the waiting list for higher ranked preferred schools. Where no confirmation is received, it will be assumed that parents wish their child to remain on the waiting list. If a place becomes available from the waiting list; the place will automatically be allocated and the previous school allocation withdrawn and given to the next child on that school’s waiting list. As a result it is important that you notify the school admissions team in writing if you are happy with the allocated school and that you no longer wish your child to remain on the waiting list for other schools at any point in the process. This avoids disappointment at a later date.

Waiting lists will be held for the academic year of the application but parents will need to reapply for the next academic year to remain on the waiting list for the preferred schools.

If own admission authority schools have stated that they operate waiting lists in their policies, the waiting list will transfer to the school on 31 December 2020, unless the governing body indicates that they want the local authority to hold their list.
13 What do I do when I receive the offer email or letter?

The School Admissions Team will allocate places strictly in accordance with the published arrangements and will do all they can to offer your child a place in a preferred school. You are required to accept or decline the allocated place using the form sent with the allocation email/letter or electronically via the council’s website.

If you are declining the offer of a place, please advise what alternative arrangements you have made for your child. It is recommended that you accept the offer of the allocated school, pending the result of any appeals for higher ranked schools. The acceptance of a school place will not affect the outcome of your appeal but will ensure that a school place is available for your child, if your appeal is not successful.

The form must be returned to the School Admissions Team by 4 May 2020. If a form is not received, there will be one further written warning and failure to respond may result in the place being withdrawn.

In the case of oversubscribed schools, a place may be offered to the next on the waiting list.

The allocation information will specifically request you to advise us at any stage, if you are not accepting the place for any reason.

14 Can I apply for a place and delay my child’s entry to school?

Yes. Where the LA offers a place in Foundation 2 (Reception) to parents before their children are of compulsory school age, parents can request that the date their child is admitted to the school is deferred (or delayed) until later in the school year or until the child reaches compulsory school age in that school year.

Parents can also request that their child attends part-time until the child reaches compulsory school age. In such instances the school place will be held for that child and not offered to another child.

Please note that the school place will not be held beyond the academic year for which the original application was accepted. This means that if your child is summer born and you wish him/her to start in September 2020 into year one (the term after your child’s fifth birthday – compulsory school age) the school place will not be held and you will be required to apply after the May half-term 2020 for a year one place under the in-year application process. It should be noted that, in this instance, all places at your preferred school may have already been allocated. This will not affect your right of appeal if the LA is unable to allocate a place.

Where parents choose to defer their child’s admission, or take up the place part-time but later wish to increase it to full-time before their child has reached statutory school age, this should be discussed with the Headteacher.

Children are normally allocated to their chronological year group. If you consider that your child will not be ready and would like your child to work a year behind; the admissions authority would consider such requests in accordance with their policy relating to children starting school earlier or later than normal (the council’s is shown in question 20 – page 32, but if you are considering applying to an own admission authority school; you should read the relevant school policy). In order that such requests (supported by evidence from relevant professionals) can be fully considered; you will be required to submit an application for the normal age group by the deadline. This ensures that if your request is refused; your child’s application for your preferred schools will not be disadvantaged and your request can be considered appropriately including the views of your preferred schools.

Please see section ‘further information relating to the single point of entry’ on page 45 of this guide.
15 Can I appeal if I am not offered my preferred school?

Yes. When the place is allocated and it is not your highest ranked (or other) preference, Wokingham Borough Council will give you a written explanation in the form of a statement of allocations and you will automatically be advised of your right to appeal against this decision. This information will also be available on the website at: www.wokingham.gov.uk/admissions. If you wish to appeal, full details of how and where to lodge your appeal will be provided.

Details on appeals arrangements and procedures can be obtained from the Council’s Democratic Services Team – by calling (0118) 974 6053 or by viewing: www.wokingham.gov.uk/admissions. Application for an appeal should be notified by 18 May 2020 (20 school days from the date of the email/letter refusing the place). All appeals are considered by an independent panel and its’ decisions are binding on the school and LA.

In the event of an unsuccessful appeal against non-admission to a school, the LA will not consider any further application for admission, nor is there any automatic right to a further appeal for admission, within the same academic year (September 1 to August 31) unless there is an exceptional situation resulting in a significant change of circumstances relevant to the application.

In the case of own admission authority schools, appeal arrangements are different from the LA’s and if you are not successful in your application to one of these schools, the allocation notification will advise you how to proceed with an appeal, should you wish to do so.

Information regarding previous appeals in the Wokingham Borough for those starting in F2 (Reception) is on the page giving details on the allocation of school places.

Please see Question 17 for information on infant class size appeals.

16 What is the situation on infant class sizes?

The School Standard and Framework Act 1998 requires all admissions authorities to ensure that all infant classes for children with a single qualified teacher, aged five, six and seven may not exceed 30 in a class after September 2001.

For parents this means that where the admission of your child would force the admission authority to breach the infant class sizes imposed by the legislation, your child may not be able to be admitted to your preferred school.

17 What is the situation for infant class size appeals?

Applications will be rejected if the admissions authority considers that admitting another child into an infant class would result in a breach of the infant class size legislation. Parents have the right of appeal against a decision to refuse a place at their preferred school on this basis. Parents should be aware that this situation could well apply in a number of primary schools, particularly where they have an admission number of 30 or 60 and are oversubscribed.

In a class size appeal the Appeal Panel is only able to look at three factors and can only allow a class size appeal if one of the three grounds stated below applies. Either:

a) It finds that the admission of additional children would not breach the infant class size limit;

b) It finds that the admission arrangements did not comply with admissions law or were not correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied;

c) It decides that the decision to refuse admission was not one reasonable admission authority would have made in the circumstances of the case.
When considering whether the decision to refuse admission was one that a reasonable admission authority would have made in the circumstances of the case, the Panel will look at all the facts to determine whether the admission authority acted reasonably.

This means that where the admissions authority cites infant class size prejudice for refusing your child admission you would need to focus exclusively on the grounds set out above in both your written appeal submission and at the appeal hearing. Further information will be provided with your offer email/letter.

18 What if I want my child to attend a school outside the Wokingham Borough?

As with schools in the Wokingham Borough, the places are subject to availability, although the admissions criteria will be different. You should make your application for any LA, voluntary aided, academy or foundation school in a neighbouring LA on the Wokingham Borough application form (paper or online) giving full reasons why you are applying for the school and return the completed form, or submit via admissions online, to the School Admissions Team at Wokingham Borough Council. The authority will co-ordinate with other local authorities and the LA will send other admission authorities/LAs details of applications for their schools. Co-ordination will continue until 31 August 2020.

If you are seeking a place at a school administered by another local authority, or if the school you wish to apply for is its own admission authority, you should obtain a copy of their admissions policy, as their admissions criteria will be different to our own.

Contact numbers for neighbouring authorities are as follows:

• Bracknell Forest Borough Council (01344) 354 023 / (01344) 354 144
• Reading Borough Council (0118) 937 3777
• Slough Borough Council (01753) 875 728
• West Berkshire Council (01635) 424 000
• Royal Borough of Windsor and Maidenhead (01628) 683 870
• Hampshire County Council 0300 555 1377
• Oxfordshire County Council (01865) 815 175

19 What if I live outside the Wokingham Borough and I want my child to attend a school in the Wokingham Borough?

Your child will be considered under the admissions criteria for Wokingham Borough pupils, which may be different to those of your home LA. If your application for any Wokingham Borough school cannot be met we will not offer any alternative school. If we are unable to meet your preference(s) your application will be referred to your home authority for them to reserve a place for your child at one of their schools.

You should apply for a Wokingham Borough school using your own LA application form and return it to that LA Admissions Team by the appropriate closing date. Your LA will advise Wokingham Borough Council of your preferred school(s) and your application will be processed in accordance with our admissions criteria.

20 Can my child start school earlier or later than normal?

 Whilst there is no current legislation, requests from parents for school places outside a normal age group will be considered carefully, whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.
Each case will be considered on its own merits and circumstances and will only be agreed by a panel of officers from Wokingham Borough Council where there is consensus between the parents, schools concerned (both current setting and preferred, if appropriate) and any relevant professionals asked for their opinion by the panel, that to do so would be in the pupil’s interests. Parents will be informed of their statutory right to appeal. This right does not apply if a place is offered in another year group at the school.

Parents do have the right to defer (delay) the school place until statutory school age or request a part-time place (see Question 14). Please see Question 2, page 16 for further information.

21 What happens if I move house before, or during, the application process?

If you own a property which is in the process of being sold and you want us to use your new home address for the allocation of places, you will need to give us appropriate evidence in support e.g. exchange of contracts for the new property and disposal of your current property. The latest date for submission of evidence to support a move is 15 January 2020. If the move takes place later or evidence is submitted later, we will only be able to consider this information after the initial allocation of places has taken place and treat the new address for waiting list purposes. Please refer to residency requirements on page 26.

If you rent a property and you move during the process as described above; you will be required to give full details of the reasons why you are moving out of the rental property and a signed rental agreement for the new home address.

In both instances, an admissions panel will consider your reasons for the move and decide the address to be used for admissions purposes and may require further information to enable it to make that decision. In the case of a rental property move, the panel will decide whether this is a temporary arrangement or not taking into account the term of any rental agreement.

Parents are required to advise of any changes of circumstances at any time prior to your child starting at the allocated school. It is important to note that you have declared on your application that the information provided accurate and that to the best of your knowledge, the declared address will continue to be the child’s residence beyond the start of school in September 2020. Therefore the school place is at risk of being removed if there are subsequent changes.

22 What is the process should I want my child to change schools outside of the normal admissions round (in-year admissions)?

A scheme to co-ordinate in-year admission has been formulated and a separate policy and Parent’s Guide is available at www.wokingham.gov.uk. This applies to all applications received after the transfer group process ends on 31 August 2020 and for all other year groups with the exception of:

- admission to school sixth forms
- admission to nursery or foundation stage units into foundation one (F1)

Where a place is required in a sixth form or in F1, application should be made direct to the school. (Policies are available on the council's website).
A brief summary of the scheme is as follows:

Timing of applications
Applications will be considered half-a-term in advance of the place being required. For entry to school at the start of term or half-term, an application will need to be received by the School Admissions Team, 20 school days in advance of the commencement date. Any applications received in advance of this will be held on file until the appropriate time, with the exception of crown service, service families or look-after children.

It is our intention that all applications should be processed and the outcome of the application made within 20 school days from receipt of the application. This is subject to confirmation, if applying for a school in another local authority that a place can be offered, whichever is the latter. Allocation or refusal email/letters will be sent by second class post.

Applications
Applications must be made using the Wokingham Borough application form to apply for schools within the borough. The common application form is available on request or can be downloaded at: www.wokingham.gov.uk/admissions. An application form allowing a single preference will be available for own admission authority schools outside the scheme. An online application facility is available, parents may also apply online.

Parents may express up to four preferences for schools within the scheme, listing those preferences in ranked order and giving their reasons for those preferences. Where a place is available for a child at more than one school, Wokingham Borough Council will offer a place at whichever of these schools is their highest preference.

The School Admissions Team will pass on applications and any supporting information provided by the parent for any own admission authority schools within the scheme to their governing bodies so that they can make a decision about the application. The governing body should make decisions regarding applications within five school days of receipt. The governing body will then inform the School Admissions Team who will advise the offer or refusal on their behalf. There may be a delay during school holiday periods as the school may not be contactable.

Where own admission authority schools within the scheme receive an application direct from a parent, the school must forward to the School Admissions Team details of any application made, together with any supporting information provided by the parent (regardless of whether the parent making the application resides in that authority’s area) together with the school’s response to that application in order that the response is made on the school’s behalf to the parent.

Each preference will be considered against the admissions authority’s oversubscription criteria if necessary and, where more than a single school place could be offered, the place will be offered for the highest ranked preference.

Where applications are refused, parents will be advised of their right of appeal. Where a place has been refused by Wokingham Borough Council or for schools, who are their own admissions authority within the Borough, reference must be made to the Council’s website for details on how to appeal.

A place will be offered at an alternative school (the designated area school or most accessible school with places available) where the parent can provide evidence of their move to or within the Wokingham borough, and parents will be advised of their right of appeal for their preferred school(s). No offer of an alternative school place will be made where no change of address is made, unless requested to do so.
Out of Borough applications

Wokingham Borough Council will accept applications from all residents wishing to apply for a Wokingham Borough school. Wokingham Borough Council will respond to the parent, in writing, with the outcome of their application with a copy to the home local authority. If the place is declined, the parent will be advised of their right of appeal.

Offers

Places will be offered on the basis of the child’s chronological age. Where a child is in a different year group and not already attending a Wokingham Borough maintained school, supporting documentation will be required from the child’s current school giving reasons for this for consideration by an admissions panel. Places can only be allocated to children working outside their normal year group with the consensus of the receiving school.

The offer of a place in a Wokingham Borough school must normally be taken up within the declared half-term.

Failure to take up the offer of a place during this time will mean that the offer is withdrawn and the place released. Exceptions can only be made where the parent provides documentary evidence that the delay is unavoidable, through no fault of their own, or in the case of crown service, service families or looked-after children.

In accordance with the School Admissions Code, admission will be deferred to the start of a term or half-term for the following categories of in-year admission:

- those that do not require a house move
- those where there is no reasonable need for an immediate move
- those allocated from waiting lists

It is envisaged that children normally would be admitted to school during a school term in the following circumstances only:

a) those applying as a result of a house move i.e. unable to take up a place earlier due to living at a distance from the school

b) those applying and unable to take up a place earlier due to ill health or other reasons beyond parents’ control

c) applications agreed under fair access protocols

It should be noted that a child from overseas with a right to live in the UK with parents may attend a maintained school. This does not apply where the stay is so short (e.g. less than six weeks) that it would not be practical for the child to attend school (e.g. on holiday or short visit).

Parents will be required to accept the offer of a school place within 14 days of the offer notification. Waiting list will be maintained by the local authority for all oversubscribed year groups in its schools in accordance with the oversubscription criteria. Full details including the oversubscription criteria, tiebreaker and residency requirements are available at www.wokingham.gov.uk/admissions.
Admission to middle schools in other local authorities

These arrangements will be managed centrally by Children’s Services. A separate application will be available for parents wishing to apply for a place for a middle school in another local authority. Each local authority will accept applications in the same way as it would for its own normal admissions round. Coordination will be held with the maintaining local authority who will apply their co-ordinated scheme.

The maintaining local authority will inform Wokingham Borough Council if a place is to be offered in one of its schools and Wokingham Borough Council will inform the parent of the outcome of the application.

23 What Fair Access Protocols have been set by Wokingham Borough Council?

The council, following consultation with schools, has agreed the following protocols for the admission of children in-year and in accordance with the School Admissions Code:

- Young people at risk of or at permanent exclusion
- Managed transfers between primary schools
- Managed transfers between secondary schools
- Children at particular risk of missing education known as “vulnerable children”

In some instances, implementation of a Protocol allows for the admission of children above the admission number. Consideration of applications that may fall within one of the above groups will be by a panel of officers and, where necessary, school representatives.

The protocols can be viewed at the In-Year Admissions page at: www.wokingham.gov.uk/admissions.

Written copies are available on request from the School Admissions Team.
What are the term dates for the academic year 2020/2021?

**Autumn 2020**

*Half term 1 (39 days)*

Term starts on: Tuesday 1 September 2020  
Term ends on: Friday 23 October 2020  

October holiday: Monday 26 October to Friday 30 October 2020

*Half term 2 (35 days)*

Term starts on: Monday 2 November 2020  
Term ends on: Friday 18 December 2020  

Christmas holiday: Monday 21 December 2019 to Friday 1 January 2020

**Spring 2021**

*Half term 3 (30 days)*

Term starts on: Monday 4 January 2021  
Term ends on: Friday 12 February 2021  

February holiday: Monday 15 February to Friday 19 February 2021

*Half term 4 (29 days)*

Term starts on: Monday 22 February 2021  
Term ends on: Thursday 1 April 2021  

Spring holiday: Friday 2 April to Friday 16 April 2021

**Summer 2021**

*Half term 5 (29 days)*

Term starts on: Monday 19 April 2021  
Term ends on: Friday 28 May 2021  

May holiday: Monday 31 May to Friday 4 June 2021

*Half term 6 (33 days)*

Term starts on: Monday 7 June 2021  
Term ends on: Wednesday 21 July 2021  

Total pupil days: 195 less five inset days to be set as flexible closures to be determined locally by school or cluster.

Wokingham Borough Council is working hard to support our Head Teachers in upholding the law with respect to attendance at school. Children and families have 175 days off school to spend time together, including weekends and school holidays. It is our duty with schools to prioritise good attendance, thus enabling us to closely work in partnership with our families and schools to ensure all our children achieve the best education they can and enjoy their school life fully.

Parents who take their children out of school for a holiday in term time could be subject to a penalty notice, irrespective of when this holiday was booked.
25 Are free places at independent schools or assistance with fees available?

We have no scheme to help parents wishing to educate primary age children at independent schools. If you require information on independent schools within Berkshire you should contact the Independent Schools Council (London and the South East) at: www.isc.co.uk.

For admission to independent schools, please contact the individual school direct.

Help and assistance from Wokingham Borough Council

26 What do we mean by special educational needs or disability? (SEND)

National figures suggest that as many as one in five of all children and young people will, at some stage, have difficulties with their learning. For most of these children and young people the difficulties will be temporary but for some the difficulties will be long standing.

The important thing is to ensure that support is made available to children and young people and the funding, now made directly available to schools, means that they will always be using a range of strategies to support pupils who are having difficulties with their learning. A small number of children and young people have enduring difficulties, or special educational needs. The definition below is taken from the Code of Practice which supports the Children and Families Act.

A child of compulsory school age or a young person has a learning difficulty or disability if he or she:

• has a significantly greater difficulty in learning than the majority of others of the same age, or
• has a disability which prevents or hinders him or her from making use of educational facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post 16 institutions.

The Children and Families Act 2014

This Act has made a number of changes to how support for special educational needs is made.

• From September 2014 a child or young person who would have been given a Statement of Special Educational Needs (SEN) will have an Education, Health and Care plan (EHC)
• Children and young people who already have a Statement of SEN will have these converted to an EHC plan over the next few years
• Children whose needs can be met through the extra resources now in school will have support at SEN Support stage.

SEN Support

The Council delegates money into mainstream schools’ budgets to provide extra help for pupils with SEN.

If a child is identified as having special educational needs, the school takes a step-by–step approach that might include:

• targets set that are reviewed regularly with you
• extra help from a teacher or learning support assistant
• individual or small-group teaching for short periods.

The level of help will be matched to your child’s needs and you will be kept informed at each stage of the process. Sometimes, the school will call on the help and advice of an educational psychologist or another professional.
Education, Health and Care needs assessments and plans

In most cases the step-by-step approach will ensure that your child gets all the help he/she needs. A few children will have more significant and long-term needs. These children may require an education health and care needs assessment. This takes information and advice from health, social care and education and works with you to set out an EHC plan which explains your child’s needs and what support needs to be available to them to ensure that they make the most progress with their learning. Before September 2014, these children would have received a Statement of SEN.

Most children with EHC plans or Statements of SEN attend their local school and receive extra help there. A small number of children may need to attend a special school or a mainstream school with additional facilities for particular difficulties such as hearing impairment, physical difficulties, autistic spectrum disorder, or speech and language difficulties. If you think your child needs to attend a school with this specialist support you can contact the Council’s Special Educational Needs Team to find out which schools provide this support.

If you are concerned about your child’s progress, you should speak to his/her teacher. The school will have a published policy on identifying and supporting pupils with special educational needs, which you can ask to see. You can get more information about special educational needs via the Wokingham Borough Council website or from the SEN Service by calling (0118) 974 6216 or emailing: sen@wokingham.gov.uk.

If your child has a current Statement of Special Educational Needs, and attends a mainstream primary school, Wokingham borough early years’ setting or a special resource in a mainstream primary school or early years’ setting, his or her future school placement will be considered as part of the annual review of the Statement and you will be part of those discussions.

In most cases it should be possible to give clear recommendations in Foundation 1 as to the type of schooling that your child will need at the primary stage. You will also be sent information from the School Admissions Team requesting your preference for the school you wish your child to attend and it would be helpful if you complete the application form. For admissions purposes there is no difference between a Statement of SEN and an EHC plan.

The Local Offer

The Local Offer includes information about health and social care services, education, leisure activities and support groups in the area for children and young people aged 0 - 25 with SEND and their families. The Local Offer helps parents, carers and young people to see clearly the range of services and support that are available in their local area and understand how to access them. This information is available at www.wokingham.gov.uk/lo

Expressing a preference

Mainstream schools: the majority of children will attend their local mainstream school serving their address. The Local Authority wishes to encourage all parents strongly to consider expressing a preference for their local mainstream school as this can have a beneficial effect on social relationships and ease travel arrangements and often make home-school contact and liaison easier. Please note that help with transport costs may not be provided if appropriate provision is available at a nearer school.

Specialist provision: if your preference is for a place in a resourced unit or special school, this information is passed to the Special Educational Needs Team. A move to a special school or to a special education resource can only be arranged if the school has places available and is suitable to your child’s age, aptitude, ability and their special educational needs. Expressing a preference for a mainstream place in a school that hosts a resource will not secure the admission of your child to the special resource unless that specialist provision has been identified as necessary for your child.
Independent special schools: if you consider your child should be placed in an independent or non-maintained special school your request will be carefully considered. However, a placement will usually only be agreed if suitable provision cannot be made in a maintained mainstream or special school and the proposed placement would represent efficient use of the Council’s resources.

Schools outside the Wokingham Borough: you are able to express a preference for your child to be placed in a mainstream school, a special school, or to a special education resource within a mainstream school of another authority’s area outside the Wokingham Borough. The allocation of places in schools outside Wokingham is arranged with the appropriate local authority and school governors, The Special Educational Needs Team must by law consult the governors of your preferred school and the local authority that maintains the school. Expressing a preference for a mainstream place in a school outside the Wokingham Borough that hosts a resource will not necessarily secure the admission of your child to either the school or the special resource.

What if my child has a disability?

All schools are required to continue to make their schools as accessible as possible (known as an Access Plan) and to make what are known as ‘reasonable adjustments’. This means that most children who can access a mainstream curriculum can do so in a school which is within their locality. Each school publishes information about its Access Plan in its prospectus.

Agreeing a preference

The law is that the Local Authority must agree to your preference for a maintained (State) school, unless:

- The school is unsuitable to the child’s age, ability or aptitude, or his or her special educational needs; if you are looking for a change from mainstream school to a special school or special extra resources this will only be taken forward if the school is suitable to your child’s ability and special educational needs.

- The attendance of your child at the school would be incompatible with the provision of efficient education for the children with whom he/she would be educated, in which case there would have to be grounds to show that no reasonable steps could be taken to eliminate the incompatibility OR

- the efficient use of resources.

Sometimes parents express a preference for a mainstream school outside the usual designated area and where this is agreed, parents will be responsible for transport to and from school. Places cannot be made available in special schools or special resources where this would take them over planned numbers.

In the majority of cases, it will be possible to meet the parental preference for a named school. However if you do not agree with the school being suggested you will be invited to meet with someone from the Special Educational Needs Team to discuss the matter. SENDIASS (formerly Parent Partnership) is available to offer impartial advice and support to parents and carers of children with special educational needs and disabilities. They can be reached on: (0118) 908 8233 or email: sendiass@wokingham.gov.uk. In cases where there is a disagreement about your child’s special educational provision you may be offered formal mediation with an independent mediation service. If you are sent a final statement with which you disagree, you then have the opportunity to appeal to the SEN and Disability Tribunal in London.

27 If I have difficulties with my child, who can help me?

It is important to seek help at the earliest stage. The first point of contact should be early year’s provider or your child’s class teacher and then the Headteacher. Each school has an Education Welfare Officer who is able to give help, advice and support in situations where children are experiencing problems of behaviour or school attendance. For further advice, please contact the Education Welfare Team on (0118) 974 6193.

If your child has special educational needs and disabilities, then impartial advice and support is available from SENDIASS on: (0118) 908 8233 or email: sendiass@wokingham.gov.uk
The protection of the child’s welfare is paramount, and, if there are any child protection concerns, school staff are duty bound to report this. The case will then be investigated in accordance with the Child Protection procedures.

Additionally, an Education Welfare Officer can help to resolve attendance issues, through aiding communication and developing home-school links. Advice is also available about pupil exclusions and/or links with other appropriate agencies, children’s centres, parent support or family information service.

28 Will I have to pay for my child’s lunch?

Lunch will be provided free of charge to all children in the first three years of primary school (that is to say, all children in reception, year 1 and year 2 classes). Older children do have to pay for school meals, unless they qualify for the Pupil Premium (see next section).

We recommend that children have the school lunch, as these meals are carefully monitored to meet strict nutritional standards set by Government. There is evidence that having a regular healthy meal at lunchtime can improve a child’s learning at school.

Schools may ask parents to register if they want their child to receive school lunches. This enables them to plan how many meals are needed, and also to collect information about your child’s dietary needs, or any food allergies, etc.

What is the Pupil Premium?

Schools now receive additional funding, the “Pupil Premium” for each pupil on their roll whose family is on low income. To qualify the family must meet the criteria set out in the next section. Schools use this extra funding to support and raise the educational attainment of these children. Your child’s school will be able to tell you how they use the pupil premium funds to do this.

If you apply and the school confirms that your child is eligible, the school will receive an additional £1320 per year.

To ensure your school doesn’t miss out on additional funding to help your child, you should apply as soon as your child starts school and no later than October half-term. Your child’s school will be able to tell you how to apply. Most schools will collect this information on the registration form for school lunches.

Children eligible for pupil premium support are also entitled to continue receiving free school meals when they move into year 2, all the way to sixth form (provided their family continue to be entitled – see next section). However, if your child does not take up the free school lunch, this will not affect their eligibility for the pupil premium. Schools can claim pupil premium funding for every child that has been eligible within the last six years. So even if your circumstances change so that the eligibility rules (below) no longer apply to you, your child will continue benefit from the support which pupil premium funds provide, to help raise their attainment.

Who is eligible?

Your child may be able to get free school meals if you get any of the following:

- Income Support
- income-based Jobseekers Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit
- Child Tax Credit (provided you’re not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
• Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
• Universal Credit

Children who get any of the above benefits in their own right (i.e. they get benefits payments directly, instead of through a parent or guardian) can also get free school meals.

Children under the compulsory school age who are in full time education may also be able to get free school meals.

Additional notes
• In all cases, please note that you will need to register with the school for child to become eligible. Schools will have a registration form (usually combined with registration for school meals).
• The pupil premium does not apply to children who are in the care of the Local Authority, e.g. foster children, or of a voluntary organisation. For these children, the school can claim a separate (higher) level of additional funding.
• The entitlement to pupil premium and free school meals applies to all the state-funded schools included in this admissions guide. It does not apply to children at independent private schools.
• Parents whose children attend schools outside of Wokingham Borough should contact their child’s school, or the local authority which maintains the school, with regards to registering for the pupil premium, as the local arrangements for processing claims may be different.

How do I apply?

The Council has introduced an easier way for parents to apply for pupil premium support (and free school meals for older children). Most schools in the Borough now use this system.

Previously, you would have had to produce evidence of your benefit support payments and income levels and give this to the school office every term. Now, we are able to confirm whether you are eligible for free school meals electronically, using a secure government on-line system. We will only need limited information, such as your date of birth and national insurance number, for this system to identify you.

You will only need to complete one form once. The benefits are:
• Eligibility will be checked automatically for you each term.
• You will not have to produce evidence of any benefits or of your income to the school.
• The school will receive only a yes/no answer from the online checking system – this means staff will not have access to any of your personal income or benefits information.

A copy of the registration form can be obtained from your child’s school, Children’s Centres, or can also be downloaded from the Council’s Website: wsh.wokingham.gov.uk/leadership/free-school-meals.

COMPLETED FORMS SHOULD BE RETURNED TO YOUR CHILD’S SCHOOL

29 How will my child get to school?

In most cases parents are responsible for making arrangements for their child to get to school. If your child attends a designated area school, or the nearest school to your home address, and does not live within safe walking distance, you may be entitled to free school transport. For more details please refer to Question 30.

School Travel Plans

Schools are encouraged to promote sustainable journeys to schools, and to develop travel plans in consultation with parents and children. Many schools have travel plans in place which promote walking or cycling to school through various initiatives. If we know that a school has a travel plan, this is indicated in the information about individual schools. Details of the plan can be obtained from the school concerned.
30 Will my child be entitled to any assistance with transport?

a) Children under 8 years old

For any pupils aged under 8 years-old, transport assistance can be considered where your child attends a designated area school or the nearest available suitable school.

Transport to any designated area school or nearest available suitable school will be considered if there is more than one for your address, but not if one of the schools available at the time of application is within safe walking distance of home. Transport can also be considered in the relatively few cases where the school attended, although not a designated area school, is the nearest available school by radial distance.

Transport in all cases will only be provided if your child lives more than two miles from the school by the shortest safe walking route, unless there is no safe walking route. “Safe” means accompanied if necessary, and the distance limit is set nationally. The only exception where transport will be provided for children living closer to schools; is where children are unable to walk due to special educational needs or disability. Walking routes may not necessarily be the same as the route driven by a vehicle.

Note that for children who are entitled to free school transport, this only applies until the end of year 6, or the end of Year 2 in some cases (because the definition of ‘walking distance’ changes to 3 miles, once children have attained their eighth birthday). Designated area information is available on the Council’s website at: www.wokingham.gov.uk/admissions. The School Admissions Team can also assist with designated area information.

If transport costs are a significant factor in choosing your school preferences, Corporate Transport Team can, on request, provide a written assessment before you submit your preference form, to advise whether any of the schools you are considering would qualify for travel assistance.

b) Children aged 8 years upwards

For any pupils aged 8 years or above, transport will be provided in the same circumstances as for younger children, except that children must live at least 3 miles away from school, by the shortest safe walking route, rather than 2 miles. In the case of children who are eligible to receive for free school meals in year 3 and above, or whose family receives maximum working tax credit, this does not apply and the qualifying distance remains 2 miles.

Additional notes for both a) and b)

- Where parents are successful in obtaining a preferred school that is not a designated (or nearest) school, they are responsible for their child’s attendance. Free school transport will not be provided.
- Designated schools can be any kind of state funded mainstream school including maintained schools, Academies and Free Schools. There are locations where a number of schools will be considered to be designated schools. For example the designated area of Windmill Primary School includes addresses in the designated areas of The Hawthorns Primary, Walter Infant, St Paul’s CE Junior, Wescott Infant and Westende Junior Schools. Please note that Floreat Montague Park School has no formal designated area, but may be the nearest available suitable school for some children.
- In the case of lower income families who apply for transport under (b) above, transport will not be provided if their child attends a school which does not meet the criteria stated.
- Where free transport is provided, this is only to the end of year 6, or the end of Year 2 in some cases (because the definition of ‘walking distance’ changes, once children have attained their eighth birthday
- All transport entitlement will be reviewed on an annual basis.
- Transport assistance may be provided by means of a contracted vehicle, public transport (bus or train) or mileage reimbursement, at the Council’s discretion.
How do I apply?

If you believe that you are entitled to free school transport when a school place has been allocated, you should obtain an application form at http://www.wokingham.gov.uk/schools-and-education/school-information-and-services/school-and-college-transport/ or from the Corporate Transport Team at the Council. This should be returned by 30 May 2020 to enable transport arrangements to be put in place for September 2020. Late applications, due to admissions appeals etc. will be processed as quickly as possible.

As stated, parents who are successful in obtaining a school other than a designated area school, as a result of a higher ranked preference, will not receive transport assistance. If they subsequently change their ranked preference in favour of a designated area school and all places have been allocated they would still not be provided with free transport to the school originally ranked higher.

The school transport policy, can be viewed at http://www.wokingham.gov.uk/schools-and-education/school-information-and-services/school-and-college-transport/ or copies are available from the Corporate Transport Team at the Council Offices at Shute End, Wokingham. For specific advice, please contact the school transport team on (0118) 974 6000 before completing the school application form.

Wokingham Borough Council’s Sustainable Travel to School Strategy

The Council also promotes the use of sustainable modes of travel and transport for journeys to school and college.

Under the Education and Inspections Act 2006, the Council has a duty to prepare a Sustainable Travel to School Strategy. There are four main elements to this duty:

• An assessment of the travel and transport needs of children, and young people;
• An audit of the sustainable travel and transport infrastructure within the authority that may be used when travelling to and from, or between schools/institutions;
• A strategy to develop the sustainable travel and transport infrastructure within the authority so that the travel and transport needs of children and young people are better catered for; and
• The promotion of sustainable travel and transport modes on the journey to, from, and between schools and other institutions.

Wokingham Borough Council has produced a draft Sustainable Travel to School Strategy to deliver an action plan of measures, and to helping to achieve common aims and objectives now shared by transport, health and children’s services authorities.

Wokingham Borough Council’s strategy is published on our website at: www.wokingham.gov.uk/council-and-meetings/open-data/policies-and-strategies

31 Is there any assistance available for the purchase of school uniform?

Whilst there is no assisted purchase scheme run by the Council, many of the schools sell both new and nearly new uniforms at reasonable prices. Please contact the school. If we know that a school has a uniform policy, this is indicated in the information about individual schools. Details of the policy can be obtained from the school.

32 Will there be charges for school activities?

No charge may be made for school activities by the Council or the School Governors unless it is already provided for in a statement of policy on charging and the remission of charges. Such statements will usually also cover arrangements for the financing of school activities by means of voluntary contributions.
33 What if my child has a long term illness and cannot attend school?

Arrangements can be made for your child to be tutored at home or at a special care centre. The initial approach should be made through your child’s school.

34 When does my child move from primary school to secondary school?

Normally transfer takes place in September for those children who will have reached the age of 11.

There are ten secondary schools in the Wokingham Borough. These schools are comprehensive, which means that they cater for children of all abilities. In the Wokingham Borough there is a “designated appropriate” secondary school (or schools) for each part of the Borough. These schools are determined by taking into account those areas traditionally served by the school and the demands of the whole community. Designated area information is available on the Council’s website: www.wokingham.gov.uk. If you require specific advice, please contact the School Admissions Team.

A guide outlining the current year’s arrangements for admission to secondary schools is available at www.wokingham.gov.uk/admissions. Details of these secondary school transfer arrangements are automatically distributed by primary schools each year to parents of children moving into their final year of primary school.

35 Further information relating to the single point of entry

Information on the free entitlement for three and four year olds and for two year olds is available to view at: http://www.wokingham.gov.uk/children-and-families/childcare-pre-schools-and-nurseries/free-childcare-for-2-3-and-4-year-olds/

Following changes to legislation; Wokingham Borough schools will be offering full-time education from September 2012 which means that those children born between 1 September 2015 and 31 August 2016 may start a school in Foundation 2. This is sometimes known as Reception. This relates to those children who are allocated places in school Foundation 2 (F2) reception classes by the School Admissions Team as part of the co-ordinated scheme.

You will need to advise the school direct if you are deferring the full time school place or opting to start part-time.

The following may address some of the questions you may have regarding this change and how it may affect your child:

Can my child attend school part-time in the morning and then attend an early year’s setting in the afternoon?

Yes, but as your child has taken up their school place, they will not be entitled to the free entitlement of 570 hours of free provision a year in an early years setting which equates to 15 hours per week over 38 weeks a year.

This means that should you choose to take up the F2 school place part-time and also continue at an early years setting, you will be required to pay for any hours attended at the early years setting. A part-time school place is 12½ hours.
What is the difference between my child attending an early years’ setting and school?

From an early learning perspective, both will be using the Early Years Foundation Stage (EYFS) framework to guide your child’s development, learning and care.

Early years settings have a higher ratio of professionals working with your child whereas schools must adhere, as a minimum, to the infant class size regulations of one teacher to 30 children. Some schools provide more than this minimum, and this is something that you may wish to discuss with them.

Your child will be familiar with their early years setting which may be smaller and will be used to attending to your child’s particular needs. However, it is important to recognise that both your existing provider and allocated school will make every effort to ensure a smooth transition for your child to their new school.

Your child will have the option of attending school on a full-time or part-time basis which will not incur a charge for the parent. A part-time school place is 12½ hours.

It is possible that were your child to remain at their early years setting, many of their peers may have already moved to their allocated school and friendship groups will have started to form. However, your child may adapt to new people and environments with either option chosen.

Your child will be entitled to 15 hours free early learning and care per week. From September 2017 you may be eligible for the 30-hour funded childcare and more information is available at: https://www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds

Can my child still continue to attend their early year’s setting until they reach compulsory school age?

Yes. Please discuss this with your early year’s provider as soon as possible as they will be considering what places may be available for children wishing to join the setting.

The school place will be held provided your child takes up the allocated school place within the same school year.

If your child has not had the benefit of attending an early years setting prior to starting school, you may wish to consider this. This website http://www.wokingham.gov.uk/children-and-families/childcare-pre-schools-and-nurseries/ will provide you with information on settings within the Wokingham Borough.

If your child is summer born (1 April to 31 August 2016) and does not take up their place until compulsory school age in year one in September 2020; then the offer of a school place will be withdrawn and you will have to apply for a school place after the May half-term in 2020. It is possible, as school places will already have been allocated, that a place at your preferred school will not be available.

Who can help me to decide whether or not my child is ready to start school in September?

Please speak with your early year’s provider, or with the allocated school, who can discuss what is in the best interest of your child to support their early learning developmental needs.

It is important to realise that the decision is yours – you know your child best; if you decide to defer, or opt for part-time, you can still change your mind and speak with the Headteacher.
Schools will want to organise their class(es) and resources. The School Admissions Team will be informing the school during the summer term of the names and personal details of those due to attend. You will need to advise the school direct if you will be deferring or attending part-time. This will enable the schools to send out information packs and arrange visits prior to your child starting at the school.

Your early year’s provider will also need to know whether your child is continuing with them or leaving in order to offer/allocate their places.

If a number of children defer; in some instances, the school may need to employ a teacher for less than three terms, which is why it is important, should you wish to change your mind, you discuss this with the Headteacher immediately.

If you consider that a part-time school place is the best option for your child, you can indicate this on the acceptance form and the School Admissions Team will notify your child’s allocated school that you have decided to accept the place on a part-time basis. The part-time place may be offered as five morning or afternoon sessions, term time only. The school will advise on what is available.

If at any point, you subsequently wish your child to attend on a full-time basis; this should be discussed with the Headteacher to agree an effective date.

Yes. It is very important for you to realise that just because your child attends the school nursery, foundation stage unit or any other early years provision located on a school site, that your child has not been allocated a school place.

This is a separate application process, co-ordinated by the Council’s School Admissions Team. The parents of every child born between 1 September 2015 and 31 August 2016 are required to register their child to receive an application pack and it is your responsibility to apply for a school place by 15 January 2020. Applying later will mean that you will have less opportunity to be allocated to a school that you prefer and your child may be allocated to a school some distance from your home address.

If you live outside the Wokingham Borough, you will need to apply through your home local authority which may have different dates and requirements to Wokingham Borough Council.

Your child’s attendance at a school nursery or foundation stage unit or other early years provision located on a school site does not give the child priority for entry to the school. Places are allocated according to the oversubscription criteria on page 23 or individual school policies.

If your child is in a foundation stage unit (F1 and F2 children together); your child will leave at F2 (or by compulsory school age, if the option has been taken to defer) to take up a school place at the school allocated by the Council’s School Admissions Team. Another child may join the unit to take up their F2 school place. If a child in a foundation stage unit is offered a place at the school by the School Admissions Team as an F2, he/she will stay in the unit until the start of year 1. It is important to note that attending
the foundation stage unit does not have any bearing at all on whether or not a child will be offered a school place at that particular school by the School Admissions Team as places are allocated on the basis of the oversubscription criteria detailed in this guide.

If your child is attending a nursery class at a school, your child will leave at F2 (or by statutory school age, if the option has been taken to defer) to take up a school place at the school allocated by the Council's School Admissions Team. If a child in a nursery class is offered a place at the attached school by the School Admissions Team they will transfer to the F2 Reception class. **It is important to note that attending the nursery class does not have any bearing at all on whether or not a child will be offered a school place in that particular school** as places are allocated on the basis of the oversubscription criteria detailed in this guide.

### What is meant by deferring a school place?

Deferring means delaying your child’s entry to the school and remaining eligible for the 15 hours free entitlement.

A parent may defer their child’s school place until the child reaches statutory school age provided the child starts in the same school year.

The following will give you an example of what deferment can mean:

<table>
<thead>
<tr>
<th>Child’s date of birth</th>
<th>Date when child must start school</th>
<th>Options to defer and still retain the school place</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 September to 31 December, 2015 (autumn born)</td>
<td>January 2020</td>
<td>You can defer the school place until: • January 2020</td>
</tr>
<tr>
<td>1 January to 31 March 2016 (spring born)</td>
<td>April 2020</td>
<td>You can defer until: • January 2020 or • April 2020</td>
</tr>
</tbody>
</table>
| 1 April to 31 August 2016 (summer born) | September 2020 (year one) | You can defer until: • January 2020 or • April 2020 or • September 2020  
If you defer until September 2020, the offer of the school place will be withdrawn and you will need to re-apply for a year one in-year place after the May half-term 2020 |
The acceptance form sent with the email/letter offering a school place on 16 April 2020 will enable you to indicate if you wish to defer or opt for part-time.

Please see question 14 if you consider that your child will not be ready for school and you are considering a request for your child to work out of the chronological year group.

My child did not get a place at one of my preferred schools and is on the waiting list. I am going to appeal. Can I defer until my child is allocated a school I want?

Yes. You may defer the offered school place, but please advise the Headteacher of the allocated school accordingly. Please note that you can only defer until your child reaches compulsory school age (the term after your child’s fifth birthday). If the School Admissions Team is later able to allocate you a preferred school from the waiting list then the email/letter of offer will be accompanied by another acceptance form for completion.

If your appeal is successful, it will be assumed that you will be taking up the school place at the earliest opportunity. Should you wish to defer or opt to take up the place on a part-time basis please inform the School Admissions Team or allocated school direct.

We recommend that you accept the original offer of a school place, pending the outcome of any appeal for higher ranked preferred schools. The acceptance will not affect the outcome of your appeal but will ensure that a school place is available for your child, if your appeal is unsuccessful. It will also not prejudice your right to remain on the waiting list for higher preferred schools.
SCHOOL INFORMATION
Primary schools in the Wokingham Borough

We are proud of our schools in the Wokingham Borough and the achievements of their pupils. All of our schools are listed on the following pages, including own admission authority schools, e.g. academies, free schools and voluntary aided schools with their policies shown from page 87.

Key

| NOR | Number of pupils at school in May 2019 (excluding F1 Nursery) |
| AN  | Admission number at September 2020. All schools must admit up to the published AN, subject to sufficient demand |
| A   | Academy – admission to these schools will be determined by the academy trust. This includes free schools. |
| C   | Community school and voluntary controlled school – admission to these schools will be |
| VC  | determined by the local authority in accordance with its admissions policy |
| VA  | Voluntary aided schools – admission to these schools will be determined by the governing body of the school in accordance with its admissions policy. Supplementary information forms may be required in addition to the application form |
| FSU | Foundation Stage Unit - integrated provision which takes part-time F1 (nursery) children allocated by the school, and part or full-time F2 (Rising Five) places allocated by the local authority. Where a school operates a FSU, your child will be placed on the school roll for F2 (Reception) but will be taught within the FSU |

The allocation summaries showing how places were allocated on offer day together with the number and outcome of appeals lodged is included from page 77 onwards. The summaries give you three years information on how many children were allocated by school in each oversubscription criterion. Please note that this is an indication only and can change due to various factors, including the number in the cohort and the number of parental preferences expressed for the school.

Where the number is 0, this will show you that the school was heavily oversubscribed with children in higher criteria. For instance, the box related to children living in designated area (criterion D) will give you the number of children allocated and if for criteria E and F the boxes show 0, this indicates that the school was under considerable pressure from the designated area and siblings living outside designated area or any other children could not be allocated. The information also shows the number of children in designated area that could not be allocated because they live further away from the school than the last child allocated based on radial distance (a straight line measurement from the home address to the school). This is another indication of the popularity of the school from families living in designated area. It is important to note that we cannot guarantee that every child living in a school’s designated area will be offered a place if expressed as a preference.

To maximise the extent to which we can allocate a preferred school; it is recommended that you visit schools; use all four preferences and also consider applying for at least one school which has historically had places in the lowest oversubscription criterion (F) in the past. Maps of the designated area for community and voluntary controlled schools are shown on pages 71 to 76. If you require any further information regarding designated area information, please go to: www.wokingham.gov.uk/admissions or call the School Admissions Team.

School visit information is shown on the next page or on the relevant school information pages. A number of schools do not operate nursery or FSUs but have provision on the school site provided by private, voluntary or independent providers of foundation stage information. For a list of providers, please contact the Wokingham Information Network at: http://www.wokingham.gov.uk/children-and-families/find-services-for-children-and-families/ or the Family Information Service on (0118) 935 2255. Travel incentives are subject to change. Whilst school websites can provide information to parents, if you require a copy of any school policy or prospectus, please contact the school.
## Primary school visit information for children starting school in 2020/2021

*Places allocated against this column are for those children for whom no higher ranked preference could be offered, therefore the designated area school (if there are places available) or the most accessible school with places is provisionally allocated.

**Places at the Resource are to be allocated by the Special Educational Needs Team in accordance with review of individual pupil statements.

***To ensure sufficient places within the Borough to accommodate all those applicants who applied by the deadline, it was agreed to increase the number at Highwood Primary School (30 additional places). This is part of permanent expansion plan for the school, in line with the Local Authority’s Primary School Place Strategy.

****This school has commissioned the local authority to rank applications on its behalf in accordance with the school’s policy and the ranked list was ratified at a meeting of the school’s Governing Body or Academy Trust Board.

*****Where the number allocated exceeds the Published Admission Number, this is due to multiple birth children being allocated to the same setting. (This is classed as a permitted exception to Infant Class size rules).

Please refer to the Parent’s Guide to Primary School Admissions for more information about how places are allocated.
Voluntary Aided Schools
Admission Policies

- All Saints CE (Aided) Primary School  87
- Finchampstead CE (Aided) Primary School  94
- Grazeley Parochial CE (Aided) Primary School  101
- Sonning CE (Aided) Primary School  106
- St Dominic Savio Catholic Primary School  114
All Saints CE [Aided] Primary School admits children from wide ranging backgrounds. We pride ourselves on being an inclusive school. We value each individual, their uniqueness and the contribution each can make to our school community. We provide a safe, caring, enjoyable and challenging learning environment. The school has a Resource for pupils with complex physical needs. We believe that every child has equal worth and is entitled to experience a broad and balanced curriculum, which is delivered through the National Curriculum and is matched to the needs of the individual.

This school is a Church of England school that welcomes applications from all members of the community without reference to ability or aptitude, and All Saints School values highly its Christian ethos, its close links with local churches and the Diocese of Oxford. We provide a distinctively Christian, yet inclusive, environment in which each child is motivated to acquire skills for life and a love of learning. As a church school, we welcome applications from Christian families, and those of other faiths or none. We ask all parents applying for a place at our school to respect this ethos and its importance to the whole school community.

The governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities.

As All Saints is an aided school, the governing body of the school, not Wokingham Borough Council, is responsible for deciding on admissions to the school. However, under co-ordinated admissions arrangements, applications to the school for entry to the Reception year 2020 must be made to the home LA (i.e. the Local Authority you pay your Council Tax to) which may not be Wokingham. Full details of Wokingham LA’s co-ordinated admission arrangements are published in the Children’s Services’ Parents’ Guide to Primary School Admissions. This explains how parents can express a preference for a school and give reasons for that preference. All Saints School operates an equal preference scheme for admissions.

The waiting list is held by Wokingham Borough Council. They will handle any in-year admissions and will consult with the school before offering a place.

Admission arrangements to the Reception Year in September 2020

At our school, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2015 and 31 August 2016 may apply for them to be admitted to the Reception Year in September 2020. There are 43 places (published admission number); in addition to the 43 places available for entry to Reception in September 2020, there are also two places for children with complex physical needs. Our policy is not to offer admission in September 2020 to children who were born on or after 1 September 2016.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child (provided it is taken up during the school year 2020-21), although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer born children) who do not reach compulsory school age until September 2021, parents who do not wish them to start school in school year 2020-21 but to be admitted to the Reception Year in September 2021, should proceed as follows: They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. In this case, parents would need to provide supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. The school will consider the request carefully and if it is agreed this should be clear before the national offer day (16 April 2020), their application for the normal age group may be withdrawn before any place is offered. They should then reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any other offer of a place in September 2020 (it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the
second half of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies and it could be full with children transferring from the 2020-21 Reception Year group.

Until the child reaches compulsory school age, s/he may attend part-time. If parents wish to exercise this right they should discuss detailed arrangements with the headteacher.

Parents (see Note 1) wishing to apply for the Reception Year in September 2020 must complete the common application form provided by their home local authority (the home LA). The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15 January 2020. Applications received after this date will normally only be considered after all those received on or before the cut-off date Offers and refusals of places will be posted by the home LA on 16 April 2020. Attendance in the nursery class at the school does not guarantee admission to the Reception class at the school. A separate application for admission to Reception will need to be made in accordance with the local authority co-ordinated admissions scheme as described above.

Over-subscription criteria

All Saints has two places per year for children with more complex needs. Complex needs is defined as children with an EHC plan or a Statement of Special Educational Needs who have persistent and complex learning needs that require specialist teaching support. They may have special educational needs including physical disabilities with additional needs that may include, sensory difficulties, speech, language, and communication needs and / or complex health needs.

Other children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming All Saints CE (Aided) Primary School and Nursery will always be offered places. If there are fewer applications than places available, all children will be offered places. If there is greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (See Note 2)

2 Families who have exceptional medical or social needs that make it essential that their child attends All Saints CE (Aided) Primary School and Nursery rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (See Note 4)

3 Children with a normal home address (See Note 5) in the Ecclesiastical Parish of All Saints (please see catchment area map appended to this policy), Wokingham and with a sibling (see Note 6) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

4 Children with a normal home address in the Ecclesiastical Parish of All Saints (please see catchment area map appended to this policy), Wokingham

5 Children with a normal home address outside the Ecclesiastical Parish of All Saints (please see catchment area map appended to this policy), Wokingham and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

6 Children of staff at the school where:
   • The member of staff has had a contract of employment for two or more years at the time the application for admission is made or
   • The member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage

7 Other children.
Proximity of the child’s home, as measured by the straight line distance (see Note 7) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 8 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

**All Other Admissions**

Admission to the school during the school year depends on whether or not there are places available. All year groups at the school have 45 places (including two places allocated for children with complex physical needs). Applications must be made directly to the Wokingham LA on a form available from Wokingham LA with whom the school has a voluntary co-ordination arrangement.

Admissions outside the normal age group will be dealt with as indicated below.

If there is a vacancy, and there is no child on the relevant waiting list with a higher priority (according to the over-subscription criteria 1-7 above), a place will be offered.

In-year admissions or admissions at the beginning of school years other than Reception will only be considered by the Governing Body up to half a term [using the three term year] in advance of the desired date for entry. For example for entry in January, the application will not be considered until after the October half term break. Children may be admitted immediately, following a meeting with the Headteacher, if there is no additional support required. **Please note that the school does not have a normal point of entry to Year 3 – applications for entry at the beginning of Year 3 are treated as indicated in this section.]**

If parents are moving house, the school will ask for evidence of the move, when considering any application for a place. Documentary evidence in the form of a solicitor’s letter to confirm exchange of contracts, or a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

**Admission outside normal age group**

Requests from parents for places outside a normal age group will be considered carefully, e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil’s interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered, then there is no right of appeal.

**Waiting Lists**

This is held by Wokingham Borough Council. They will handle any in-year admissions and will consult with the school before offering a place.

**Multiple births**

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number of 45 (including two places allocated for children with complex physical needs) for Reception 2020-21 or the number of places 45 (including two places allocated for children with complex physical needs) in other year groups.
Fair Access

The school participates in Wokingham Borough Council’s Fair Access Protocol. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted; any appeal must be lodged within 20 school days from the date of notification that their application was unsuccessful. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Parents who wish their children to attend the school are most welcome to visit. Arrangements can be made through the Admissions Secretary at the school.

Further information

Further information can be obtained from the Admissions Secretary at the school:

All Saints CE (Aided) Primary School and Nursery
Norreys Avenue
Wokingham

admin@allsaints.wokingham.sch.uk

Notes

Note 1 “Parent” is defined in law (The Education Act 1996) as either:

a) any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
b) any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2 By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Note 3 When applying under criterion 2 above (complex physical needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring All Saints School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 4 When applying under criterion 3 (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring All Saints School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another
school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 5 By normal home address, we mean the child’s home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child. To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child’s home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent’s address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form. If such arrangements are not declared or a relative’s address is used on the application, we may consider that a false declaration has been made, and withdraw the offer of a place. Childcare arrangements are not sufficient reason for listing another address.

If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move, when considering any application for a place under the co-ordinated scheme.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Note 6 By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/s/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form where the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.
Note 7 The straight line distance used to determine proximity of the home to the school will be measured by Wokingham Borough Council’s computerised mapping system as described in the Wokingham Borough Council’s admissions booklet.

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’s Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiply by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

In the event that two or more children live at the same distance (measured as stated above) from school (including, for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place/s). This will be by supervised drawing of lots, carried out by at least two members of the Governing Body.
Finchampstead Church of England (Aided) Primary School
Admission Policy for September 2020 – August 2021

The School has a distinctive Christian ethos which is embodied in our Vision Statement: that our children

- feel cared for unconditionally and valued as unique creation made in the image of God
- become enthusiastic self-motivated learners with a thirst for life-long learning, built on a firm foundation
- have learnt from, and aspired to, excellence in a wide range of academic, sporting, musical, artistic and social activities
- have a strong set of Christian values, including tolerance, respect for the planet, self and others, honesty and sincerity, kindness and friendship, love and forgiveness, justice and personal responsibility

so that our pupils can create their place, and have a positive influence, in tomorrow's world.

As a church school, we welcome applications from Christian families, and those of other faiths or none. We ask all parents applying for a place at our school to respect this ethos and its importance to the whole school community.

The governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities.

Admission arrangements to the Reception Year in September 2020

At our school, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2015 and 31 August 2016 may apply for them to be admitted to the Reception Year in September 2020. There are 17 places available. Our policy is not to offer admission in September 2020 to children who were born on or after 1 September 2016.

Parents of a child whose fifth birthday falls between 1 Sept 2020 and 31 March 2021 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child, (provided it is taken up during the school year 2020 - 21) although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer-born children, who do not reach compulsory school age until September 2021), parents who do not wish them to start school in school year 2020-21, but to be admitted to the Reception Year in September 2021, should proceed as follows. They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. NB parents would need to provide strong supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. The school will consider the request carefully and, if agreed, this should be clear before the national offer day (16 April 2020); their application for the normal age group may be withdrawn before any place is offered. They should then reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any offer of a place in September 2020 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2020 -21 Reception Year group.

Until the child reaches compulsory school age, parents may request that s/he attends part-time. If parents wish to exercise this right, they should discuss detailed arrangements with the head teacher. Parents (see Note 1) wishing to apply for the Reception [Foundation] Year in September 2020 must complete the common application form provided by their home local authority (the home LA). The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15 January 2020. Applications received after this date will
normally only be considered after all those received on or before the cut-off date. Offers and refusals of places will be posted by the home LA on 16 April 2020.

In addition, all applicants under category 5 and 7 (St James’ Finchampstead church connection, see below) must submit the school’s Supplementary Information Form completed by the Rector of Finchampstead and California or other competent church authority at a time when there is no Rector. This form is an essential part of a denominational application and must be submitted to the school by 15 January 2020, the same deadline as the Common Application Form. If the Supplementary Information Form is not received on time, the application will be considered under the next appropriate category (which may mean that no place is available.) The Supplementary Information Form can be obtained from the school or is downloadable from the school website, www.finchampsteadschool.org or Wokingham LA’s website, www.wokingham.gov.uk/admissions.

Over-subscription criteria

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming Finchampstead Church of England (Aided) Primary School will always be offered places. If there are fewer applications than places available, all children will be offered places. If there is greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. Looked-after children and children who were previously looked after but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (see Note 2).

2. Children with a normal home address (see Note 3) in the catchment area (see Note 4) and who (or whose parent) have(has) exceptional medical or social needs that make it essential that the children attend Finchampstead Church of England (Aided) Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family (see Note 5).

3. Children with a normal home address (see Note 3) in the catchment area (see Note 4) and with a sibling (see Note 6) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

4. Children with a normal home address (see Note 3) in the catchment area (see Note 4).

5. Children with a normal home address (see Note 3) outside the catchment area (see Note 4) and from parents (see Note 1) one of whom is a regular worshipper (see Note 7) at the Parish Church of St. James’, Finchampstead and who request admission on denominational grounds and with a sibling (see Note 6) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

6. Children with a normal home address (see Note 3) outside the catchment area (see Note 4) and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

7. Children with a normal home address (see Note 3) outside the catchment area (see Note 4) and from parents (see Note 1) one of whom is a regular worshipper (see Note 7) at the Parish Church of St. James’, Finchampstead and who request admission on denominational grounds.

8. Children who (or whose parent) have(has) exceptional medical or social needs that make it essential that the children attend Finchampstead Church of England (Aided) Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family (see Note 5).

9. Other children.
Proximity of the child’s home, as measured by the radial (straight line) distance (see Note 8) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 9 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process of drawing lots will be conducted in the presence of a person independent of the school.

All Other Admissions

Admission to the school during the school year depends on whether or not there are places available. **All year groups at the school have 17 places.** Applications must be made directly to the Wokingham LA on a form available from Wokingham LA with whom the school has a voluntary co-ordination arrangement. If there is a vacancy, and there is no child on the relevant waiting list with a higher priority (according to the over-subscription criteria 1 – 9 above), a place will be offered.

In-year admissions or admissions at the beginning of school years other than Reception will only be considered by the LA and Governing Body up to half a term [using the three term year] in advance of the desired date for entry. For example, for entry in January, the application will not be considered until after the October half term break.

If parents are moving house, the school will ask for evidence of the move, when considering any application for a place. Documentary evidence in the form of a solicitor's letter to confirm exchange of contracts, or a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

**Admission outside normal age group**

Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil’s interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered, then there is no right of appeal.

**Waiting Lists/ Continued Interest Lists**

The school and Wokingham LA maintain waiting lists for those children who are not offered a place, and the parents ask for the child’s name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school and LA periodically seek confirmation that parents wish a child to be kept on the waiting list.

**Multiple births**

In the case of twins, triplets etc or same cohort siblings where there are insufficient places available for all the children, the school will offer places in an order drawn by random allocation (multiple births) or to the eldest (birth dates in the same school year) up to the stated maximum of 17. The process will be conducted in the presence of a person independent of the school. If this results in splitting the family, parents may wish to decline the offer and seek places for all their children elsewhere. The school has to take this stance because of pressure on classroom space at Key Stage 2 (Juniors) when two year groups of 17 are together in one classroom.
Fair Access

The school participates in Wokingham LA’s Fair Access Protocol. This covers, for example, children who have moved into our area after the normal admission round, or who need to move school as a result of severe bullying or social issues. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

School Visits

Parents who wish their children to attend the school are most welcome to visit. Arrangements can be made through the School Office.

Notes

Note 1 “Parent” is defined in law (The Education Act 1996) as either:

- any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
- any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2 By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Note 3 By “normal home address”, we mean the child’s home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child. To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant
address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child’s home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent’s address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form. If such arrangements are not declared or a relative’s address is used on the application, we may consider that a false declaration has been made and withdraw the offer of a place. Childcare arrangements are not sufficient reason for listing another address.

If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move, when considering any application for a place under the co-ordinated scheme.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Note 4 By “catchment area” we mean the area defined by the shaded area on the map attached (Finchampstead Village and surrounding roads). A list of the roads involved is also attached. The position of this category is in line with the school’s Trust Deed.

Note 5 When applying under criterion 2 or 8 (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring Finchampstead Church of England (Aided) Primary School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, heath visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.
Note 6 By “sibling” we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form where the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

Note 7 By “regular worshipper” we mean attendance at church services by a parent/guardian at least twice a month over the twelve months preceding the application date or, in the case of long term sickness, being in receipt of regular Home Communion, as verified by the Rector on the school’s Supplementary Information Form. Families new to the area wishing to claim category 5 or 7 status will also need written references to confirm ‘regular worship’ from their previous rector/vicar/minister so that the two periods can be aggregated.

Note 8 The radial (straight line) distance used to determine proximity of the home to the school will be provided to the school by Wokingham LA and measured as described in the Wokingham LA admissions booklet. Namely,

“Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance, to three decimal points, between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.”

The last full consultation was on the 2019 – 20 admission policy
Rationale

Grazeley Parochial C of E Aided Primary School has a distinctive ethos which is at the centre of school life. We provide an inclusive, supportive and caring environment, shaped by Christian values in which children can learn and flourish. We welcome applications from all members of the community without reference to ability or aptitude, and irrespective of whether they are of the Christian faith, another faith or no faith, but we expect parents to respect the Christian ethos of our school.

The Governing Body of Grazeley Parochial Primary School is responsible for deciding admissions to the school. The Local Authority (LA) (Wokingham Borough Council), through the co-ordinated admission arrangements, manages the application process.

A pupil is enrolled at this Aided School in accordance with the Governors’ Admissions Policy, which has been published after consultation with the Oxford Diocesan Board of Education, the Local Authority and other relevant Admission Authorities, in accordance with the School Admissions Code.

Due regard is paid to the Schools Admission Code and to the implications of wider policies ensuring fair access. The school will be participating in the LA ‘in- year’ fair access protocol. (see note 6)

Parents can express a preference for this school by completing the Common Application Form obtainable from the LA in which they live at the time of the application (the home LA), which may not be Wokingham or online.

At our school, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2015 and 31 August 2016 may apply for them to be admitted to the Reception Year in September 2020.

The admission number to the Reception Year in September 2020 is 30. Years 1, 2, 3, 4, 5 and 6 also have 30 places.

Our policy is not to offer admission in September 2020 to children who were born on or after 1 September 2016.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may request that their child is not admitted until later in the school year 2020/21 (no later than the term, using three term year, after the child’s fifth birthday, when s/he reaches compulsory school age). The school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer-born children), parents who do not wish them to start school in school year 2020-21, but to be admitted to the Reception Year in September 2021, should proceed as follows. They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. NB parents would need to provide strong supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. If their request is agreed, and this should be clear before the national offer day (April 2020), their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way (no later than the deadline in January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any offer of a place in September 2020 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2020-21 Reception Year group.

Until the child reaches compulsory school age, parents may also request that s/he attends part-time. In such cases, detailed arrangements should be discussed with the head teacher.
Admission Over Subscription Criteria

Children with an Education, Health and Care (EHC) Plan naming the school will always be admitted to the school whether there are places available or not. Once such children have been offered places, remaining places will be offered according to the criteria below and in that order.

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (See note 5 on pages 6-7)

2. Families who have exceptional medical or social needs that make it essential that their child attends the school rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (see note 7 on page 7)

3. Children of a parent or parents with a normal home address in the Benefice of Loddon Reach (see map attached – see note 2 page 6) and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school. (See note 3 page 6)

4. Children whose parents live outside the Benefice of Loddon Reach and with a sibling on the roll of the school at the time of the application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

5. Children with a normal home address in the Benefice of Loddon Reach (see map attached – see note 2 page 6)

6. Children of other parents who wish their child to attend this school.

Over-Subscription Criteria

The criteria for admission are only applied if there are more applications than places.

In the event of there being more applications than places available fulfilling the first or subsequent admissions criteria then admissions to the school will be determined by the distance from the home address and the school in terms of radial distance. Distances will be measured consistently, using the local authority computerised mapping system and the distance will be measured as a straight line between the land property gazetteer address points for the respective home address and school. The child living closest to the school will be considered for a place. Where two applications share the same post code and are equi-distant from the school, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

All Other Admissions

In the case of twins or multiple births the admission criteria will be applied to each child for whom an application is made. Where one or more but not all the children could be admitted without exceeding the admission number or the number of places available then each child will be admitted.

Admission Outside Normal Age Group

Children are admitted to school within their own age group. Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, cases will not normally be agreed without a consensus that to do so would be in the pupil’s interests. The governors will ask relevant professionals for their opinion on the case. Those refused places outside the normal age group will be informed of their statutory right to appeal.

The Governors of the school will participate in the LA In-year Fair Access Protocol.

This may result in the school being obliged to admit over its admission number.

In- year applications for places in the school will take priority on the school’s waiting list in line with the In-year Fair Access Protocol.
Applications for admissions for entry to the Foundation Class in the school year 2020-2021 should be made in accordance with the LA co-ordinated scheme by the national application deadline in **January 2020**.

The school Admissions Panel will rank applications for admission strictly according to the school admissions criteria and return this list to the LA by the required deadline.

The school’s Admissions Committee will make decisions on which children are to be offered a place and the home LA will inform parents of their decision on the nationally agreed offer date in **April 2020** (sent first class post to arrive the next day).

It is the Governors’ policy not to reconsider applications within the same academic year unless there is a material change in circumstances.

Parents must accept or decline the offer of a place at the school by the deadline in **May 2020**.

Applications made for **other year groups** must be made through the LA and will be subject to application of the criteria by the School’s Admissions Committee. Parents will be informed in writing of the decision by the Local Authority.

**Appeals**

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. A panel organised by the Oxford Diocesan Board of Education will hear the appeal.

It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Parents who wish their children to attend the school are most welcome to visit. Arrangements can be made through the Admissions Secretary at the school.

**Notes**

1. **Parent;** a parent is any person who has parental responsibility for or is the legal guardian of the child.

2. **Normal home address;** child’s permanent address at the time of the application. Home address may also include the place where the child spends the majority of the school week (Monday to Friday, nights included). Official documentation may be required if a child does not live at his or her parent’s address and should be declared on the application form. **If you do not declare any arrangements that are made or use a relative’s address, we may consider a false application has been made and withdraw your application and offer of a place.** Childcare arrangements are not sufficient reason for listing another address. If you are moving into the catchment area, we will ask for evidence of your move before considering any application for a place.

3. **Sibling;** Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

4. If by offering all children a place the class would breach the infant class size legislation, the school will not offer places.

5. **Looked After Children**
By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

6. **Fair Treatment:** All applications will be treated fairly, in strict order of the admission criteria, irrespective of need or ability of the child or family i.e. disabilities, special needs (without statements) or challenging behaviour. The Governing Body has made every effort to ensure that the Grazeley Parochial Primary School Admissions policy complies with the Admissions Code 2014 and all relevant legislation including that on infant class sizes and equal opportunities.

7. **Exceptional medical or social needs:** When applying under criterion 2 (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring the school. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.
Grazeley Parochial Church of England (Aided) Primary School
Designated Area

The area marked blue is the designated area of Grazeley Parochial CE Aided Primary.

Areas marked in red are parts of the designated areas of Community or Voluntary Controlled schools that share some of the school’s designated area.

1. Shared designated area with Lambs Lane Primary and Shinfield St Mary’s CE Aided Junior

2. Shared designated area with Farley Hill Primary and Shinfield St Mary’s CE Aided Junior

3. Shared designated area with Shinfield Infant and Shinfield St Mary’s CE Aided Junior.
Sonning Church of England (Aided) Primary School
Admissions arrangements for September 2020– August 2021

The Governing Body of the school, not Wokingham Local Authority (the LA), is responsible for deciding on admissions to the school. The school is a partner in the coordinated admission arrangements for primary admissions in Wokingham LA and follows their admission timetable.

This policy has been prepared by the Governing Body in consultation with the Oxford Diocesan Board of Education and agreed with the relevant Admissions Authorities and parents. The Governing Body has made every effort to ensure this policy complies with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities.

Sonning School has a distinctive Christian ethos which is at the centre of school life. We provide an inclusive, supportive and caring environment, shaped by Christian values in which children can learn and flourish. We welcome applications from all members of the community without reference to ability or aptitude, and irrespective of whether they are of the Christian faith, other faith or no faith, but we expect parents to respect the Christian ethos of our school.

Admission arrangements to the Reception Year in September 2020

Applications for entry to Sonning Church of England Primary School in the school year September 2020 - August 2021 must be included on the LA Common Application Form for the applicant’s Home Authority (i.e. the Authority in which the parents/legal guardian pays council tax) and must be submitted to that LA. Parents may submit their applications to Reception Class on-line. Full details are available in the LA Admissions Guide.

The Governors’ Admissions Committee will consider all applications during March 2020 and applications will be ranked in accordance with the oversubscription criteria. Wokingham LA will be notified by 15 March 2020. Offers and refusals of places will be posted by the home LA on 18 April 2020. Parents (see Note 1) will be given a date by which to accept an offer. Applications received after the deadline for receipt will only be considered after all those received by the deadline. This means that, if no places are left after considering all the applications received by the deadline, even if you fulfil a higher criterion than that under which places have been offered to other applicants, your application will be unsuccessful.

For admission to school for the 2020/2021 school year, the school will offer all children a full time school place from the September following their fourth birthday. Parents may request that their child attends part-time until the child reaches compulsory school age.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may request that their child is not admitted until later in the school year 2020/2021 (no later than the term [using three term year] after the child’s fifth birthday, when s/he reaches compulsory school age). The school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

Where parents choose to defer their child’s admission, or take up the place part-time but later wish to increase it to full-time before their child has reached compulsory school age, this must be discussed with the Headteacher to agree the effective date.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer-born children), parents who do not wish them to start school in school year 2020-21, but to be admitted to the Reception Year in September 2020, should proceed as follows. They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception Class in September 2021. N.B. Parents would need to provide strong supporting reasons for seeking a place outside the normal age group and should discuss the position with the Headteacher as early as possible.
If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any offer of a place in September 2020 (N.B. it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2020-21 Reception Year group.

The number of available places for the year commencing 1st September 2020 is 30. This number is compatible with the school’s duty to comply with infant class size regulation.

Please note that living in the school’s catchment area does not guarantee places since this is dependent on the number of applicants for each admission criterion.

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) Plan naming Sonning Church of England School will always be offered places. However, if there is then greater demand, the following criteria will be applied in the order set out below:

1. Children with EHCP
2. Looked-after children and children who were previously looked-after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (see note 2)
3. Families who have exceptional medical or social needs that make it essential that their child attends Sonning School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (see note 3)
4. A child with a normal home address in the Ecclesiastical Parish of Sonning, and with a sibling (see note 5) already on the roll of Sonning Church of England School at the time of application and who is expected to still be in attendance at the time of entry to the school.
5. A child with a normal home address in the Ecclesiastical Parish of Sonning where a parent has been a regular worshipper (at least twice per month) for a year prior to the date of application at any Christian church that is a member of Churches Together in Britain and Ireland. (see Note 6)
6. A child with a normal home address outside the Ecclesiastical Parish of Sonning where a parent has been a regular worshipper (at least twice per month) for a year prior to the date of application at St Andrew’s Church Sonning, and whose name is on that Church’s Electoral Roll (Church Membership List). (see Note 6)
7. A child with a normal home address outside the Ecclesiastical Parish of Sonning and with a sibling already on the roll of Sonning C of E School at the time of application and who is expected to still be in attendance at the time of entry to the school.
8. A child with a normal home address in the Ecclesiastical Parish of Sonning.
9. All other children.

Proximity of the child’s home will be measured by Wokingham Borough Council’s GIS system. Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplying by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the
curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles. If there are two identical distances and only one place available, the place will be decided by random allocation in the presence of an independent person. Applications will not be considered more than once in a school year, unless there is a major change in circumstances, e.g. change of address.

Waiting lists – in the event of the school being over-subscribed, a waiting list will be maintained by Wokingham LA until 31st December 2020. The list will then be transferred to the school. The order of priority on the waiting list is the same as the list of criteria for over subscription. No account is taken of length of time on a waiting list. Children who may be allocated to the school in accordance with the In-Year Fair Access Protocol will take precedence over those children already on the waiting list.

Multiple births

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number of 30 for Reception 2020-2021 or the number of places (30) in other year groups.

All Other Admissions

Admission to the school during the school year depends on whether or not there are places available. All year groups at the school have 30 places. Applications for in-year admissions should be submitted to Wokingham LA. Admissions outside the normal age group will be dealt with as indicated below. If there is a vacancy, and there is no child on the relevant waiting list with a higher priority (according to the over-subscription criteria 1-8 above), a place will be offered.

In-year admissions or admissions at the beginning of school years other than Reception will only be considered by the Governing Body up to half a term [using the three term year] in advance of the desired date for entry. For example for entry in January, the application will not be considered until after the October half term break.

The school will participate in Wokingham Local Authority’s In-Year Fair Access protocols which may mean children are admitted over the admission number.

If parents are moving house, the school will ask for evidence of the move, before considering any application for a place. Documentary evidence in the form of a solicitor’s letter to confirm exchange of contracts, a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Admission outside normal age group

Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil’s interests. It is recommended that parents discuss their wishes with the Headteacher in advance of applying for a place. The Governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered then there is no right of appeal.
Applications in the previous year

In the year 2018/19 there were 90 applications for places at Sonning School via the Wokingham Borough Council’s Coordinated Admissions System. Applications were made as follows:

Children with statements naming the school = 0
Cat 1 = 0
Cat 2 = 0
Cat 3 = 9
Cat 4 = 2
Cat 5 = 1
Cat 6 = 3
Cat 7 = 25
Cat 8 = 50

Number of places successful/allocated 2018/19= 30

There were no admissions appeals for this group.

As in previous years, there were a high number of applications naming Sonning School. 11 sibling places were offered for the 2018/19 academic year (Cats 3 and 6) and there were a high number of catchment and non-catchment applications (Cats 7 and 8).

Appeals

There are established arrangements for appeals against non-admission. In the event of an appeal, parents should contact the school to obtain an Appeal Form which should be completed and returned to the Chair of Governors within 20 school days of being notified of the refusal of a school place. All appeals are held through the Diocese on behalf of the Governors. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1st September – 31st August) unless there has been a significant change of circumstances.

Parents may register their interest in the school for their child from the age of 2 years. They are welcome to visit the school during this period by prior arrangement. However, by registering their interest, this does not guarantee a child a place within the school. Any data held is for the purpose of gauging numbers for subsequent years. Application for a school place is a separate process which must be made directly through the appropriate Local Authority.

For further information, in the first instance, please contact the Admissions Clerk at the school. (Tel: 0118 9693399 Email: acarne@sonning.wokingham.sch.uk)

NOTES:

Note 1: “Parent” is defined in law (The Education Act 1996) as either:
• any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
• any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2: By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).
Note 3: When applying under criterion 2 (exceptional medical or social needs), you must include supporting evidence from an independent professional person (e.g. doctor, psychologist, health visitor or social worker) who is aware of the situation and supports your reasons for preferring Sonning School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused to the child if they had to attend another school. The person supplying the evidence should be aware of the child’s or the family’s case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 4: By normal home address, we mean the child’s home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child. To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place.

We will take into account, for example, the following:
• any legal documentation confirming residence
• the pattern of the residence
• the period of time over which the current arrangement has been in place
• confirmation from any previous school of the contact details and home address supplied to it by the parents
• where the child is registered with his/her GP
• any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable.

If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child’s home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent’s address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form.

If such arrangements are not declared or a relative’s address is used on the application, we may consider that a false declaration has been made, and withdraw the offer of a place. Childcare arrangements are not sufficient reason for listing another address.

If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move, before considering any application for a place under the co-ordinated scheme.
We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Note 5: By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form where the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

Note 6: The Governing Body asks the priest or minister to complete the faith form attached to this policy confirming church commitment. If a family has moved within the last 12 months, the governors will look at previous church attendance and a separate declaration form must be completed for both churches. The supplementary form must be returned directly to the school by 15th January 2020 for the main admission round or with the application form for in year applications.

5th March 2019
Sonning Church of England (Aided) Primary School
Designated Area

The area marked blue is the designated area of the Voluntary Aided school.

Areas marked in red are parts of the designated areas of Community or Voluntary Controlled schools that share some of the Voluntry Aided school’s designated area.

1. Shared designated area with Robert Piggott Infant and Junior

2. Shared designated area with Polehampton CE Infant and Junior; The Colleton Primary School

3. Shared designated area with Willow Bank Infant and Junior.
St Dominic Savio Catholic Primary School
Admission Policy School Year 2020/2021

St Dominic Savio Catholic Primary School is a voluntary aided school in the trusteeship of the Catholic Diocese of Portsmouth and is maintained by Wokingham Borough Council.

The school principally serves the Catholic Parishes of Woodley, Earley, and Twyford.

The Parish Boundary map for the Diocese of Portsmouth can be found at http://www.portsmouthdiocese.org.uk/docs/201607-Parish-Boundary-Map.pdf
This policy was determined by the Governing Board in December 2018. Consultation was last carried out in December 2013.

Admission Arrangements for 2020-2021

In the school year 2020-2021, the Governors will admit up to 60 children (the ‘Published Admission Number’) who reach their fifth birthday between 1st September, 2020 and 31st August, 2021.

Classes in Reception, Year 1 and Year 2 cannot contain more than 30 pupils by law. Additional children may be admitted under limited exceptional circumstances. (see Explanatory Notes – (iv)).

Admission to the school is the responsibility of the Governing Board. Wokingham Borough Council is responsible for co-ordinating all the arrangements across the authority.

In November 2019, Common Application Forms (CAFs) will be sent by the local authority to parents whose children will reach compulsory school age between 1st September, 2020 and 31st August, 2021. Applications for entry to St Dominic Savio Catholic Primary School in the school year commencing September 2020 must be made on the local authority CAF and this must be submitted to the local authority to whom the parent pays their council tax. In the case of Wokingham Borough Council the closing date is 15th January 2020. This can be completed online.

In addition to the CAF, applicants for categories 1, 2, 3 and 6 are also asked to complete a separate Supplementary Information Form (SIF) which must be returned to the school office, along with the supporting documentation listed on page 2. These forms are available either from the school office, the school website or Wokingham Borough Council. The additional information on this form assists Governors in placing applications in the correct oversubscription category. If you do not complete this form and return it to the school, with all supporting documentation, by the closing date, your child will not be placed in the appropriate faith criteria and this is likely to affect your child’s chance of being offered a place. The deadline for submitting the SIF is also 15th January, 2020.

In the event of more than 60 applications being received, Governors rank all applicants strictly according to the oversubscription criteria. The Governors will operate an Equal Preference Policy. This means that all applications will be treated equally, irrespective of need or ability. Offers of places will be made by the local authority on behalf of the Governing Board on 16th April, 2020. Parents who apply online will also be able to view the results of their application on 16th April 2020. Parents are required to accept the offer of a place by 3rd May 2020.

Admission criteria

Should there be more than 60 applications children will be ranked in the following category of priority:

Category 1 Looked after Baptised Catholic children and previously looked after Baptised Catholic children.

Category 2 Baptised Catholic siblings of pupils of St Dominic Savio Catholic Primary school at the time of application and expected to still be there at the time of entry to the school.

Category 3 Baptised Catholic children.

Category 4 Other looked after children and previously looked after children.
Category 5 Other siblings of pupils of St Dominic Savio Catholic Primary School at the time of entry to the school and expected to still be there at the time of entry to the school.

Category 6 Children of other Christian denominations (as defined in Explanatory Note (ii), Page 3)

Category 7 Other children.

Children with a statement of special educational need or an education, health and care plan in which St Dominic Savio Catholic Primary School is named will be admitted to St Dominic Savio Catholic Primary School and will count towards the published admissions number.

Documentation required in support of applications

Categories 1, 2 and 3: child’s baptismal certificate or letter from the parish priest confirming the child has been received into full communion with the Catholic Church

Category 6: child’s baptismal certificate or statement of membership of a recognised Christian church (as defined in Explanatory Note (ii), Page 3)

Note: Baptisms must have taken place before 15th January, 2020 for your child to be considered in categories 1, 2, 3 and 6.

Oversubscription

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by Wokingham Borough Council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiply by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is at least 10 miles.

In the unlikely event that two or more children live at the same distance (measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by drawing of lots, carried out by at least two members of the Governing Board, supervised by an independent person.

Please Note:

- children are entitled to a full-time place in the September following their fourth birthday;

- parents can defer the date their child is admitted to school until later in the school year but not beyond the point at which they reach compulsory school age or, for children born between 1st April and 31st August, not beyond the beginning of the final term of the school year for which the offer was made; and where parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

- Where entry is deferred, the school will hold the place for that child and not offer it to another child for the duration of that academic year

- However, if summer born children (1st April 2016 to 31st August 2016) defer entry until September 2021 which is a different school intake year, a new application for in-year admission into Year 1 (or Reception if requested) would need to be made and there can be no guarantee of a place. (see Page 6 – Admission outside normal age group)
Explanatory notes

(i) Catholic
A Catholic is a baptised member of a church in communion with the See of Rome or a person received in to full communion with the Catholic Church, evidenced by a baptismal certificate or statement from the parish in which the Reception took place.

(ii) Children of other Christian denominations
Children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit.

An ecclesial community, which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and of CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

(iii) Parent
S576 Education Act 1996
A parent in relation to a child, includes any person who is not a parent but has parental responsibility for a child or who has care of a child.

(iv) Siblings
Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. A sibling will have a brother or sister still at the school in the academic year in which they join Reception.

(v) Exceptional Circumstances where children may be admitted even though class size is 30

• children admitted outside the normal admissions round with Statements of Special Educational Needs or an Education, Health and Care Plan specifying a school;
• looked after children and children previously looked after outside the normal admissions round;
• children admitted, after initial allocation of places, because of a procedural error made by the admission authority or local authority in the original application process;
• children admitted after an independent appeals panel upholds an appeal;
• children who move into the area outside the normal admissions round for whom there is no other available school within reasonable distance;
• children of UK service personnel admitted outside the normal admissions round (maximum 2 children)
• children whose twin or sibling from a multiple birth or sibling born within the same school year is admitted otherwise than as an excepted pupil;

(vi) Home Address
This is a child’s permanent address at the time of the application. We regard this as where the child spends the majority of the school week (Monday to Friday including nights).

(vii) Looked After Children
‘A looked after child’ has the same meaning as in Section 22(1) of the Children Act 1989 and means any child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (e.g. child with foster parents) at the time of making an application to a school.
5.4.3 ‘Previously looked after children’ are children who were looked after, but ceased to be so because they were adopted. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders) or became subject to a child arrangements order18 or special guardianship order19).

Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22nd April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

(vii) School Year

A school year is from 1st September to 31st August.

Appeals

Parents, as defined on Page 4 S576 Education Act 1996, have the right to appeal if the Governors refuse a place for their child. When parents are informed of a decision to refuse a child a place at a school, they must be given the reason for refusal, informed of their right to appeal, the deadline for lodging their appeal and contact details for making the appeal, which must be made in writing. The appropriate form can be obtained from the address below. All appeals must be lodged within 20 school days from the date parents are notified that an application was unsuccessful with evidence to support that appeal. If submissions are received after the deadline, it might not be considered and may result in delays to your hearing. An Independent Appeal Panel will be convened to hear the appeal. Parents will be fully informed of the arrangements and have the chance to submit any relevant papers and to speak at the hearing. The Appeal Panel’s decision is binding.

The Clerk to the Appeals Panel
Democratic Services
Wokingham Borough Council
Shute End
Wokingham
RG40 1WQ
Telephone: (0118) 974 6059

It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school will not consider any further applications for appeals in the same school year (1st September to 31st August). Any other information can be acquired from our website.

Waiting List

A list is maintained for those children who are not offered a place, including those unsuccessful at appeal; the order of priority on the list is the same as the list of criteria for oversubscription. No account is taken of length of time on the list. Should a casual vacancy occur, a place would be offered to the child at the top of the list using the oversubscription criteria. Every time a child is added the list will be ranked again in line with the published oversubscription criteria. The list is held by Wokingham Borough Council under the co-ordinated scheme until 31st December 2020. After that date the school will maintain the list although continuing to liaise with Wokingham Borough Council. We will seek confirmation periodically from parents that they wish their child to be kept on the list.

The Governors of St Dominic Savio Catholic Primary School will participate in the local authority Fair Access protocols adopted by Wokingham Borough Council.

Children who are the subject of a direction by a local authority to admit or who are allocated to a school in accordance with an In-Year Fair Access Protocol must take precedence over those on a waiting list.
Late Applications

Late applications will be allocated according to the Admission Criteria after all other applications have been considered. If places are not available, they will be added to the waiting list. Applicants will be notified by the local authority about the success of their application.

Applications outside the normal admissions cycle

In accordance with the co-ordinated admissions scheme, applications for in year admission should be made on the Common Application Form (CAF). Information on the availability of places and the Common Application Form can be obtained from Wokingham Borough Council. All applications for this school must be made using the Wokingham CAF. The Common Application Form is available on request or can be downloaded at: www.wokingham.gov.uk/admissions. Applicants for categories 1, 2, 3 and 6 are also requested to complete a separate Supplementary Information Form (SIF), which must be returned to the school office, along with supporting documentation as set out above. (See Page 2 – Documentation required)

Admission outside normal age group

Each case will be considered on its own merits and circumstances and will only be agreed by the Governing Board after consultation with parents and other relevant parties. Enquiries regarding admissions can be made to the Headteacher or local authority.
Academy Admission Policies

- Alder Grove CoE Primary School  120
- Charvil Piggott Primary School (The Piggott School)  125
- The Coombes CE Primary School (Keys Academy Trust)  131
- Earley St Peter’s CE Primary School (Keys Academy Trust)  137
- Evendons Primary School  143
- Floreat Montague Park Primary School  153
- Hatch Ride Primary School (Corvus Learning Trust)  156
- Nine Mile Ride Primary School (The Circle Trust)  165
- Oaklands Infant School (Corvus Learning Trust)  173
- St Sebastian’s CE Primary School (Keys Academy Trust)  179
- St Teresa’s RC Primary School (Frassati Catholic Academy Trust)  185
- Wheatfield Primary School (GLF)  189
- Windmill Primary School (GLF)  194
All new free schools require a funding agreement between the Secretary of State for Education and the Academy Trust. This agreement guarantees the opening of a new school. We are pleased to confirm that the Secretary of State has agreed in principle to enter into a funding agreement with The Keys Academy Trust in relation to Alder Grove CE Primary School.

Alder Grove Church of England Primary School admission arrangements for 2021-2022

Introductory statement

As a school within The Keys Academy Trust:

- Alder Grove CE Primary School will belong to a community of schools which aim to provide an excellent education, distinctive ethos and inclusive approach to those of the Christian faith, other faiths and no faith.
- Alder Grove CE Primary School will serve its pupils, parents and local community by providing the highest levels of academic excellence and pastoral care, ever mindful of the knowledge and understanding that underpin pupils' future life chances.
- Alder Grove CE Primary School will become a centre of excellence at the heart of this new community where we match the ambitions for the 21st century learning and skills – offering a knowledge-led curriculum focusing on subject specific domains and ensuring there is a rich technology offering.

Admission number(s)

The school has an admission number of 30 for entry in year Reception in September 2020.

The school will accordingly admit this number of pupils if there are sufficient applications. Which fewer applicants than the published admission number(s) for the relevant year group are received, the Trust will offer places at the school to all those who have applied.

Application process

The Local Authority will process applications. This means you will need to complete your LA common application form for your choices of school.

Applications for this school should be sent to the Local Authority.

The closing date for applications is 15/01/2020

Offers will be made on 16/04/2020. If we have not entered into a funding agreement with the Secretary of State opening the school by that date, they will be conditional offers and will be confirmed once we have a signed funding agreement.

The application form can be obtained from [http://www.wokingham.gov.uk/schools-and-education/school-admissions/](http://www.wokingham.gov.uk/schools-and-education/school-admissions/)

Oversubscription criteria

The criteria in this section apply to entry at all phases of the school.

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order.

A) Looked after children and children who were looked after, but ceased to be so because they were adopted or became the subject of a child arrangements order or special guardianship order’ (previously looked-after children) (See notes 1)
B) Families who have exceptional medical or social needs that make it essential that their child attends Alder Grove CoE Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family (See notes 2)

C) Children whose permanent home address is inside the school’s designated area and who has a sibling at the school; who is expected to be attending the school when the child will enter the school. (See notes 3)

D) Children whose permanent home address is in the school’s designated area, shown on the map in the appendix

E) Children whose permanent home address is outside the school’s designated area and who has a sibling at the school; who is expected to be attending the school when the child will enter the school (See note 3)

F) Any other children

Tie-break

If in categories 2-5 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured from the child’s home to the school in a straight line. The straight line distance used to determine proximity of the home to the school will be measured by a Geographical Information System adopted by Wokingham Borough Council’s system under which distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance to three decimal points between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

Random allocation undertaken by a body or person unconnected with the Trust will be used as a tie-break in categories 2-5 above to decide who has highest priority for admission if the distance between a child’s home and the academy is equidistant in any two or more cases.

Children of multiple births

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all, as permitted by the infant class size rules and exceed our PAN.

Late applications

All applications received after the deadline will be considered to be late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, parents may request that their child is placed on the school’s waiting list.

Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.
Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested.

When such a request is made, the Trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the headteacher and any supporting evidence provided by the parent.

Waiting lists

The school will operate a waiting list for each year group. Where the school receives more applications for places than there are places available, a waiting list will operate until the end of the end of the academic year. This will be maintained by the school and it will be open to any parent to ask for his or her child’s name to be placed on the waiting list, following an unsuccessful application.

Children’s position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact the school by emailing admissions@aldergroveprimary.org by 6 May 2020 for information on how to appeal. Information on the timetable for the appeals process is on our website at http://www.wokingham.gov.uk/schools-and-education/school-admissions/
Notes

Note 1

By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Note 2

When applying under criterion B (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring XYZ School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 3

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child’s residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents then the address used will be the address where the child spends the majority of the school week.

‘Sibling’ means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.

Alder Grove CoE Primary School Designated Area
THE PIGGOTT CHURCH OF ENGLAND SCHOOL
ADMISSIONS ARRANGEMENTS FOR ACADEMIC YEAR 2020-21

The vision of The Piggott School is to encourage the highest achievement in all its students, through inspirational teaching, opportunities and learning. To this end it has five main aims, namely to:

1. Develop enquiring minds which are capable of independent thought
2. Promote the value of lifelong learning
3. Be open to new ideas
4. Provide a caring environment based on Christian values
5. Encourage respect and tolerance

The Governors determined the admission arrangements in accordance with the applicable legislation and the school Admissions Code introduced and after consultation with the authorities of the Oxford Diocese and the relevant local admissions authorities. They conform to the needs of the Wokingham Borough Council’s coordinated admissions arrangements and reflect the fact that, as a result of the amendments to the school’s Funding Agreement made on June 12 2013 and the opening of Charvil Piggott Primary School, The Piggott School became an all-through setting for pupils aged 4-18 years from September 2013.

Children are normally admitted to school in the Early Years Foundation Stage 2 (EYFS2)/Reception, Year 7 and Year 12. Children will be admitted to other years when spaces are available. They will usually only be admitted to the year group normal for their age: i.e. to EYFS2 if they have had their fourth birthday in the previous school year, Year 7 if they had their eleventh birthday in the previous school year, to Year 8 if they had their twelfth birthday in the previous school year and so on. For exceptions to this see Part 5 below.

INITIAL ADMISSIONS TO RECEPTION (EYFS2)

ADMISSION NUMBER

The Governors have determined an admission number for this cohort of 30.

MAKING AN APPLICATION

At Charvil Piggott, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2015 and 31 August 2016 may apply for them to be admitted to the Reception Year in September 2020. There are 30 places (the published admission number) available. Our policy is normally not to offer admission in September 2020 to children who were born on or after 1 September 2016. Full details are available in the relevant LA Admissions Guide. Parents are advised to read the Wokingham LA Admissions Guide.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child (provided it is taken up during the school year 2020-21), although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer-born children), who do not reach compulsory school age until September 2020, parents who do not wish them to start school in school year 2020-2021 but be admitted to the Reception Year in September 2021, should proceed as follows: They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. NB parents would need to provide supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. The school will consider the request carefully and if it is agreed this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered. They should then reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any offer of a place in September
2020 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2020-21 Reception Year group.

Until the child reaches compulsory school age, s/he may attend part-time. If parents wish to exercise this right they should discuss detailed arrangements with the head teacher.

Parents wishing to apply for the Reception [Foundation] Year in September 2020 must complete the common application form provided by their home local authority (the home LA). The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15 January 2020. Applications received after this date will normally only be considered after all those received on or before the cut-off date. Offers and refusals of places will be posted by the home LA on 16 April 2020.

LATE APPLICATIONS

If an application is received after the deadline, this will be considered ‘late’. Late applications will be considered after the allocation of places and notified after the main allocation date, unless exceptional circumstances apply. Exceptional circumstances will apply when the application is received before the date parents are notified of places and there is a valid reason that the application could not have been made by the due date, e.g. because of hospitalisation of a parent or a family has just moved into the area. In such instances, evidence will be required.

OVER – SUBSCRIPTION CRITERIA

In the event of there being a greater demand for admission than there are places available, a child with a statement of special educational need (or Educational Health Care Plan – EHC), which names The Charvil Piggott Primary School will always be admitted. Once places have been offered to these children, the following criteria will be applied in the order set out below:

A. All looked after children or children who were previously looked after: By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

B. Pupils whose permanent home address is in the school’s designated area and who have a sibling living at the same address who already attends the school (in any Key Stage, i.e. EYFS2 (Reception year) – KS5) by the deadline for applications. (For the definition of sibling see below);

C. The children of staff at The Piggott School where that member of staff is the legal parent and guardian of that child, has a permanent contract to work at the school and where that member of staff has been employed at the school for 2 or more years at the time of application for the place or the member of staff is recruited to fill a vacant post within a demonstrable skill shortage.

D. Pupils whose permanent home address is in the school’s designated area but who do not fall into criterion B;

E. Pupils whose permanent home address is not in the school’s designated area but who would otherwise fall into criterion B;

F. (Secondary admissions only) Pupils who attend one of the linked primary schools, who have not been admitted in an earlier criteria namely The Colleton, Crazies Hill CE, Knowl Hill CE, St Nicholas CE and Sonning CE (Aided) primary schools and Polehampton CE and Robert Piggott CE junior schools;

G. All other pupils.
Within each criterion applicants will be ordered according to the distance they live from the school site, Charvil Piggott Primary School or Wargrave Piggott Secondary School respectively, measured as a straight line between the Land Gazetteer address points for the home address and the relevant site, using WBC’s computerized mapping system.

Children of multiple births are a permitted exception to the Infant Class Size rules and all siblings of multiple births (in all year groups) will be admitted even if this might result in the admission number being exceeded. This exception does not extend to children born in the same school year but who are not from a multiple birth. In this instance, the place will be allocated by the drawing of lots carried out by Wokingham Borough Council. In such instances, parents will be offered the place and will need to decide whether they wish their children to be split or consider placement together at an alternative school after allocation.

The designated area referred to above is that defined by the school and held electronically by WBC. It may be viewed on its website. The definition of sibling is given below.

If the distances between the home address and School, as defined above, of two or more unconnected applications which fall in the same criterion are identical, then they will be placed in order by the drawing of lots.

Applications are processed on the basis of the pupil’s single permanent home address as defined and determined by the LA. Evidence to support the validity of the claimed home address will be required by the LA (refer to the LA’s published guide).

APPEALS

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group. Those who wish to appeal are requested to do so within twenty school days of being notified that their application has been unsuccessful. Only one appeal from an applicant will be heard in any one school year, unless there has been a significant change in circumstances. The decision of the independent appeal panel is binding on the school.

IN YEAR ADMISSIONS

INTRODUCTION
All applications for admission to the school outside the normal admissions round, other than applications for the Sixth Form, will be treated as in-year applications.

PROCESS

Parents wishing to apply for a place at the school should obtain a copy of the common application form from Wokingham Borough Council. This applies to pupils living in other Local Authorities, where these Authorities are not using the in-year coordinated scheme. This should be completed and returned to the Council in accordance with its instructions. The Council will notify the parent of the outcome of the application once the school has advised them of the decision made by the admissions committee.

If there are pupils on a waiting list for the year into which the applicant is seeking admission, then the pupil will be placed on that waiting list in a position determined by application of the criteria used in determining initial admissions to that year group. Pupils will be admitted from the waiting list in order as space becomes available.

If there is no pupil on the waiting list for the year into which the applicant is seeking admission, then the Governors will determine whether a place can be offered to the applicant. If at the time of this determination the school has applications from more than one pupil for admission to the same year group, all the applications will be ordered according to the criteria used in determining initial admissions and will be considered in that order.

Unless they are statutorily obliged to admit the applicant or the application is covered by WBC’s Fair Access Protocols, Governors will, when reaching a decision on an application for admission to a full year group, normally refuse a place. Unsuccessful applicants will be placed on the waiting list if they confirm that they wish to be.
APPEALS  Anyone whose application is unsuccessful may appeal. The process is as described above for Initial Admissions.

INFORMATION

OUT-OF-AGE ADMISSIONS
Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil’s interests. The governors will ask relevant professionals for their opinion on the case. Those refused places outside the normal age group will be informed of their statutory right to appeal.

SIBLINGS
By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form where the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

PARENT
When used in this document or the associated application forms, parent means any person who has parental responsibility for or is the legal guardian of the pupil.

A child who is above statutory school age may apply for a place in their own right. Children not above statutory school age may apply in their own right for entry to the Sixth Form (i.e children working ahead of normal year). When a child, with the right to do so, applies in their own right, as necessary references to parent should be read as references to the child.

LA
In this document references to LA refer to the local authority within which the applicant resides. Applications are made to that authority and it is that authority which will notify applicants of the outcome of their application for all applicants.

DRAWING OF LOTS
When it is necessary, in accordance with this document, for the allocation of a place to be determined by the drawing of lots, the draw will be carried out by WBC in the manner prescribed for the drawing of lots to determine the allocation of places at the schools for which it is the admission authority.

DESIGNATED AREA
A map of the school’s designated area is available in the Wokingham Borough Council Admissions Guides and the school’s website for both primary and secondary admissions.

PERMANENT HOME ADDRESS
By permanent home address, we mean the child’s home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child. To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
• where the child is registered with his/her GP
• any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child’s home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent’s address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form. If such arrangements are not declared or a relative’s address is used on the application, we may consider that a false declaration has been made, and withdraw the offer of a place. Childcare arrangements are not sufficient reason for listing another address.

If parents move house after the application has been made, but before any offer of a place has been made, the school must be informed.

If parents are moving, we will ask for evidence of the move, when considering any application for a place.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

CONTACTS

School documents and copies of school forms are available on the school’s web site www.piggott.wokingham.sch.uk. They can also be obtained from the Admissions Administrator, whose contact details are given below. Any queries concerning admission to the school should be addressed to the Administrator as well.

Charvil Piggott Primary School designated area (part of the Piggott School)

This map gives a guide to the designated area of The Charvil Piggott Primary that is used in its over-subscription criteria.

If you require any further assistance, please contact the School Admissions Team.

The Piggott is an academy and is its own admissions authority - please refer to the policy shown later in the guide.

Dotted lines indicates Borough boundary.
The Coombes Church of England Primary School
Admissions Policy for the Academic Year 2020 - 2021

The Coombes CE Primary School values highly its Christian ethos, its close links with local churches and the Diocese of Oxford. We provide a distinctively Christian, yet inclusive, environment in which each child is motivated to acquire skills for life and a love of learning. As a church school, we welcome applications from Christian families, and those of other faiths or none. We ask all parents applying for a place at our school to respect this ethos and its importance to the whole school community.

The governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities.

Admission arrangements to the Reception Year in September 2020

At our school, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2015 and 31 August 2016 may apply for them to be admitted to the Reception Year in September 2020. There are 75 places (the published admission number) available. Our policy is not to offer admission in September 2020 to children who were born on or after 1 September 2016.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child (provided it is taken up during the school year 2020-21), although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer born children) who do not reach compulsory school age until September 2021, parents who do not wish them to start school in school year 2020-21 but to be admitted to the Reception Year in September 2021, should proceed as follows: The child must be admitted by the LA in whose area the parents live at the time of the application. The child should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. NB parents would need to provide supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. The school will consider the request carefully and if it is agreed this should be clear before the national offer day (16 April 2020), their application for the normal age group may be withdrawn before any place is offered. They should then reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any other offer of a place in September 2020 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies and it could be full with children transferring from the 2020-21 Reception Year group.

Until the child reaches compulsory school age, s/he may attend part-time. If parents wish to exercise this right they should discuss detailed arrangements with the headteacher.

Parents (see Note 1) wishing to apply for the Reception Year in September 2020 must complete the common application form provided by their home local authority (the home LA). The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15 January 2020. Applications received after this date will normally only be considered after all those received on or before the cutoff date. Offers and refusals of places will be posted by the home LA on 16 April 2020.

Over-subscription criteria

Children with a Statement of Special Educational Need or with an Education, Health and Care Plan (EHCP) naming The Coombes CE Primary School will always be offered places. If there are fewer applications than places available, all children will be offered places. If there is greater demand for admission than there are places available, the following criteria will be applied in the order set out below:
1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (See Note 2)

2 Families who have exceptional medical or social needs that make it essential that their child attends The Coombes CE Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (See Note 3)

3 Children with a normal home address (See Note 4) in the catchment area shown on the map in the Appendix and with a sibling (see Note 5) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

4 Children with a normal home address in the catchment area shown on the map in the Appendix.

5 Children with a normal home address outside the catchment area shown on the map in the Appendix and with a sibling (see Note 5) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

6 Other children.

Proximity of the child’s home, as measured by the straight line distance (see Note 6) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

All Other Admissions

Admission to the school during the school year depends on whether or not there are places available. All year groups at the school have 75 places. Applications must be made to Wokingham Borough Council on a form available from that Council.

If there is a vacancy, and there is no child on the relevant waiting list with a higher priority (according to the over-subscription criteria 1-6 above), a place will be offered.

In-year admissions or admissions at the beginning of school years other than Reception will only be considered by the Governing Body up to half a term [using the three term year] in advance of the desired date for entry. For example, for entry in January, the application will not be considered until after the October half term break.

If parents are moving house, the school will ask for evidence of the move, when considering any application for a place. Documentary evidence in the form of a solicitor’s letter to confirm exchange of contracts, or a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Admission outside normal age group

Requests from parents for places outside a normal age group will be considered carefully, e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil’s interests. It is recommended that parents discuss their wishes with the head
teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered, then there is no right of appeal.

Waiting Lists

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child’s name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list.

Multiple births

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number of 75 for Reception 2020-21 or the number of 75 places in other year groups.

Fair Access

The school participates in WBC LA’s Fair Access Protocol. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Parents who wish their children to attend the school are most welcome to visit. Arrangements can be made through the Office Manager at the school.

Further information

Further information can be obtained from the Office Manager at the school via email admin@coombes.wokingham.sch.uk or telephone 0118 9760 751.

Notes

Note 1 “Parent” is defined in law (The Education Act 1996) as either:

a) any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
b) any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2 By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Note 3 When applying under criterion ii (exceptional medical or social needs), you must include
supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring The Coombes CE Primary School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 4 By normal home address, we mean the child’s home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child. To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child’s home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent's address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form. If such arrangements are not declared or a relative’s address is used on the application, we may consider that a false declaration has been made, and withdraw the offer of a place. Childcare arrangements are not sufficient reason for listing another address.

If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move, when considering any application for a place under the co-ordinated scheme.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.
Note 5 By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form where the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

Note 6 The straight line distance used to determine proximity of the home to the school will be measured by a Geographical Information System adopted by the school, or by Wokingham Borough Council’s system under which distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address address point. These are then used to calculate the distance to three decimal points between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.
1. Shared designated area between Lambs Lane Primary and Shinfield Infant School.

2. Shared designated area between Farley Hill and The Coombe's CE Primary.

3. Farley Hill Primary School designated area and determined area of 2nd priority for The Coombe's CE Primary School.
Earley St. Peter’s Church of England Primary School
Admissions Policy for the Academic Year 2020-2021

Earley St. Peter’s CE Primary School values highly its Christian ethos, its close links with local churches and the Diocese of Oxford. We provide a distinctively Christian, yet inclusive, environment in which each child is motivated to acquire skills for life and a love of learning. As a church school, we welcome applications from Christian families, and those of other faiths or none. We ask all parents applying for a place at our school to respect this ethos and its importance to the whole school community.

Every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities.

Admission arrangements to the Reception Year in September 2020

At our school, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2015 and 31 August 2016 may apply for them to be admitted to the Reception Year in September 2020. There are 70 places (the published admission number) available. Our policy is not to offer admission in September 2020 to children who were born on or after 1 September 2016.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child (provided it is taken up during the school year 2020-21), although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer born children) who do not reach compulsory school age until September 2021, parents who do not wish them to start school in school year 2020-21 but to be admitted to the Reception Year in September 2021, should proceed as follows: They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. NB parents would need to provide supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. The school will consider the request carefully and if it is agreed this should be clear before the national offer day (16 April 2020), their application for the normal age group may be withdrawn before any place is offered. They should then reapply in the normal way (no later than 15 January 2020) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any other offer of a place in September 2020 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies and it could be full with children transferring from the 2020-21 Reception Year group.

Until the child reaches compulsory school age, s/he may attend part-time. If parents wish to exercise this right they should discuss detailed arrangements with the Headteacher

Parents (see Note 1) wishing to apply for the Reception Year in September 2020 must complete the common application form provided by their home local authority (the home LA). The home LA is the LA in whose area the parents live at the time of the application.

The form must be returned to that LA no later than 15 January 2020. Applications received after this date will normally only be considered after all those received on or before the cut-off date Offers and refusals of places will be posted by the home LA on 16 April 2020.

NOTE: Any of the information given on the application form and the church attendance form (the supplementary information form) may be verified, and the application re-categorized in the light of any inconsistencies.
Over-subscription criteria

Children with an Education Health and Care Plan (EHCP) naming Earley St. Peter’s Church of England Primary School in the Plan will always be offered admission.

If there are fewer applications than places available, all children will be offered places. If there is greater demand for admission than there are places available, the following criteria will be applied in the order set out below.

1  Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they became subject to an adoption, child arrangements or special guardianship order. (See Note 2)

2  Children, one of whose parents is a regular worshipper (at least once a month for at least the 12 months preceding the application date) at Earley St Peter’s Church. In order for an application to be considered under this criterion the parent must complete the school’s Church attendance form (countersigned by the relevant Minister) and send this form directly to the School. For those who have recently moved into the area and are attending Earley St. Peter’s Church, worship prior to their move at their previous Anglican church will be taken into account (so the total qualifying period will be regular worship at least once a month for at least 12 months prior to the application date). The parent will also be required to provide a church attendance form, countersigned by the relevant Minister of the previous church, with their application.

3  Children with a normal home address (see Note 3) in the catchment area (see Appendix) and with sibling (see Note 4) on the roll of the school at the time of application and who is expected still to be in attendance at the time of entry to the school.

4  Children with a normal home address in the catchment area.

5  Children with a normal home address outside the catchment area and with sibling on the roll of the school at the time of application and who is expected still to be in attendance at the time of entry to the school.

6  Other children.

Proximity of the child’s home, as measured by the straight line distance (see Note 5) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

All other admissions

Admission to the school during the school year depends on whether or not there are places available. All year groups at the school have 70 places. Applications must be made directly to the school on a form available from the school. If there is a vacancy, and there is no child on the relevant continued interest list with a higher priority (according to the over-subscription criteria 1-6 above), a place will be offered.

In-year admissions or admissions at the beginning of school years other than Reception will be considered by the Governing Body only up to half a term in advance of the desired date for entry. For example for entry in January, the application will not be considered until after the October half term break.

If parents are moving house, the school will ask for evidence of the move, when considering any application for a place. Documentary evidence in the form of a solicitor’s letter to confirm exchange of contracts, or a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered
only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Admission outside normal age group

Although most children will be admitted to the school within their own age group, requests from parents for school places outside their normal age group will be considered carefully eg. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However such admissions will not normally be agreed without a consensus between the parents, the school, the LA and any relevant professionals asked for their opinion by the Governing Body that it is in the best interests of the child.

Continued interest list

The school maintains a continued interest list for those children who are not offered a place, including those unsuccessful at appeal; the order of priority on the continued interest list is the same as the list of criteria for over-subscription. Continued interest lists are maintained for each year group which is full. Should a casual vacancy occur, a place would be offered to the child at the top of the list using the over-subscription criteria (unless an application has been received that takes priority over the continued interest list). Positions on continued interest lists may go up or down due to pupil withdrawals or new or revised applications and no account is taken of the length of time spent on a list. The school periodically seeks confirmation that parents wish a child’s name to be kept on the continued interest list. A written offer will be sent to the most recent address provided for the child in question, and parents should note that if they do not accept the place by the date indicated in the letter (normally two weeks from the date of the letter), or the place will be offered to the next name on the continued interest list.

Fair Access

The school participates in the Wokingham Local Authority's Fair Access Protocol. This covers, for example, children who have moved into our area after the normal admission round, or who need to move school as a result of severe bullying or social issues. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

Appeals

There are established arrangements for appeals against non-admission. These are heard by an independent appeal panel, convened by the Oxford Diocesan Director of Education. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

It should be noted that if a place is requested outside the normal age group and is refused, but one in the normal age group is offered, then there is no right of appeal.

Further information

Any requests for further information or to arrange a visit to the school should be addressed to the School. Telephone number 0118 926 1657 Email admissions@earley-st-peters.wokingham.sch.uk
Notes used are as defined below:

Note 1 "Parent" is defined in law (The Education Act 1996) as either:
- any person who has 'parental responsibility' (defined in the Children Act 1989) for the child or young person; or
- any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2 "Looked after" means a child in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A "child arrangements order" is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A "special guardianship order" is one appointing one or more individuals to be a child's special guardian/s (Children Act 1989, Section 14A).

Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Note 3 "Normal home address" means the child's home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child.

To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:
- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child’s home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent's address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form. If such arrangements are not declared or a relative's address is used on the application, we may consider that a false declaration has been made, and withdraw the offer of a place. Childcare arrangements are not sufficient reason for listing another address.
If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move when considering any application for a place.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

**Note 4 “Sibling”** means brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner, where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form if the sibling has a different family name. When there is more than one sibling at the school, only the youngest need be listed on the application form.

**Note 5** The straight line distance used to determine proximity of the home to the school will be measured by a Geographical Information System adopted by the school, or by Wokingham Borough Council’s system under which distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance to three decimal points between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

**Appendix**

The school’s catchment area, shown on the map below, includes the following roads

<table>
<thead>
<tr>
<th>Anderson Avenue</th>
<th>Erleigh Court Gardens</th>
<th>Oldfield Close</th>

Evendons Primary School aims to serve its local community by providing high quality education within an inclusive framework. It will incorporate no faith criteria in its admissions code. We believe that parents who choose this school for their child will do so knowing that it is a school which will provide their children with 21st-century skills focusing on entrepreneurial competencies and thus preparing them for a life in a rapidly-evolving society.

The school motto is ‘Nurture, Inspire, Flourish’ and reflects our vision of providing a fun and vibrant learning environment with a focus on academic excellence in English and Science, Technology, Engineering and Mathematics subjects, whilst encouraging creativity in the Arts and camaraderie in Sport, and nurturing respect for others and the environment. This will be achieved in an inclusive environment, welcoming children from many different faiths and backgrounds. The school will adopt a holistic approach to ensure the personal and social, as well as academic, development of each child.

Evendons Primary School aims to be a ‘walking’ school as the children are likely to be drawn from the immediate vicinity of the school. We will expect our children to walk, scoot or cycle to school wherever possible.

Admissions Criteria
The total pupil admissions number (PAN) will be 54 (two forms of entry of 27 children in reception year group). Wokingham Borough Council’s school admissions team will manage the application and allocation process on behalf of Evendons Primary School. This means parents/carers wanting their children to attend the school must apply to their home Local Authority as they would for any other state-maintained school.

In Year transfers
Parents who wish to transfer their child to Evendons Primary School during the 2020/21 academic year will need to apply to Wokingham Borough Council admissions team, who will co-ordinate in year transfers.

The School opened in September 2014 and in 2020/21 will have two classes across all year groups.

The governing body of Evendons Primary School is its own Admissions Authority. The Admissions Policy will be in full accordance with the School Admissions and Appeals Codes.

The Evendons Admissions Policy closely follows that of Wokingham Borough Council’s oversubscription criteria for community schools. Evendons Primary school has a designated catchment area, of all postcodes with a central point within 1.5 miles circular from the central point of postcode RG41 4AA.

The map above shows the approximate designated area for Evendons Primary School. All postcodes that fall in the designated area will be provided to Wokingham Borough Council. A list of all the postcodes in catchment is available on the Evendons Primary School website http://www.evendons-primary.co.uk/parents-info/admissions/catchment-area-check-2/.
If there are fewer than 50 applications for any year group, all applicants will be offered a place.

Where the number of applications for admission is greater than the published admissions number for any relevant age group, Evendons Primary School will consider applications against the criteria set out in the sub-paragraphs following. This does not apply to those children Education, Health and Care plan names Evendons Primary School, who will be admitted first.

**Oversubscription Criteria:**

The following oversubscription criteria will be applied in order of priority where the school receives more preferences than places available. All preferences will be treated on an equal basis:

A) ‘Looked after children and children who were looked after, but ceased to be so because they were adopted or became the subject of a child arrangements order or special guardianship order’ (previously looked after children) (see note 1).

B) Families who have exceptional medical or social needs as the grounds for their child’s admission to a particular school (see note 2).

C) Children whose permanent home address is inside the school’s designated area and who has a sibling at the school at the time of the application; who is expected to be attending the school when the child will enter the school. (See notes 3 and 4).

D) Children of staff in either or both of the following circumstances:
   a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
   b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

E) Children whose permanent home address is inside the schools’ designated area.

F) Children whose permanent home address is outside the schools’ designated area and who has a sibling at the school at the time of the application; who is expected to be attending the school when the child will enter the school. (See notes 3 and 4).

G) Any other children

**Note 1**

A ‘looked after child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in section 22(1) of the Children Act 1989).

A previously looked after child is a child who was looked after by the local authority but ceased to be so because they were adopted, or became the subject of a child arrangements order or special guardianship order. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders). It also includes children who have been provided with child arrangement orders (previously known as residence orders) under the provisions of section 14 of the Children and Families Act 2014 which amends section 8 of the Children Act 1989 and children with a special guardianship order appointing one or more individuals to be a child’s special guardian under section 14A of the Children Act 1989.

Applications received under the Criterion A must be made by the person with parental responsibility for the child (e.g. the child’s social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

- Confirmation by the home local authority that the child is looked after or
- Confirmation by the local authority that last looked after the child confirming that the child was previously looked after immediately prior to the issuing of one of the orders detailed above.
Note 2
When submitting applications under criterion B (exceptional medical or social needs as grounds for a child’s admittance to a particular school), this must be supported by written evidence from an independent professional aware of the case relating to the child, parent/carer or other children living at the same address (e.g. doctor, hospital consultant or psychologist for medical grounds or registered social or care worker, housing officer, the police or probation officer for social needs). This evidence must be specific to the school in question; it must show why this school is the most suitable; what facilities will benefit the child, and why no other school can offer the same support.

Your application cannot be considered if you do not declare that you are applying under this criterion and you do not provide written independent professional evidence. All supporting documentation must be received by 15 January 2020 for consideration prior to the main allocation of places.

An admissions panel will consider the supporting evidence provided and will advise the applicant of its decision; the panel’s decision is final. Any evidence received by the school admissions team after 15 January will not be taken into account in the main allocation of places but will, if agreed by panel, affect the applicant’s position on a school’s waiting list after offer day.

It should be noted that all schools have the resources to work with special educational needs and common childhood complaints such as asthma or allergies.

Note 3
A sibling is a brother or sister (that is, another child of the same parents, whether living at the same address or not), or a half-brother or half-sister, step-brother or step-sister, or adopted or foster children living at the same address.

It includes children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

Note 4
Occasionally a parent with more than one child can express a preference for their designated area school(s) for the older child, but the local authority is unable to meet this preference. The local authority will then allocate a place at a lower ranked preferred school or the closest available school with places. In this case, the parent may then prefer to send younger sibling(s) to the same school as the older child attends. In such instances, the allocated school may be regarded as if it were the designated area school for subsequent siblings and would be treated as meeting criterion C (sibling resident inside the designated area). Parents must notify the school admission team at the time of application that they consider this exception applies. Where there is an application for the actual designated area school(s), designated area status would still be applied.

Our admission arrangements take into account the requirements of the Equalities Act. Living in the designated area does not guarantee a school place, as there may be more applications from parents living in the designated area than places available.

The definitions above were taken from ‘Determined Coordinated Primary and Secondary admissions schemes and policy 2019-2020’, for Wokingham Borough Council. This document can be found at http://www.wokingham.gov.uk/schools-and-education/school-admissions/admission-arrangements-2019-2020/

The Trust have sought to make the above criteria as objective as possible. However for category B and any other cases where judgement is needed as to which criteria the application meets, a panel of at least two officers from Wokingham Borough Council will consider the application and supporting evidence provided. The panel’s decision and reasons will be recorded, for the purpose of advising the applicant of its decision; the panel’s decision is final. Any evidence received by the school admissions team after 15 January will not be taken into account in the main allocation of places but may, if agreed by panel, affect the applicant’s position on a school’s waiting list.

Distances
Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the school in terms of radial (straight line) distance.
Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance, to three decimal points, between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

In the unlikely event that two or more children live at the same distance (measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two Children’s Services staff members.

**Split living arrangements**
Where a family claims to be resident at more than one address, justification and evidence of the family’s circumstances will be required e.g. formal residence order, child arrangements order or legal separation documentation. The application must be completed by the parent, at an address which is owned, leased or rented, where the child lives for the majority of the school week. This is based on the number of school nights a child spends at the home (Sunday night 1800hrs to Friday 0900hrs).

Where there is an equal split or there is any doubt about residence, the School Admissions Team will assess and make a judgement about which address to use for the purpose of the allocation of a school place where necessary requesting further information e.g.

- Any legal documentation confirming residence
- The pattern of the residence
- The period of time over which the current arrangement has been in place
- Confirmation from any previous school or early years setting of the contact details and home address supplied to it by the parents
- Where the child is registered with the GP
- Any other evidence the parents may supply to verify the address

It is recommended that consensus is reached by both parents and child on the school preferences to be expressed and it should be noted that only one offer letter will be sent to the main applicant unless otherwise requested and agreed by both parents.

The information provided to determine the home address will be considered by an admissions panel of at least two officers and their decision is final.

**Applicants from abroad**
An application for a school place can be made from applicants applying for a school place for their child from abroad, provided that they can provide evidence of their right of abode. The address used will be the address where the child is living at the closing date for applications unless evidence is provided that the family is returning to a property that they own by January 15, 2020. Third party written evidence confirming the details and timing of the relocation will be required. Adjustments will be made to any waiting lists, if the family returns later, prior to the start of school. Further advice on the documentation required can be obtained from the School Admissions Team at Wokingham Borough Council.

**Service Families**
Families of UK service personnel (and other Crown servants) who are not yet living in the area will be able to make an application if it is accompanied by an assignment order declaring a relocation date and intended address. In the absence of a new home postal address, the authority will use the former Hazebrouck Barracks (co-ordinates: Easting 476869 and Northing 166249) as the postal address to determine distance to a preferred school. A letter from the Commanding Officer or garrison headquarters will be required confirming the living arrangements for families who are being housed at the army quarters at Arborfield Garrison but are assigned to another base.
Pupils with an Education, Health and Care (EHC) Plan
Admission arrangements for pupils with an EHC plan will continue to be managed by the Special Educational Needs Team. Parents are invited to complete the common application form and where identified, preferences will be shared with the Special Educational Needs Team.

Multiple births or children with birth dates in the same academic year
Where the application of oversubscription criteria results in splitting twins or other siblings from a multiple birth in the same school year; places will be offered even if this will result in the school going above admission number.

Where the application of oversubscription criteria results in children with dates of birth in the same school year in the same family, places will be offered even if this will result in the school going above the admission number with one exception; where to do so will result in the school breaching infant class size legislation at Key Stage 1 (e.g. class size must not break 30 children to 1 qualified teacher). In this instance, the places will be allocated by the drawing of lots carried out by at least two Children’s Services staff members/or two Evendons Primary School Trust representatives. In such instances, parents will be offered the place and will need to decide whether they wish their children to be split or consider placement together at an alternative school after allocation.

Verification of information

Home address
Applications are processed on the basis of the child’s single permanent home address living with parent(s) or a carer/legal guardian at the closing date for applications. An address will not be accepted where the child was resident other than with a parent or carer unless this was part of a private fostering or formal care arrangement.

Checks will be made to determine whether an address declared on the application form is that of a second home with the main home being elsewhere. Some residential arrangements will be considered to be temporary arrangements. The Council will consider the available evidence to determine if, on the balance of probability, the declared home address is the child’s permanent home. Where the applicant, or their partner or spouse reasonably considered to be living with them as a single family unit own another property, have previously lived in it and chose not live in it (including where a home is rented out to a third party) the owned property will ordinarily be considered to be the permanent home. Special circumstances that might lead to the declared address being considered as a permanent home despite another home being owned or otherwise available for occupation will need to be declared at the point of application by parents. Without being exhaustive these might include:

- an owned property being a considerable distance from the preferred school, indicating that the family had permanently relocated to the new home, or
- that the owned property is uninhabitable and cannot reasonably be made habitable in the period leading up to admission to the school or
- that the owned property is in the process of being sold and the family live permanently in the declared property or
- that following divorce or separation the family home cannot be occupied by the applicant or otherwise treated as the child’s permanent home

Where the declared address is rented and the applicant has no claim on any other property the declared address may be considered to be a temporary address if there is evidence the applicant has chosen to rent the property solely for the period necessary for a child to be admitted to a particular school.

Applicants should note that should any evidence arise after a child has been offered a place or admitted to a school that indicates that the declared home was not a permanent home, the place may be withdrawn, even when a child has started school.

Reference to council tax records will be made to determine a single address for consideration of a place under criteria C or E. It is for the applicant to satisfy the local authority that they live at the address stated.
After allocation, if an applicant moves from the property they have used in their application to another property which is within or nearer to the designated area of the preferred school; the address of the property they originally owned and declared on application will be the address used for determining their designated area, unless this house has been sold or rented out for 12 months prior to the closing date for applications.

Applicants will be asked to declare that the address used is expected to be their place of residence beyond the date of the pupil starting school. Applicants are required to advise of any change of circumstance at any time prior to the child starting school. If you do not declare such arrangements, or a different address is used on the application where the child does not usually live; it will be considered that a false declaration has been made and it may be decided to decline to offer a place at a particular school, or to withdraw the offer of a place. In deciding whether a place was allocated on the basis of a misleading or fraudulent application, an admissions panel will consider any supporting evidence giving reasons why the move was necessary prior to the child starting school.

It is important to declare if there is to be a change of address prior to the child starting school. If the applicant already own a property which is in the process of being sold, we are able to accept the address of the new property only on submission of the appropriate evidence in support e.g. exchange of contracts letter on both the new property and, where possible, disposal of their current property. The deadline for submission of evidence to support a move is January 15, 2020. If the move takes place later or evidence is submitted later, the local authority will only be able to consider this information after the initial allocation of places has taken place and treat the new address for waiting list purposes.

A temporary address cannot be used to obtain a school place. Temporary addresses will only be considered where evidence is provided of a genuine reason for the move e.g. flooding or subsidence.

The local authority reserves its right to carry out further investigation and require additional evidence and to reject applications or withdraw offers of places, if it believes it has the grounds to do so. In such cases, the applicant will have recourse to putting their application through the independent appeals process.

Compulsory School Age

For admission to the 2020/21 academic year, the local authority will offer all children a full time school place from the September following their fourth birthday.

Parents may request that their child attends part-time until the child reaches compulsory school age, the start of the first school term after their fifth birthday. Parents may defer their child’s admission to the school until later in the school year or until the child reaches compulsory school age in that school year.

Where parents choose to defer their child’s admission, or take up the place part-time but later wish to increase it to full-time before their child has reached statutory school age, this must be discussed with the Headteacher to agree the effective date. A half-term’s notice is required, running from the end of a full-term or half-term holiday.

Where parents do not wish to take up the allocated place until the next school year, the place will not be held. A fresh application would have to be made and there would be no guarantee that a place would be available at the school.

Children are normally allocated to their chronological year group. Where a parent considers that their summer-born child (with birthdays between 1 April and 31 August) will not be ready and would like their child to work a year behind; the admissions authority (in Evendons Primary School this is the Governing Body) would consider such requests in accordance with their policy relating to admission outside the normal age group (shown below). In order that such requests (supported by evidence from relevant professionals) can be fully considered, the parent will be asked to submit their request together with an application to Wokingham Borough Council for the normal age group by the deadline. This ensures that if the request is refused, the child’s application for preferred schools will not be disadvantaged and the request can be considered appropriately including the views of the preferred schools either prior to the offer date or after. The parent will be informed of the implications of making such a request.
If the request is agreed, their application for the normal age group may be withdrawn before a place is offered. If their request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to year one for the September following the child’s fifth birthday. Where a parent’s request is agreed, they must make a new application as part of the main admissions round the following year. Requests to continue working out of normal age group would need to be made whenever the child moves schools.

An admissions panel will make decisions based on the circumstances of each case and in the best interests of the child concerned. (Where preferences are expressed for own admission authority schools such as Evendons Primary School, the parent must submit information to each school for consideration.) Consideration will include taking account of the parents’ views; information about the child’s academic, social and emotional development; where relevant, the child’s medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The views of the head teacher, the admissions team at the Local Authority (Wokingham Borough Council) and the child’s early years setting will also be taken into account.

When informing a parent of the decision on the year group to which the child should be admitted, the parent will be notified of the reasons for the decision and where possible, the decision will be made prior to the offer date for the child’s chronological year group.

Where it is agreed that a child will be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority must process the application as part of the main admissions round on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable. The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not their preferred age group.

**Admission outside normal age group**

Requests from parents for school places outside a normal age group will be considered.

Each case will be considered on its own merits and circumstances and will only be agreed by an Admissions panel, following consultation with the Local Authority, parents, schools concerned (both current and preferred) and any relevant professionals asked for their opinion by the panel, that to do so would be in the pupil’s interests. Parents will be informed of their statutory right to appeal. This right does not apply if they are offered a place in another year group at the school.

**Applications after the normal admissions rounds (In-Year applications)**

Evendons Primary School will be participating in the co-ordinated in-year admissions scheme for Wokingham Borough Council and therefore in-year applications for the school should be made by completing the application form available from Wokingham Borough Council. The school will participate in Wokingham Local Authority’s In-Year Fair Access protocols which may mean children are admitted over the admission number. Full details of the in year admissions scheme can be found on the Wokingham Borough Council website: www.wokingham.gov.uk/admissions.

**Waiting list**

Waiting lists will be maintained by the local authority if the school has more applicants than places available. The waiting list will be maintained until the end of year 6 to fill places that may become available during the school year. No account is taken of the length of time spent on a waiting list.

Positions on waiting lists may go up or down due to pupil withdrawals or new or revised applications received; therefore waiting lists will be reviewed and revised:

- Each time a child is added to, or removed from, the waiting list
- When a child’s changed circumstances will affect their priority
- When parents respond to periodic requests to see if they wish to remain on the waiting list
- At the end of a school year; should there be a change in the determined oversubscription criteria
Children who are the subject of a direction by the local authority to admit or who are allocated to a school in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

The maintenance of waiting lists for Evendons Primary School is a bought in service from Wokingham Borough Council.

Parents will be able to apply online to Children's Services for each year if they wish to be placed on the waiting list for that year. It is the responsibility of parents to ensure that the school admissions team is informed in writing if they want their child’s name to be removed from the waiting list or if their circumstances have changed from the original application.

Waiting list information will be available in accordance with the published timeline.

**Late applications**

If the school is fully subscribed, late applicants will be placed on the waiting list according to the relevant criteria above.

**Applications made after the closing date but before offer date**

The closing date for applications for school places in the normal admission round will be January 15, 2020. Children’s Services will, as far as possible, accept applications that are received ‘late’ for a good reason, e.g. when a single parent has been ill for some time, or a family has just moved into the area or is returning from abroad, provided they are received before January 15, 2020. Changes to existing applications received after January 15, 2019 will be considered as ‘late’ and considered after the allocation.

If no evidence is provided it will be reasonably assumed that an application could have been made by the closing date and the application will not be processed until after the offer date and main allocation of places. These late applications will be processed by the date given in the scheme.

**Applications made after the offer date but before August 31, 2020**

All late applications will be processed by the application of the admissions criteria where necessary. Where possible a place will be offered at a preferred school with places available. If this cannot be achieved a place will be allocated at the designated area school (if there are places available) or the most accessible school to the home address with vacancies if they live in the Wokingham Borough. No offer will be made to those children living outside of the Borough as it is the responsibility of the home authority to provide a school place. Parents retain the right of appeal.

**Change of preference**

Parents who wish to amend their application before the closing date will be allowed to do so as long as they put their request in writing to the School Admissions Team or amend their online application by the closing date.

Parents who wish to amend their application after the closing date should put their request in writing to the School Admissions Team at Wokingham Borough Council. No consideration will be given to their request until after the offer date.

It should be noted that if an alternative school place has been allocated by the local authority as no parental preference received by the closing date could be met, that any changes of preference can adversely affect access to assistance with school transport.

**Exclusions**

We will follow Wokingham Borough’s Protocol for Exclusions (Managed Transfers and Reintegration), including their appeals process.

**Appeals procedure**

Applicants who are not allocated a place at Evendons Primary School will have the right of appeal. The appeals process for the school will be managed by Wokingham Borough Council as an acquired service. Further details of the appeals process would be sent to the applicant if they are not offered a place, this will also be available from Wokingham Borough Council's Admissions team.
Appeals against the decision not to admit a child should be sent on the appropriate appeal form within 20 school days from the date of the on-line notification refusing a place. Applicants will be informed where the admission of additional children would breach the infant class size limit.

The local authority will not consider any further application for admission, nor is there any automatic right to a further appeal for admission within the same academic year (September 1 to August 31) unless there is an exceptional situation resulting in a significant change of circumstances relevant to the application.

Appeals are normally heard for the year group applied for, to start in that year group; if a parent wishes to appeal for the next year group (applicable after the May half-term prior to a September start), a parent will be asked to submit a new application form for that year group. The later application will supersede the previous application. Children’s Services can then ensure that there are no new circumstances to take into consideration prior to the issuing of a letter refusing the school place.

**Key dates for Evendons Primary school admissions process**

This process will be administered in conjunction with Wokingham Borough Council Admissions Team.

2018/19
The last child offered under criterion E lived 0.938 miles from the school according to the local authority’s computerised mapping system.

There were insufficient places for the remaining 30 children (22 in criterion E, 1 in F and 7 in criterion G) and these children have been provisionally placed on the waiting list pending confirmation from the parents that they wish their child to remain on the waiting list for the school.

2017/18
The last child offered under criterion E lived 0.643 miles from the school according to the local authority’s computerised mapping system.

There were insufficient places for the remaining 38 children (26 in criterion E, 1 in F and 11 in criterion G) and these children have been provisionally placed on the waiting list pending confirmation from the parents that they wish their child to remain on the waiting list for the school.

2016/17
The last child offered under criterion E lived 0.922 miles from the school according to the local authority’s computerised mapping system.

There were insufficient places for the remaining 39 children (28 in criterion E and 11 in criterion G)

2015/16
19 children living in the designated area could not be allocated. The last child allocated lived 0.866 miles based on radial distance.

Floreat Montague Park Primary
School Admissions Criteria 2020/21

Primary - Reception Admission Criteria

INTRODUCTION

The admissions policy for Floreat Montague Park Primary School complies with the requirements of the Schools Admissions Code, the School Admissions Appeals Code and admissions law. Our admissions process is designed to be inclusive, open, fair and transparent.

ADMISSIONS NUMBER

Floreat Montague Park Primary School has an admission number of 60 for entry in Reception. The school will accordingly admit this number of pupils each year if there are sufficient applications. Where fewer applicants than the published admission number(s) for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied. Where more applications are received, the oversubscription criteria will be used to allocate places.

SPECIAL EDUCATIONAL NEEDS

Floreat Montague Park Primary School will admit any child with a Statement of Special Educational Needs or Education, Health and Care Plan where that Statement or Plan names Floreat Montague Park Primary School as the most appropriate school for the child in question. This is not an oversubscription criterion and applies even where in admitting this pupil the school would exceed its published admission number.

OVERSUBSCRIPTION CRITERIA

The over-subscription criteria for Reception admission in September 2020 are:

i. Children looked after and those who ceased to be children looked after because they were adopted, or because they became subject to a residence order or a special guardianship order (note 1);

ii. Children with a professionally supported exceptional medical need or exceptional social need for a place at a particular school, as decided by the Governing Body;

iii. Brothers and sisters of children on the roll of the school on the date of admission (note 3);

iv. Children in order of straight line distance from home to school* as measured by Wokingham Council’s Geographical Information System (note 4);

If there are more applications than places within any category, applications will be considered in order of straight line distance from home to school as measured by Wokingham Council’s Geographical Information System (note 4).

Notes:

1. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. A residence order is defined by section 8 of the Children Act 1989. A child arrangement order is defined by section 8 of the Children and Families Act 2014. A special guardianship order is defined by section 14A of the Children Act 1989.

2. Applications made on exceptional medical grounds must be supported by a current letter from a specialist health professional. Applications made on exceptional social grounds must be supported by a current letter from a social worker or other care professional working with the family. The letters must give reasons why the child’s condition or circumstances make it necessary for the child to attend the school applied for, and the difficulties that would be caused if the child had to attend an alternative school. If this information is not provided by the application closing date, the application will not be considered under
this criterion. The Director of Education and Social Services may request professional advice, from within
or outside Wandsworth Council, before reaching a decision.

3. A sibling is a full brother or sister, a step/half brother or sister living at the same address, a child
who is living as part of the family by reason of a court order, or a child who has been placed with foster
carers as a result of being looked after by a local authority.

4. The straight-line measurement used to prioritise applicants for admission to schools in Wokingham
commences in all cases at the location of the property and terminates at the central point of the school
site* as determined by Wokingham Council’s Geographical Information System. Measurements by
alternative systems and/or to other points will not be taken into account in any circumstances. Where
applicants have identical distance measurements, priority amongst them will be determined at random.

5. The only permanent address of the parent/guardian with whom the child is living on the closing date
for applications will be used for this purpose. A childminder’s address will not be accepted. A parent/carer
may be asked to provide evidence to verify that an address is permanent.

6. There is no automatic right of transfer from the nursery class to the infant reception class within the
same primary school. If there are more applications than places available, priority will be based on the
above criteria alone.

TIE-BREAKER

If there is one place available and two or more children next in order of priority or next on the waiting list
meet the appropriate criterion equally, the place will be allocated using the distance criterion. If the
distances are equal, the place will be allocated by drawing lots in the presence of an independent witness.

Parents should note that admission to Reception classes is determined using the admission criteria for
primary schools. Attendance at a nursery does not guarantee a Reception place at the attached infant or
primary school. Admission to the primary school from the nursery is therefore not automatic and cannot
be guaranteed.

Late applications will only be considered after offers have been made to applicants who applied by the
closing date.

DEFERRED ENTRY FOR INFANTS

Parents offered a place in Reception for their child have a right to defer the date their child is admitted, or
to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred
beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth
birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

Parents may request that their child is admitted outside their normal age group. When such a request is
made, the academy trust will make a decision on the basis of the circumstances of the case and in the
best interests of the child concerned, taking into account the views of the Headteacher and any supporting
evidence provided by the parent.

The process for requesting such an admission is as follows: a letter should be sent to the Headteacher at
the school. This will be discussed with members of the governing body in the admissions committee
where a decision will be made. This decision will be communicated back to the parents by the
Headteacher in writing.

APPLICATION PROCESS

The school will be participating in coordinated admission arrangements administered by Wokingham
Borough Council. Parents/carers must apply on the Common Application Form of the local authority
where they live. This can be completed online via the local council website or on a paper form available
from the school or the local council’s School Admissions Team.
The closing date for Reception class applications will be 15th January 2020. Notification letters will be sent out on 16th April 2020. Applications received after the set closing date will be accepted but will not normally be considered for a place at the school until after the initial offer date.

WAITING LIST

The school will maintain a waiting list for applicants who are unsuccessful in obtaining a place, in accordance with the published oversubscription criteria. Should a child join the waiting list after places have been allocated, he or she will be placed on the waiting list in the order determined by the application of the published admission criteria. This means that the place of a child on the waiting list may change if a child with higher priority by the application of the selection criteria joins the list.

IN-YEAR ADMISSIONS

Should there be a vacancy in a year group during the academic year; places will be offered after applying the above admissions criteria to all applicants including those on waiting list.

APPEALS

Parents who are not offered a place for their child have the right to appeal to an independent appeal panel. Parents wishing to appeal should obtain an appeal form from the Wokingham Independent Appeal Service (Clerk to the Appeals Panel, Wokingham Borough Council, Shute End, Wokingham Berkshire RG40 1WH). The form should be sent to reach the Clerk to the Appeal Panel, c/o the Wokingham Independent Appeal Service, within 20 school days of the date of the letter confirming the Governors’ decision not to offer a place. The school will publish an appeals timetable annually on its website showing the relevant deadlines.
Hatch Ride Primary School Admission Policy
Admissions arrangements for 2020/2021

Introduction

The proposed admission arrangements set out below are for the children born between 1st September 2015 and 31st August 2016.

Hatch Ride Primary School is an Academy and part of a multi-academy Trust called The Corvus Learning Trust. The Corvus Learning Trust is the admissions authority for this school. The Corvus Learning Trust has delegated to The Governing Body of Hatch Ride Primary School the responsibility for administering admissions to the school. The Trust works in close collaboration with Local Authorities to manage the admission process for parents and carers.

The Trustees have agreed to set the following admission arrangements in accordance with the applicable legislation and the School Admissions Code and after consultation with the relevant local admissions authorities and interested parties. They conform to the requirements of the Wokingham Borough Council’s coordinated admissions arrangements.

The school is a partner in the coordinated admission arrangements for primary admissions in Wokingham LA and follows their admission timetable.

Published Admission Number (PAN) for Hatch Ride Primary School for September 2020

The total pupil admissions number (PAN) will be 30.

Making an application for Reception for September 2020

The school as part of their delegated responsibility will manage the applications for Hatch Ride Primary School. Parents/carers wanting their children to attend the school must apply to their home Local Authority as they would for any other state school.

Applications for entry to Hatch Ride Primary School in the school year September 2020 - August 2021 must be included on the LA Common Application Form or the online site for the applicant’s home local authority (i.e. the Authority in which the parents/legal guardian pays council tax) and must be submitted to that LA. Full details are available in the LA Admissions Guide.

The Governors’ Admissions Committee will consider all applications during March 2020 and applications will be ranked in accordance with the oversubscription criteria. Wokingham LA will be notified by 15 March 2020. Offers and refusals of places will be sent by the home LA on 16 April 2020. Parents (see Note 1) will be given a date by which to accept an offer.

Late applications for Reception place(s) in September 2020

If an application is received after the deadline, this will be considered ‘late’. Late applications will be considered after the allocation of places and notified after the main allocation date in line with the LA coordinated admissions scheme.

Deferred entry to reception September 2020

For admission to school for the 2020/2021 school year, the school will offer all children a full time school place from the September following their fourth birthday. Parents may request that their child attends part-time until the child reaches compulsory school age.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may request that their child is not admitted until later in the school year 2020/2021 (no later than the term [using three term year] after the child’s fifth birthday, when s/he reaches compulsory school age). The school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.
Where parents choose to defer their child’s admission, or take up the place part-time but later wish to increase it to full-time before their child has reached compulsory school age, this must be discussed with the Headteacher to agree the effective date.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer-born children), parents who do not wish them to start school in school year 2020-21, but to be admitted to the Reception Year in September 2021, should proceed as follows. They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception Class in September 2021. N.B. Parents would need to provide strong supporting reasons for seeking a place outside the normal age group and should discuss the position with the Headteacher as early as possible.

If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any offer of a place in September 2020 (N.B. it will still be subject to the oversubscription criteria below) or to withdraw their application and apply in the second half of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2020-21 Reception Year group.

The Criteria for a place at Hatch Ride Primary School

The admission authority is required by law to admit all pupils with an Educational Health and Care Plan, which names Hatch Ride Primary School in the Plan.

When Hatch Ride Primary School is oversubscribed for the reception year group, applications for entry in 2020-2021 will be ranked in the following order.

(A) Looked After Children1 and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted2 (or became subject to a child arrangements order3 or special guardianship order4) immediately following having been looked after.

(B) Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted5

(C) Children who have either medical or social grounds for admission to Hatch Ride Primary School. This evidence must set out the particular reason why the school is the only suitable school and the difficulties caused if the child had to attend another school. The Trustee’s decision in these matters is final. An additional form will need to be completed.

(D) Children of staff at the school. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage. The skills shortage area will be determined by The Corvus Learning Trust and Hatch Ride Primary School Governors by 1 July of the year of application and made available on the school website.

(E) Children who have a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school.

(F) Children whose permanent home address is within the schools’ designated area of the school.

---

1 A ‘looked after child’ is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

2 This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children’s Act 2002 (see section 46 adoption orders).

3 Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

4 See Section 14A of the Children Act 1989 which defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

5 This includes children who were in state care in a place outside of England, if they were accommodated by, a public authority, a religious organisation or other provider of care whose sole purpose is to benefit society.
**Tie breaker**

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance to three decimal points between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

In the event that two or more children live at the same distance (measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two admissions committee Governors as part of the delegated responsibility from The Corvus Learning Trust.

**Looked After Children or Previously Looked After Children**

Applications must be made by the person with parental responsibility for the child (e.g. the child’s social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

- confirmation by the home local authority that the child is looked after or
- confirmation by the local authority that last looked after the child confirming that the child was looked after immediately prior to the issuing of one of the orders detailed above.

**Social and Medical Application**

If a child has a social and medical need that would cause significant physical and / or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds. And must complete a Social and Medical Supplementary Information Form.

It is the applicant’s responsibility to obtain a Social and Medical Supplementary Information Form which must be completed and returned to Hatch Ride Primary School along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child’s current situation.

This evidence must prove why Hatch Ride Primary School is the only suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant’s responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.
Your application cannot be considered if you do not complete a Social and Medical Supplementary Information Form and you do not provide written independent professional evidence. All supporting documentation must be received by 15 January 2020 for consideration prior to the main allocation of places. The Governors Admissions Committee will consider the supporting evidence provided and will advise the applicant of its decision; the committee’s decision is final. Any evidence received after 15 January will not be taken into account in the main allocation of places but may if agreed by the committee, be considered later.

Sibling

A sibling is a brother or sister (that is, another child of the same parents, whether living at the same address or not), or a half-brother or half-sister, step-brother or step-sister, or adopted or foster children living at the same address.

Staff

Any application submitted under this criterion will be confirmed by the school to determine if the application meets the set criterion. The skills shortage area will be determined by Hatch Ride Primary School and the Corvus Learning Trust by 1 July each year and made available on the school website.

Home address

Applications are processed on the basis of the child’s single permanent home address living with parent(s) or a carer/legal guardian at the closing date for applications. An address will not be accepted where the child was resident other than with a parent or carer unless this was part of a private fostering or formal care arrangement. Checks will be made to determine whether an address declared on the application form is that of a second home with the main home being elsewhere. Some residential arrangements will be considered to be temporary arrangements. Where the applicant, or their partner or spouse reasonably considered to be living with them as a single family unit own another property, have previously lived in it and chose not live in it (including where a home is rented out to a third party) the owned property will ordinarily be considered to be the permanent home. Special circumstances that might lead to the declared address being considered as a permanent home despite another home being owned or otherwise available for occupation will need to be declared at the point of application by parents. Without being exhaustive these might include:

- an owned property being a considerable distance from the preferred school, indicating that the family had permanently relocated to the new home, or
- that the owned property is uninhabitable and cannot reasonably be made habitable in the period leading up to admission to the school or
- that the owned property is in the process of being sold and the family live permanently in the declared property or
- that following divorce or separation the family home cannot be occupied by the applicant or otherwise treated as the child’s permanent home

Where the declared address is rented and the applicant has no claim on any other property the declared address may be considered to be a temporary address if there is evidence the applicant has chosen to rent the property solely for the period necessary for a child to be admitted to a particular school.

Applicants should note that should any evidence arise after a child has been offered a place or admitted to a school that indicates that the declared home was not a permanent home, the place may be withdrawn, even when a child has started school.

Reference to council tax records will be made to determine a single address for consideration of a place under criteria F.

After allocation, if an applicant moves from the property they have used in their application to another property which is within or nearer to the designated area of the preferred school; the address of the property they originally owned and declared on application will be the address used for determining their designated area, unless this house has been sold or rented out for 12 months prior to the closing date for applications.
Applicants will be asked to declare that the address used is expected to be their place of residence beyond the date of the pupil starting school. Applicants are required to advise of any change of circumstance at any time prior to the child starting school. If you do not declare such arrangements, or a different address is used on the application where the child does not usually live; it will be considered that a false declaration has been made and it may be decided to decline to offer a place at a particular school, or to withdraw the offer of a place. In deciding whether a place was allocated on the basis of a misleading or fraudulent application, The Governor's Admissions Committee will consider any supporting evidence giving reasons why the move was necessary prior to the child starting school.

It is important to declare if there is to be a change of address prior to the child starting school. If the applicant already owns a property which is in the process of being sold, we are able to accept the address of the new property only on submission of the appropriate evidence in support e.g. exchange of contracts letter on both the new property and, where possible, disposal of their current property. The deadline for submission of evidence to support a move is 15 January 2020. If the move takes place later or evidence is submitted later, the local authority will only be able to consider this information after the initial allocation of places has taken place and treat the new address for waiting list purposes.

A temporary address cannot be used to obtain a school place. Temporary addresses will only be considered where evidence is provided of a genuine reason for the move e.g. flooding or subsidence.

The admission authority reserves its right to carry out further investigation and require additional evidence and to reject applications or withdraw offers of places, if it believes it has the grounds to do so. In such cases, the applicant will have recourse to putting their application through the independent appeals process.

**Split living arrangements**

Where a family claims to be resident at more than one address, justification and evidence of the family's circumstances will be required e.g. formal residence order, child arrangements order or legal separation documentation. The application must be completed by the parent, at an address which is owned, leased or rented, where the child lives for the majority of the school week.

Where there is an equal split or there is any doubt about residence, the authority will assess and make a judgement about which address to use for the purpose of the allocation of a school place where necessary requesting further information e.g.

- Any legal documentation confirming residence
- The pattern of the residence
- The period of time over which the current arrangement has been in place
- Confirmation from any previous school or early years setting of the contact details and home address supplied to it by the parents
- Where the child is registered with the GP
- Any other evidence the parents may supply to verify the address

It is recommended that consensus is reached by both parents and child on the school preferences to be expressed and it should be noted that only one offer letter will be sent to the main applicant unless otherwise requested and agreed by both parents.

**Applicants from abroad**

An application for a school place can be made from applicants applying for a school place for their child from abroad, provided that they can provide evidence of their right of abode. The address used will be the address where the child is living at the closing date for applications unless evidence is provided that the family is returning to a property that they own by January 15, 2020. Third party written evidence confirming the details and timing of the relocation will be required. Adjustments will be made to any waiting lists, if the family returns later, prior to the start of school. Further advice on the documentation required can be obtained from Hatch Ride Primary School secretary.
Service Families

Families of UK service personnel (and other Crown servants) who are not yet living in the area will be able to make an application if it is accompanied by an assignment order declaring a relocation date and intended address. In the absence of a new home postal address, the authority will use the former Hazebrouck Barracks (co-ordinates: Easting 476869 and Northing 166249) as the postal address to determine distance to a preferred school. A letter from the Commanding Officer or garrison headquarters will be required confirming the living arrangements for families who are being housed at the army quarters at Arborfield Garrison but are assigned to another base.

Multiple births or children with birth dates in the same academic year

Where the application of oversubscription criteria results in splitting twins or other siblings from a multiple birth in the same school year; places will be offered even if this will result in the school going above admission number.

Waiting lists

Hatch Ride Primary School will maintain a waiting list for unsuccessful applicants from 1st September 2020. Pupils on the list will be placed in order according to the criteria used in considering the original applications. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers who are unsuccessful will be asked if they wish their son or daughter to be placed on the waiting list for their year and will be advised, on request, where the pupil stands in the list. It should be remembered that a pupil's position on the list may rise and fall as others are added or removed from the list. At the end of the school year the waiting list will end and parents will need to reapply for a place for the following year. Reminders will be sent. Parents/Carers are requested to notify Hatch Ride Primary School secretary if at any time they no longer wish their pupil to be considered for a place at the school. Children who are the subject of a direction by the local authority to admit or who are allocated to a school in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

Appeals

All applicants who were not allocated a place at the school will be informed of their right of appeal. Appeals against the decision not to admit a child should be sent on the appropriate appeal form within 20 school days from the date of the letter refusing a place. The Appeals process for the school will be managed by Corvus learning Trust. Further details of the appeals process would be sent to the applicant if they are not offered a place, this will also be available from Corvus Learning Trust's and the schools' website.

Applicants will be informed where the admission of additional children would breach the infant class size limit.

In-year Admissions applications for a place(s) at Hatch Ride Primary School

All applications for admission to the school outside the normal admissions round will be treated as in-year applications. Pupils admitted under the Wokingham Fair Access Protocol may take priority over children on the Waiting List.

Parents/Carers wishing to apply for a place at this school should obtain a copy of the In-Year application form from the School website or via Wokingham Borough Councils website. This should be completed and returned to Hatch Ride Primary School in accordance with the instructions on the application form. Parents will be advised of the outcome of the application by the school following determination by the Trustees Admissions Committee.

Where there are places available then the Trustees will determine a place can be offered to the applicant. If however at the time of this determination the school has more applications than places available in the same year group, all the applications will be ordered according to the criteria used in determining initial admissions and will be considered in that order and places will be offered accordingly.
Unless they are statutorily obliged to admit the applicant or the application is covered by the Local Authority’s Fair Access Protocol, Trustees will, when reaching a decision on an application for admission to a full year group refuse the application. Unsuccessful applicants, upon request, will be placed on the waiting list.

The Criteria for a place at Hatch Ride Primary School

The admission authority is required by law to admit all pupils with an Educational Health and Care Plan, which names Hatch Ride Primary School in the Plan.

The admission authority will then admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria:

(A) Looked After Children and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been looked after.

(B) Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted

(C) Children who have either medical or social grounds for admission to Hatch Ride Primary School. This evidence must set out the particular reason why the school is the only suitable school and the difficulties caused if the child had to attend another school. The Trustee’s decision in these matters is final. An additional form will need to be completed.

(D) Children of staff at the school. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage. The skills shortage area will be determined by The Corvus Learning Trust by 1 July of the year of application and made available on the school website.

(E) Children who have a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school.

(F) Children whose permanent home address is within the schools’ designated area of the school.

Tie breaker

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance to three decimal points between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported.

---

6 A ‘looked after child’ is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

7 This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children’s Act 2002 (see section 46 adoption orders).

8 Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

9 See Section 14A of the Children Act 1989 which defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

10 This includes children who were in state care in a place outside of England, if they were accommodated by, a public authority, a religious organisation or other provider of care whose sole purpose is to benefit society.
This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

In the event that two or more children live at the same distance (measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two admissions committee Governors as part of the delegated responsibility from The Corvus Learning Trust.

**Looked After Child or Previously Looked After Child**

If a parent or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paper work is submitted with the application, for example of a copy of the relevant order issued by the family court. Should the relevant documentation not be submitted with their application it will be assumed that the parent does not wish these circumstances to be taken in to account.

**Social or Medical**

If a child has a social and medical need that would cause significant physical and / or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant’s responsibility to obtain a Social and Medical Supplementary Information Form which must be completed and returned to Hatch Ride Primary School along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child’s current situation.

This evidence must prove why Hatch Ride Primary School is the only suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant’s responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

**Sibling**

A sibling is a brother or sister (that is, another child of the same parents, whether living at the same address or not), or a half-brother or half-sister, step-brother or step-sister, or adopted or foster children living at the same address.

**Staff**

Any application submitted under this criterion will be referred to the school for confirmation that the application meets the set criterion. The skills shortage area will be determined by Hatch Ride Primary School and Corvus Learning Trust by 1 July each year and made available on the school website.

**Home address**

For In Year admissions, all applications will be processed by the Corvus Learning Trust. Evidence will be requested to prove residency, i.e. council tax bill.
Offer of a place at Hatch Ride Primary School

Parents/carers will be contacted by letter if an offer of a place can be made at the school. Parents will then be advised of the process to start their child at the school.

Waiting list for a place(s) at Hatch Ride Primary School

Hatch Ride Primary School will maintain a waiting list for unsuccessful applicants. Pupils on the list will be placed in order according to the criteria used in considering the original applications. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers who are unsuccessful will be asked if they wish their son or daughter to be placed on the waiting list for their year and will be advised, on request, where the pupil stands in the list. It should be remembered that a pupil’s position on the list may rise and fall as others are added or removed from the list. At the end of the school year the waiting list will end and parents will need to reapply for a place for the following year. Reminders will be sent. Parents/Carers are requested to notify Hatch Ride Primary School secretary if at any time they no longer wish their pupil to be considered for a place at the school.

Appeals for a place(s) at Hatch Ride Primary School

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further details of the appeals process would be sent to the applicant if they are not offered a place, this will also be available from Corvus Learning Trust and the schools’ website.

Admission of children outside their normal age group for Hatch Ride Primary School

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

Each case will be considered on its own merits and circumstances and will only be agreed by the Headteacher and Trustees of The Corvus Learning Trust where there is consensus between the parents, school and any relevant professionals asked for their opinion by the committee, that to do so would be in the pupil’s interests. Parents will be informed of their statutory right to appeal. This right does not apply if they are offered a place in another year group at the school.
1. Introduction

Nine Mile Ride Primary School takes pride in developing outstanding teaching and learning by holding the highest expectations of all our pupils and knowing the pupils well. We challenge all pupils to strive for academic, creative, emotional, sporting and personal accomplishment within a broad, vibrant and enriched curriculum. Our vision is for all pupils to leave Nine Mile Ride Primary as independent learners with the knowledge, concepts, skills and attitudes that make them ready for being responsible citizens of the 21st century.

Our values of being respectful, resilient, resourceful and reflective will enable pupils to develop a personal ethic and a moral attitude that will positively affect behaviour and equip them with the skills needed for successful lives both now and in the future and contribute positively to society.

We celebrate growth mind sets and promote learning power skills to ensure that pupils are capable of doing new things, being creative and inventive and are not frightened to make mistakes. We encourage pupils to take ownership of and responsibility for their learning and decisions, so they have the confidence and curiosity to ask questions, solve problems and communicate well.

In order to create an inclusive school where everyone can shine, we promote an ethos where we believe in all our pupils, where challenge is valued and celebrated – both within school and the wider world. Special care is taken to build respectful relationships and educate everyone at Nine Mile Ride about the needs of others and how best to meet them. We foster open and honest communication with parents, carers and specialists and actively seek to engage with all members of the Nine Mile Ride community in a positive and supportive manner.

Preparing pupils to thrive in this ever changing world relies on parents as educators too and it is our aim to continue to work with you so that pupils leave Nine Mile Ride Primary ready and fully equipped for the next stage in their journey through life.

Nine Mile Ride Primary School is an Academy and part of a multi-academy Trust called The Circle Trust. The Circle Trust is the admissions authority for this school. The Trust works in close collaboration with Local Authorities to manage the admission process for parents and carers.

The Trustees have set the following admission arrangements in accordance with the applicable legislation and the School Admissions Code and after consultation with the relevant local admissions authorities.

They conform to the needs of the Wokingham Borough Council’s coordinated admissions arrangements.

2. Pupil Admission Number (PAN) for Reception September 2020 Nine Mile Ride Primary School

3. Making an application for Reception September 2020 for a place(s) at Nine Mile Ride Primary School

Applications to this school are in accordance with a coordinated scheme determined by the Local Authority (LA) within which the applicant resides. It is to that LA that applications for a place at Nine Mile Ride Primary School should be sent and that LA will advise the applicant of the result of their application. Coordinated admission schemes include procedures for the LA to pass on the application to the admission authorities for the schools concerned when it is not itself that authority. The Circle Trust is the admission authority for Nine Mile Ride Primary School and as such the Trust will receive and consider any applications made for a place at this school. The outcome of that consideration will be communicated to the applicant by, and in accordance with the procedures of, the relevant LA.
Parents wishing to apply for the Reception [Foundation] Year in September 2020 must complete the online or common application form provided by their home Local Authority (LA). The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15 January 2020. Applications received after this date will normally only be considered after all those received on or before the cut-off date. Offers and refusals of places will be sent by the home LA on 16 April 2020.

4. **Late applications for Reception place(s) in September 2020 at Nine Mile Ride Primary School**

If an application is received after the deadline, this will be considered 'late'. Late applications will be considered after the allocation of places and notified after the main allocation date in line with the LA coordinated admissions scheme.

5. **The Criteria for a place(s) at Nine Mile Ride Primary School**

The Trustees are required by law to admit all pupils with an Education Health and Care Plan, which names Nine Mile Ride Primary School in the statement.

The Trustees will admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria:

A - Looked After Children and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order)

B - Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted

C - Children who have a medical or social need as the grounds for their admission to Nine Mile Ride Primary School (see notes). An additional form will need to be completed.

D - The children of staff at Nine Mile Ride Primary School where that member of staff is the legal parent and guardian of that child, has a permanent contract to work at a school within Nine Mile Ride Primary School and where that member of staff has been employed at the school for 2 or more years at the time of application for the place or the member of staff is recruited to fill a vacant post within Nine Mile Ride Primary School where there is a demonstrable skill shortage.

E – Children who have a sibling who will be attending the school when the child will enter the school (see notes)

F – Children whose permanent home address is within the schools designated area

G - Any other children

1 A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

2 This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children’s Act 2002 (see section 46 adoption orders).

3 Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

4 See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

5 This includes children who were in state care in a place outside of England, if they were accommodated by, a public authority, a religious organisation or other provider of care whose sole purpose is to benefit society.
Tie Break

Living in the designated area does not guarantee a school place as there may be more applications from parents living in the designated area than places available. Where this is the case, the relevant tiebreaker, will be applied to decide which of the applicants can be offered places, and waiting list order.

Priority will be given within any of the oversubscription criteria to the applicant whose permanent home address is nearest to Nine Mile Ride Primary School in terms of radial distance.

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to Nine Mile Ride Primary School in terms of radial (straight line) distance.

Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a 'direct distance mathematical routine' within the Capita ONE system used by the local authority into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras' Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is at least 10 miles.

In the unlikely event that two or more children live at the same distance or additional distance (measured as stated above) from school (including, for example, flats within the same building), and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two Trustees.

Notes

Looked After Child or Previously Looked After Child
If a parent or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paper work is submitted with the application, for example of a copy of the relevant order issued by the family court. Should a parent not submit any relevant documentation with their application it will be assumed that the parent does not wish these circumstances to be taken in to account.

Social and Medical Grounds
If a child has a social and medical need that would cause significant physical and / or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant's responsibility to obtain a Circle Trust Supplementary Social and Medical Information Form which must be completed and returned to the Circle Trust along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why Nine Mile Ride Primary School is the only suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant’s responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.
Requests will be considered in accordance with the Equalities Act 2010.

**Sibling**
A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

It includes children who at the time of application have a sibling who will still be attending the school when the child will enter the school.

**Staff**
Any application submitted under this criterion will be referred to the school for confirmation that the application meets the set criterion. The skills shortage area will be determined by Nine Mile Ride Primary School by 1 July of the year of application and made available on the school website.

**Home address**
For year Reception in September 2020 applications will be processed using the home address used on the Common Application Form, and as verified by Wokingham Borough Council in line with their coordinated scheme.

6. **Accepting or declining the offer of a place at Nine Mile Ride Primary School**
Parents/Carers are required to accept or decline the allocated place in accordance with their home local authority procedure which will be outlined with their offer.

7. **Appeals for a place(s) at Nine Mile Ride Primary School**
All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact customer.services@bracknell-forest.gov.uk for information on how to appeal.

Information on the timetable for the appeals process is on the school's website.

8. **Waiting list for a place(s) at Nine Mile Ride Primary School**
The Circle Trust as the admissions authority for Nine Mile Ride Primary School will maintain a waiting list for unsuccessful applicants. Pupils on the list will be placed in order according to the criteria used in considering the original applications. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers who are unsuccessful will be asked if they wish their son or daughter to be placed on the waiting list for their year and will be advised, on request, where the pupil stands in the list. It should be remembered that a pupil's position on the list may rise and fall as others are added or removed from the list. At the end of the school year the waiting list will end and parents will need to reapply for a place for the following year. Reminders will be sent. Parents/Carers are requested to notify the Data and Admissions Manager if at any time they no longer wish their pupil to be considered for a place at the school.

9. **Deferred entry to Reception September 2020 for Nine Mile Ride Primary School**
At Nine Mile Ride Primary School, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2015 and 31 August 2016 may apply for them to be admitted to the Reception Year in September 2019. There are 50 places (the published admission number) available. Our policy is normally not to offer admission in September 2020 to children who were born on or after 1 September 2016. Full details are available in the relevant LA Admissions Guide.
Parents of a child whose fifth birthday falls between 1 September 20 and 31 March 2020 may request that their child is not admitted until later in the school year 2020/21 (no later than the term [using three term year] after the child’s fifth birthday, when s/he reaches compulsory school age.) The school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

168
For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer-born children), parents who do not wish them to start school in school year 2020-21, but to be admitted to the Reception Year in September 2021, should proceed as follows. They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. Please note parents would need to provide strong supporting reasons for seeking a place outside the normal age group and should discuss the position with the Headteacher as early as possible. If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any offer of a place in September 2020 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2020-21 Reception Year group.

If parents choose to defer their child’s admission, or take up the place part-time before their child has reached compulsory school age, they must discuss this with the Headteacher to agree.

10. Admission of children outside their normal age group for Nine Mile Ride Primary School

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

Each case will be considered on its own merits and circumstances and will only be agreed by the Headteacher and Trustees of The Circle Trust where there is consensus between the parents, school and any relevant professionals asked for their opinion by the committee, that to do so would be in the pupil’s interests. Parents will be informed of their statutory right to appeal. This right does not apply if they are offered a place in another year group at the school.

In-year Admissions applications for a place(s) at Nine Mile Ride Primary School

All applications for admission to the school outside the normal admissions round will be treated as in-year applications.

Pupils admitted under the Wokingham Fair Access Protocol may take priority over children on the Waiting List.

Parents/Carers wishing to apply for a place at this school should obtain a copy of the In-Year application form from the School website or via Wokingham Borough Councils website. This should be completed and returned to School in accordance with its instructions. The Circle Trust will notify the parent/carer of the outcome of the application once the Trustees have advised them of the decision made by the Admissions Committee.

Where there are places available then the Trustees will determine a place can be offered to the applicant. If however at the time of this determination the school has more applications than places available in the same year group, all the applications will be ordered according to the criteria used in determining initial admissions and will be considered in that order and places will be offered accordingly.

Unless they are statutorily obliged to admit the applicant or the application is covered by the Local Authority’s Fair Access Protocol, Trustees will, when reaching a decision on an application for admission to a full year group refuse the application.

Unsuccessful applicants, upon request, will be placed on the waiting list.
1 The Criteria for Nine Mile Ride Primary School

The Trustees are required by law to admit all pupils with a statement of special educational needs or an Education Health and Care Plan, which names Nine Mile Ride Primary School in the statement. The Trustees will admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria:

A - Looked After Children and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order)

B - Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted

C - Children who have a medical or social need as the grounds for their admission to Nine Mile Ride Primary School (see notes). An additional form will need to be completed.

D - The children of staff at Nine Mile Ride Primary School where that member of staff is the legal parent and guardian of that child, has a permanent contract to work at a school within Nine Mile Ride Primary School and where that member of staff has been employed at the school for 2 or more years at the time of application for the place or the member of staff is recruited to fill a vacant post within Nine Mile Ride Primary School where there is a demonstrable skill shortage.

E – Children who have a sibling who will be attending the school when the child will enter the school (see notes)

F – Children whose permanent home address is within the schools designated area

G - Any other children

Tie Break

Living in the designated area does not guarantee a school place as there may be more applications from parents living in the designated area than places available. Where this is the case, the relevant tiebreaker, will be applied to decide which of the applicants can be offered places, and waiting list order.

Priority will be given within any of the oversubscription criteria to the applicant whose permanent home address is nearest to Nine Mile Ride Primary School in terms of radial distance.

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to Nine Mile Ride Primary School in terms of radial (straight line) distance.

Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the local authority into which the LLPG address points are imported.

8 A ‘looked after child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

7 This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children’s Act 2002 (see section 46 adoption orders).

8 Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

9 See Section 14A of the Children Act 1989 which defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

10 This includes children who were in state care in a place outside of England, if they were accommodated by, a public authority, a religious organisation or other provider of care whose sole purpose is to benefit society.
This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is at least 10 miles.

In the unlikely event that two or more children live at the same distance or additional distance (measured as stated above) from school (including, for example, flats within the same building), and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two Trustees.

Notes

**Looked After Child or Previously Looked After Child**
If a parent or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paper work is submitted with the application, for example of a copy of the relevant order issued by the family court. Should a parent not submit any relevant documentation with their application it will be assumed that the parent does not wish these circumstances to be taken into account.

**Social or Medical**
If a child has a social and medical need that would cause significant physical and/or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant’s responsibility to obtain a Circle Trust Supplementary Social and Medical Information Form which must be completed and returned to the Circle Trust along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child’s current situation.

This evidence must prove why Nine Mile Ride Primary School is the only suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant’s responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

**Sibling**
A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

**Staff**
Any application submitted under this criterion will be referred to the school for confirmation that the application meets the set criterion. The skills shortage area will be determined by Nine Mile Ride Primary School by 1 July of the year of application and made available on the school website.

**Home address**
For In Year admissions, all applications will be processed by the Circle Trust. Evidence will be requested to prove residency, i.e. council tax bill.
2 Offer of a place at Nine Mile Ride Primary School

Parents/carers will be contacted by letter if an offer of a place can be made at the school. Parents will then be advised of the process to start their child at the school.

3 Waiting list for a place(s) at Nine Mile Ride Primary School

The Circle Trust as the admissions authority for Nine Mile Ride Primary School will maintain a waiting list for unsuccessful applicants. Pupils on the list will be placed in order according to the criteria used in considering the original applications. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers who are unsuccessful will be asked if they wish their son or daughter to be placed on the waiting list for their year and will be advised, on request, where the pupil stands in the list. It should be remembered that a pupil's position on the list may rise and fall as others are added or removed from the list. At the end of the school year the waiting list will end and parents will need to reapply for a place for the following year. Reminders will be sent. Parents/Carers are requested to notify the Data and Admissions Manager if at any time they no longer wish their pupil to be considered for a place at the school.

4 Appeals for a place(s) at Nine Mile Ride Primary School

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact customer.services@bracknell-forest.gov.uk for information on how to appeal.

5 Admission of children outside their normal age group for Nine Mile Ride Primary School

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

Each case will be considered on its own merits and circumstances and will only be agreed by the Headteacher and Trustees of The Circle Trust where there is consensus between the parents, school and any relevant professionals asked for their opinion by the committee, that to do so would be in the pupil's interests. Parents will be informed of their statutory right to appeal. This right does not apply if they are offered a place in another year group at the school.

Oaklands Infant School Admission Policy
Admissions arrangements for Academic Year 2020/2021

Introduction

The proposed admission arrangements set out below are for the children born between 1st September 2013 and 31st August 2014.

Oaklands Infant School is an Academy and part of a multi-academy Trust called The Corvus Learning Trust. The Corvus Learning Trust is the admissions authority for this school. The Trust works in close collaboration with Local Authorities to manage the admissions process for parents and carers.

The Trustees propose to set the following admissions arrangements in accordance with the applicable legislation and the School Admissions Code and after consultation with the relevant local admissions authorities and interested parties. They conform to the requirements of the Wokingham Borough Council’s coordinated admissions arrangements.

The Governing Body of the school, not Wokingham Local Authority (the LA), is responsible for deciding on admissions to the school. The school is a partner in the coordinated admission arrangements for primary admissions in Wokingham LA and follows their admission timetable.

Entry to Primary Admissions

The total pupil admissions number (PAN) will be 60, in our two-form entry school. Wokingham Borough Council’s admissions team will manage the application and allocation process on behalf of Oaklands Infant School. This means parents/carers wanting their children to attend the school must apply to their home Local Authority as they would for any other state school.

Applications for entry to Oaklands Infant School in the school year September 2020 - August 2021 must be included on the LA Common Application Form for the applicant’s Home Authority (i.e. the Authority in which the parents/ legal guardian pays council tax) and must be submitted to that LA. Full details are available in the LA Admissions Guide.

The Governors’ Admissions Committee will consider all applications during March 2020 and applications will be ranked in accordance with the oversubscription criteria. Wokingham LA will be notified by 15 March 2020. Offers and refusals of places will be sent by the home LA on 16 April 2020. Parents (see Note 1) will be given a date by which to accept an offer. Applications received after the deadline for receipt will only be considered after all those received by the deadline. This means that, if no places are left after considering all the applications received by the deadline, even if you fulfil a higher criterion than that under which places have been offered to other applicants, your application will be unsuccessful.

For admissions to school for the 2020/2021 school year, the school will offer all children a full-time school place from the September following their fourth birthday.

When Oaklands Infant School is oversubscribed for any year group, applications for entry in 2020-2021 will be ranked in the following order

Oversubscription Criteria

A. ‘Looked after’ and children who were ‘looked after’, but ceased to be so because they were adopted or became the subject of a child arrangements order or special guardianship order (previous ‘looked after’ children). Previously looked after children also includes children previously in state care outside of England (see note 1).

B. Families who have exceptional medical or social needs as the grounds for their admission to a particular school (see note 2).

C. Children of staff in either or both of the following circumstances:
a) where the member of staff has been employed at the school for two or more years at the
time at which the application for admission to the school is made and/or
b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill
shortage.

D. Children who have a sibling at the school at the time of application; who is expected to be
attending the school when the child will enter the school (see notes 3 and 4).

E. Children whose permanent home address is in the schools’ designated area.

F. All other children.

Notes relating to oversubscription criteria

Note 1: A ‘looked after’ child is a child who is (a) in the care of the local authority, or (b) being
provided with accommodation by a local authority in the exercise of their social services function
(see definition in section 22 (1) of the Children Act 1989).

A previously looked after child is a child who was looked after by a local authority but ceased to be
so because they were adopted, or became the subject of a child arrangements order or special
guardianship order. This includes children who were adopted under the Adoption Act 1976 (see
section 12 adoption orders) and children who were adopted under the Adoption and Children’s Act
2002 (see section 46 adoption orders). It also includes children who have been provided with child
arrangement orders (previously known as residence orders) under the provisions of section 14 of the
Children and Families Act 2014 which amends section 8 of the Children Act 1989 and children with a
special guardianship order appointing one or more individuals to be a child’s special guardian under
section 14A of the Children Act 1989. This includes children who were in the care of, or were
accommodated by, a public authority, a religious organisation or other provider of care whose sole
purpose is to benefit society.

Applications received under the Criterion A must be made by the person with parental responsibility
for the child (e.g. the child’s social worker, acting on behalf of the local authority for a looked after
child) and will need to be supported by the following official documentation, as applicable:

• confirmation by the home local authority that the child is looked after or
• confirmation by the local authority that last looked after the child, confirming that the child was
  looked after immediately prior to the issuing of one of the orders detailed above.

Note 2: When submitting applications under criterion B (exceptional medical or social needs as
ground for a child’s admittance to a particular school), this must be supported by written evidence
from an independent professional aware of the case relating to the child, parent/carer or other
children living at the same address (e.g. doctor, hospital consultant or psychologist for medical
grounds or registered social or care worker, housing officer, the police or probation officer for social
needs). This evidence must be specific to the school in question; it must show why that school is the
most suitable; what facilities will benefit the child, and why no other school can offer the same
support.

Your application cannot be considered if you do not declare that you are applying under this criterion
and you do not provide written independent professional evidence. All supporting documentation
must be received by 15 January 2020 for consideration prior to the main allocation of places. An
admissions panel will consider the supporting evidence provided and will advise the applicant of its
decision; the panel’s decision is final. Any evidence received by the school admission team after 15
January will not be taken into account in the main allocation of places but may if agreed by panel;
affect the applicant’s position on a school’s waiting list after offer day.

It should be noted that all schools have the resources to work with special educational needs and
common childhood complaints such as asthma or allergies.

Note 3: A sibling is a brother or sister (that is, another child of the same parents, whether living at
the same address or not), or a half-brother or half-sister, step-brother or step-sister, or adopted or
foster children living at the same address.
It includes children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

**Note 4:** Occasionally a parent with more than one child can express a preference for their designated area school(s) for the older child, but the local authority is unable to meet this preference. The local authority will then allocate a place at a lower ranked preferred school or the closest available school with places. In this case, the parent may then prefer to send younger sibling(s) to the same school as the older child attends. In such instances, the allocated school may be regarded as if it were the designated area school for subsequent siblings and would be treated as meeting Criterion C (sibling resident inside the designated area). This only applies to preferences submitted on an original application. Parents must notify the school admissions team at the time of application that they consider this exception applies. Where there is an application for the actual designated area school(s), designated area status would be applied.

**Important Information**

**Tie Breaker**

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance to three decimal points between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through the process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is at least 10 miles.

In the event that two or more children live at the same distance (measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two Children’s Services staff members.

**Residency requirements**

**Home address**

Applications are processed on the basis of the child’s single permanent home address living with parent(s) or a carer/legal guardian at the closing date for applications. An address will not be accepted where the child was resident other than with a parent or carer unless this was part of a private fostering or formal care arrangement. Checks will be made to determine whether an address declared on the application form is that of a second home with the main home being elsewhere. Some residential arrangements will be considered to temporary arrangements. Where the applicant, or their partner or spouse reasonably considered to be living with them as a single family unit own another property, have previously lived in it and chose not to live in it (including where a home is rented out to a third party) the owned property will ordinarily be considered to be the permanent home. Special circumstances that might lead to be declared address being considered as a permanent home despite another home being owned or otherwise available for occupation will need to be declared at the point of application by parents. Without being exhaustive these might include:

- an owned property being a considerable distance from the preferred school, indicating that the family home had permanently relocated to the new home, or
- that the owned property is uninhabitable and cannot reasonably be made habitable in the period leading up to admission to the school or
- that the owned property is in the process of being sold and the family live permanently in the declared property or
- that following divorce or separation the family home cannot be occupied by the applicant or otherwise treated as the child’s permanent home
Where the declared address is rented and the applicant has no claim on any other property the declared address may be considered to be a temporary address if there is evidence the applicant has chosen to rent the property solely for the period necessary for a child to be admitted to a particular school.

Applicants should note that should any evidence arise after a child has been offered a place or admitted to a school that indicates that the declared home was not a permanent home, the place may be withdrawn, even when a child has started school.

Reference to council tax records will be made to determine a single address for consideration of a place under criteria D or E. It is for the applicant to satisfy the local authority that they live at the address stated. After allocation, if an applicant moves from the property they have used in their application to another property which is within or nearer to the designated area of the preferred school; the address of the property they originally owned and declared on application will be the address used for determining their designated area, unless this house has been sold or rented out for 12 months prior to the closing date for applications.

Applicants will be asked to declare that the address used is expected to be their place of residence beyond the date of the pupil starting school. Applicants are required to advise of any change of circumstances at any time prior to the child starting school. If you do not declare such arrangements, or a different address is used on the application where the child does not usually live; it will be considered that a false declaration has been made and it may be decided to decline to offer a place at a particular school, or to withdraw the offer of a place. In deciding whether a place was allocated on the basis of a misleading or fraudulent application, an admissions panel will consider any supporting evidence giving reasons why the move was necessary prior to the child starting school.

It is important to declare if there is to be a change of address prior to the child starting school. If the applicant already owns a property which is in the process of being sold, we are able to accept the address of the new property only on submission of the appropriate evidence in support e.g. exchange of contracts letter on both the new property and, where possible, disposal of their current property. The deadline for submission of evidence to support a move is 15 January 2020. If the move takes place later or evidence is submitted later, the local authority will only be able to consider this information after the initial allocation of places has taken place and treat the new address for waiting list purposes.

A temporary address cannot be used to obtain a school place. Temporary addresses will only be considered where evidence is provided of a genuine reason for the move e.g. flooding or subsidence.

The governing body reserves its right to carry out further investigation and require additional evidence and to reject applications or withdraw offers of places, if it believes it has the grounds to do so. In such cases, the applicant will have recourse to putting their application through the independent appeals process.

**Split living arrangements**
Where a family claims to be resident at more than one address, justification and evidence of the family’s circumstances will be required e.g. formal residence order, child arrangements order or legal separation documentation. The application must be completed by the parent, at an address which is owned, leased or rented, where the child lives for the majority of the school week. This is based on the number of school nights a child spends at the home (Sunday night 1800hrs to Friday 0900hrs).

Where there is an equal split or there is any doubt about residence, the School Admissions Team will assess and make a judgement about which address to use for the purpose of the allocation of a school place where necessary requesting further information e.g.

- Any legal documentation confirming residence
- The pattern of the residence
- The period of time over which the current arrangement has been in place
- Confirmation from any previous school of the contact details and home address supplied by the parents
- Where the child is registered with the GP
• Any other evidence the parents may supply to verify the address

It is recommended that consensus is reached by both parents and child on the school preferences to be expressed and it should be noted that only one offer letter will be sent to the main applicant unless otherwise requested and agreed by both parents.

The information provided to determine the home address will be considered by an admissions panel of at least two officers and their decision is final.

**Applicants from abroad**

An application for a school place can be made from applicants applying for a school place for their child from abroad, provided that they can provide evidence of their right of abode. The address used will be the address where the child is living at the closing date for applications unless evidence is provided that the family is returning to a property that they own by January 15, 2019. Third party written evidence confirming the details and timing of the relocation will be required. Adjustments will be made to any waiting lists, if the family returns later, prior to the start of school. Further advice on the documentation required can be obtained from the School Admissions Team at Wokingham Borough Council.

**Service Families**

Families of UK service personnel (and other Crown servants) who are not yet living in the area will be able to make an application if it is accompanied by an assignment order declaring a relocation date and intended address. In the absence of a new home postal address, the authority will use the format Hazebrouck Barracks (co-ordinates: Easting 476869 and Northing 166249) as the postal address to determine distance to a preferred school. A letter from the Commanding Officer or garrison headquarters will be required confirming the living arrangements for families who are being housed at the army quarters at Arborfield Garrison but are assigned to another base.

**Multiple births or children with birth dates in the same academic year**

Where the application of oversubscription criteria results in splitting twins or other siblings from a multiple birth in the same school year; places will be offered even if this will result in the school going above admission numbers.

Where the application of oversubscription criteria results in children with dates of birth in the same school year in the same family, places will be offered even if this will result in the school going above the admission number.

In cases where there is one place available, and the next child on the list is a twin, triplet, etc. we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number of 60.

**Waiting lists**

Waiting lists will be maintained by the local authority for all schools where necessary for children not offered a school place at their preferred school until Year 2. Positions on the list will be determined by applying the oversubscription criteria outlined above. Positions on waiting lists may go up or down due to pupil withdrawals or new or revised applications and no account is taken of the length of time spent on a waiting list.

Parents will be able to apply online to Wokingham Borough Council for each year if they wish to be placed on the waiting list for that year. It is the responsibility of parents to ensure that the school admissions team is informed in writing if they want their child’s name to be removed from the waiting list or if their circumstances have changed from the original application.

When the normal round of admissions closes, the waiting list will transfer to own admission authority schools on 31 December 2019, unless the governing body indicates that they want the local authority to hold their lists and there is agreement to this.

Waiting list information will be available in accordance with the published timeline. Children who are the subject of a direction by the local authority to admit or who are allocated to a school in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

177
In-Year applications

Parents who wish to transfer their child to Oaklands Infant School during the 2020/2021 academic year will need to apply to Wokingham Borough Council admissions team, who will co-ordinate in year transfers.

The governing body of Oaklands Infant School is its own Admissions Authority.

If there are fewer than 60 applications or spaces available for children in any other year group (with each cohort limited intake to 60), all applicants will be offered a place.

Where the number of applications for admissions is greater than the published admissions numbers for any relevant age group, Oaklands Infant School will consider applications against the criteria set out in Oversubscription Criteria outlines previously. This does not apply to those children whose statement of Education, Health Care Plan (EHCP) names Oaklands Infant School who will be admitted first.

Appeals

All applicants who were not allocated a preferred school will be informed of their right of appeal. Appeals against the decision not to admit a child should be sent on the appropriate appeal form within 20 school days from the date of the letter refusing a place. The Appeals process for the school will be managed by Wokingham Borough Council as a contracted service. Further details of the appeals process would be sent to the applicant if they are not offered a place, this will also be available from Wokingham Borough Council’s Admissions team.
Saint Sebastian’s Church of England Primary School
Admissions Policy 2020/2021

Saint Sebastian’s Church of England Primary School values highly its Christian ethos, its close links with local churches and the Diocese of Oxford. We provide a distinctively Christian, environment where everyone is welcome and every child is motivated to acquire skills for life and a love of learning. We ask all parents applying for a place at our school to respect this ethos and its importance to the whole school community.

The governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities.

The governing body of the school, not Wokingham Borough Council, is responsible for deciding on admissions to the school. However, under co-ordinated admissions arrangements, applications to the school for entry to the Reception year 2020-21 must be made to the home LA (i.e. the Local Authority you pay your Council Tax to) which may not be Wokingham. Full details of Wokingham LA’s co-ordinated admission arrangements are published in the Children’s Services’ Parents’ Guide to Primary School Admissions by the relevant authority. This explains how parents can express a preference for a school and give reasons for that preference. Saint Sebastian’s School operates an equal preference scheme for admissions.

Application, Admission Decisions and Offer Dates:

These dates are applicable to Wokingham Borough Council residents – other local authority dates may vary

| Applications for entry in the school year September 2020-August 2021 to be received by the LA by: | 15 January 2020 |
| Decisions on which children are to be offered a place will be made available to the LA by: | 15 March 2020 |
| Coordination between local authorities | 29 March 2020 |
| Offer letters will be sent out by the LA by: | 16 April 2020 |
| Acceptances received by | 3 May 2020 |

Applications received after date to be advised by WBC but before the first day of the school year will be considered as late, and will be subject to the following constraints. These applications will only be considered after all those received by 15 January 2020. This means if no places are left after considering all the applications received by 15 January 2020, even if you fulfil a higher criterion than that under which places have been offered to other applicants, you may be unsuccessful.

Published admissions information
All applications, where a parent expresses a preference for the school will be considered equally. Prior to making an application, parents may visit the school to look around and have an informal discussion with the Headteacher, but this will not be used to determine the allocation of places.

Admission to the Reception Year 2020-21

If parents wish to apply for a place in the Reception Year 2020-21, a home authority (i.e. the authority who you pay Council Tax to) common application form is to be completed and returned to the home LA. The Admission number for entry to the Reception Year in 2020-21 is 26. The school’s, and not the home LA’s admissions Over-subscription criteria will be used to determine places. If you are applying under criteria numbers 3, or 6, the school’s own supplementary information form (available from the school’s Website) will also need to be completed and returned to the school by 15 January 2020 for entry in the year September 2020 – August 2021. Parents may also make their application online. All successful applicants will be asked to produce proof of age. Should this not be forthcoming by the start of the autumn term the governing body will deem the place to be obtained fraudulently and therefore withdraw it.
Children are admitted in the September of the school year in which they reach the age of five. The school does not accept applications for earlier entry.

Parents of a child whose fifth birthday falls between 1 September 2020 and 31 March 2021 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child (provided it is taken up during the school year 2020-21), although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2021 and 31 August 2021 (summer born children) who do not reach compulsory school age until September 2021, parents who do not wish them to start school in school year 2020-21 but to be admitted to the Reception Year in September 2021, should proceed as follows: They should apply at the usual time for a place in September 2020 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2021. NB parents would need to provide supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. The school will consider the request carefully and if it is agreed this should be clear before the national offer day (16 April 2020), their application for the normal age group may be withdrawn before any place is offered. They should then reapply in the normal way (no later than 15 January 2021) for a Reception place in September 2021. If their request is refused, the parents must decide whether to wait for any other offer of a place in September 2020 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the of the summer term 2021 for a Year 1 place in September 2021. Parents should be aware that the Year 1 group may have no vacancies and it could be full with children transferring from the 2020-21 Reception Year group.

Until the child reaches compulsory school age, s/he may attend part-time. If parents wish to exercise this right they should discuss detailed arrangements with the headteacher.

The Governing Body of the school decides the criteria used to admit children. Saint Sebastian’s is a Church of England school and, therefore, our criteria may be different from those of an LA community school.

All Other Admissions

Admission to the school during the school year depends on whether or not there are places available. All year groups at the school have 26 places. Applications must be made directly to the LA on a form available from the LA. If there is a vacancy, and there is no child on the relevant waiting list with a higher priority (according to the over-subscription criteria 1-7 below), a place will be offered.

If parents are moving house, the LA will ask for evidence of the move, when considering any application for a place. Documentary evidence in the form of a solicitor’s letter to confirm exchange of contracts, or a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address, which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Over-subscription Criteria and Arrangements for Admission to the School

In the event of there being a greater demand for admission, than there are places available, the following criteria will apply in order of priority. Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming the school will always be admitted. Subsequently, all applications will be considered equally against these criteria irrespective of ability.
1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order.¹

2. Families who have exceptional medical or social needs that make it essential that their child attends Saint Sebastian’s School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.²

3. Children, one of whose parents³ worships regularly⁴ at St Sebastian’s Church. Verification of regular worship is required in the form of the incumbent’s signature on the supplementary form.

4. Children who have a sibling⁵ on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

5. Children who live in the Ecclesiastical Parish of St. Sebastian’s⁶. (Map attached to this policy document).

6. Children, one of whose parents worships regularly at another Christian Church, which is Trinitarian in doctrine⁷. Verification of regular worship from the minister at the relevant Church is required in the form of his/her signature on the supplementary form. The school may subsequently contact the Minister by telephone.

7. Other children.

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by the council’s School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then divide by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is at least 10 miles.

Where the application of oversubscription criteria results in splitting siblings with the same birth dates, places will be offered even if this will result in the school going above the admission number.

Where there are 2 or more applicants with identical distance measurements, the place will be allocated by random allocation in the presence of an independent person.

If an application is received for a child to be admitted outside their normal age group (e.g. gifted and talented, those with additional needs or those who may have missed a significant amount of schooling due to ill health), we will judge each such application individually based on the circumstances of each case. Additional evidence may be requested.

A parent should make an application for their child’s normal age group at the usual time, but submit a request for admission out of the normal age group at the same time and the school will ensure that the parent receives the response to their request before primary national offer day.

Once decisions have been made, the school will not reconsider applications unless there is genuine reason for doing so, for example, if the family has moved address.
**Appeals**

Parents of children who have been refused a place have the right of appeal against the decision of the Governing Body. Letters of appeal should be addressed to the Chairman of Governors, c/o the school and should be received within twenty-one days of the date of the letter of refusal. An Independent Appeal Panel will be convened to hear the appeal. Parents will be fully informed of the arrangements. Parents and the Governors will have a chance to send in any papers they wish and to speak at the hearing. The Appeal Panel’s decision as to whether or not a child can come to St Sebastian’s School is binding. Parents should please refer to the school office for a copy of the Appeals procedure. It should be noted that in the event of an unsuccessful appeal, it is the Governing Body's policy not to reconsider applications within the same academic year. However, parents have the right to a second application within the same academic year if there is a major change in circumstances e.g. change of address.

**Waiting List**

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child’s name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list.

**Admissions without discrimination**

The school’s equal opportunity policy will operate in all cases of admissions to the school. There is no charge or cost related to the admission of a child to the school.

**Fair Access**

The school participates in Wokingham LA’s Fair Access Protocol. This covers, for example, children who have moved into our area after the normal admission round, or who need to move school as a result of severe bullying or social issues. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

**Notes**

1 By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order)."
2 When applying under criterion 2 (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring Saint Sebastian’s School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

3 A parent is any person who has parental responsibility for, or is, the legal guardian of the child.

4 Attending a regular church service at least once a month over the year preceding the application. For applicants who have moved into the area, previous church attendance will be taken into account. Provided that verification from a previous church is included in the application.

5 Sibling refers to brother or sister-, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

6 Permanent home address denotes the address where a child lives with a parent for the majority of each school week. For this purpose the school week begins at 6pm on Sunday evening and ends at 6pm on Friday evening including night times.

To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- Any other evidence the parents may supply to verify the position.

Governors reserve the right to investigate for evidence of a child’s address. If parents are moving house, the school will ask for evidence of the move, before considering any application for a place. Documentary evidence in the form of a solicitor’s letter to confirm exchange of contracts, a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address, which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Please contact the school if further information is required.

7 By ‘Trinitarian’ we mean a church which believes in God as Father Son and Holy Spirit.
ST TERESA’S CATHOLIC PRIMARY SCHOOL
ADMISSIONS POLICY 2020/2021

St Teresa’s School welcomes and respects each pupil as a child of God, recognises individual capabilities, nurtures potential and celebrates success.

Admission to the school is the responsibility of the Governing Body and not the Local Authority (LA). The school is a partner in the co-ordinated admission arrangements for primary admissions in Wokingham Borough Council (WBC) and follows their admission timetable.

This policy has been prepared by the Governing Body following the last consultation between 22 November 2017 and 3 January 2018. Parents are asked to ensure that they read and fully understand the conditions of admission to the school. They are asked to pay particular attention to the over-subscription criteria and to the evidence required with the application.

Admission of children below compulsory school age and deferred entry to school

- A child reaches compulsory school age on the first of these dates following a fifth birthday: 31 December; 31 March; 31 August
- At St Teresa’s we follow the statutory requirement to offer all children a full time school place from the September following their 4th birthday.
- Parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year.
- Parents may request that their child attends part-time until the child reaches compulsory school age.

Admission of children outside their normal age group
(see http://bit.ly/2155wRi for WBC guidance)

- Parents may seek a place for their child outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Additionally, parents of a summer born child (1 Apr to 31 Aug) may choose not to send that child until the September following their fifth birthday and may request that they are admitted out of their normal age group, i.e. to reception rather than Year 1. (The needs of working parents and associated childcare arrangements will not be considered under this heading.)
- Such applications must be submitted to WBC as part of the normal main admissions round, but the written agreement of the Governors, obtained through the Headteacher, must be sought and obtained prior to such an application being granted. The application will be considered strictly in accordance with the Oversubscription Criteria detailed below. In the circumstances of an out of age application failing, a child will not be considered for admission to the normal age group unless the normal age group application has also been made.
- In considering whether to endorse an application outside the normal age group, the Governors will consult with the Headteacher, deciding each case on its merits and the best interests of the child. They will take into account the views of the Headteacher, the parents’ views, information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. When informing a parent of their decision on the year group the child should be admitted to, the school will set out clearly the reasons for their decision.
- Where parents choose to defer their child’s admission, or take up the place part-time but later wish to increase it to full-time before their child has reached statutory school age, this must be discussed with the Headteacher to agree the effective date.
Where parents do not wish to take up the allocated place until the next school year, the place will not be held. A fresh application would have to be made and there would be no guarantee that a place would be available at the school.

**St Teresa’s Pre-School**
Children who are enrolled in the Pre-School will not transfer automatically to St Teresa’s School and parents must make a separate application for admission to St Teresa’s. The School will consider all applications solely in the light of its Admissions Policy. Enrolment in St Teresa’s Pre-School confers no advantage or preference.

Applications for entry to St Teresa’s Catholic Academy in the academic year September 2020 – August 2021 must be included on the Common Application Form and submitted to your home local authority (the local authority to whom you pay council tax); the closing date is 15 January 2020. This can be completed online.

In addition to the Common Application Form parents/carers applying under one of the faith categories are asked to complete a separate Supplementary Information Form (SIF), available from the school or from Wokingham Borough Council. The additional information on this form assists governors in placing applications in the correct over-subscription category. All completed SIFs should be returned to St Teresa’s School.

Decisions on which children are to be offered a place will be made by the Governors’ Admissions Committee of the school during February 2020 and WBC will be notified by the 15 March 2020. Offers of places will be made on behalf of the Governing Body on the 16 April 2020. Parents are required to accept the offer of a place to their home local authority in accordance with their co-ordinated scheme. Parents who apply online will also be able to view the results of their application on 16 April 2020.

Any offer of a place will be on the basis that the information supplied is accurate and up to date. Applications received after the deadline for receipt will only be considered after all those received by the deadline. This means that, if no places are left after considering all the applications received by the deadline, even if an application fulfils a higher criterion than that under which places have been offered to other applicants, it will be unsuccessful.

The published admission number (PAN) of children to be admitted in 2020/2021 is intended to be 45. All year groups have a maximum of 45 children. The admission number is compatible with the duty to comply with Infant class size legislation. The teaching group size at Key Stage 1 will not exceed 30.

**Oversubscription Criteria**

**Children with a Statement of Special Educational Need or Children with a Statutory Education, Health and Care Plan (EHCP)**

Children with an Education, Health and Care Plan that names this school will be allocated a place and will count towards the admission number.

The Governing Body will consider all applications equally, irrespective of ability or need and without reference to the positioning in the ranked list on the application form. In the event of more than 45 applications being received, places will be allocated strictly in the following order of priority:

1. **Catholic* ‘Looked After Children’ or ‘Previously Looked After Children’***

2. Baptised Catholic* children with a baptised Catholic*sibling in attendance at St Teresa’s School (not including the pre-school) at the time of application and expected to still be there at the time of entry to the school. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.)
3. Baptised Catholic* children

4. Non-Catholic ‘Looked After Children’ or ‘Previously Looked After Children’ ***

5. Unbaptised children of baptised Catholic* parents

6. Other pupils with a sibling at the school, not including the pre-school (sibling defined as in 2 above).

7. Children of parents who are practising members of other Christian denominations who belong to other churches and ecclesial communities which, acknowledging God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and of CYTUN are deemed to be included in this definition**

8. Children of parents who are members of other faiths**

9. Other children

*For the purposes of these admissions arrangements, a baptised Catholic means a person baptised in a church which is in communion with the See of Rome or a person received into the Catholic Church. Proof of baptism is required.

** If application is being made for a place at the school as a member of another Christian denomination or another faith a letter confirming membership of that Christian denomination or faith and signed by the appropriate minister of religion or faith leader, will be required. The letter should be provided at the same time as the SIF is returned to the school.

*** A ‘Looked After Child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions at the time of making an application to a school. ‘Previously Looked After Children’ are children who were looked after, but ceased to be so because they were adopted. This includes children who Admissions Policy 2020/21 were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders) or became subject to a child arrangements order 18 or special guardianship order 19).

Tie Breaker

Should there be more applicants than places in any of the above categories, priority will be given to children living closest to the school. Distances will be measured in accordance with the definition contained in the Local Authority's Parents' Guide.( http://bit.ly/1NFiiCL )

In the unlikely event that two or more children live at the same distance from school and if there are insufficient places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by drawing of lots, carried out by at least two members of the Governing Body, supervised by an independent person.

In the case of a multiple births’ application falling at the cut-off point, if only one sibling is not offered a place within the Admission Number, then they will be admitted as an exceptional circumstance. If more than one sibling from that multiple birth is not offered a place within the Admission Number, the parent/carer will make the decision as to which child or children are admitted.
SUMMARY OF EVIDENCE REQUIRED WITH APPLICATION

Please see detailed information above, in summary:

<td>A letter confirming membership of Christian denomination or other faith signed by the appropriate minister or faith leader</td>
</tr>
</tbody>
</table>

Applications made on the LA’s Common Application Form, without submission of a Supplementary Information Form and/or relevant supporting evidence described above, will still be considered by the Governors’ Admissions Committee, but under category 9 of the over-subscription criteria. For those children who are not offered a place a waiting list will be maintained by the LA for the academic year ending in July. The order of priority on the waiting list is the same as the list of criteria for over-subscription. Looked after children, previously looked after children and those allocated a place at the school in accordance with a Fair Access Protocol, take precedence over those on a waiting list. No account is taken of length of time on a waiting list. The waiting list will close at the end of each academic year, and parents with a child still on the list who wish the child’s name to remain there, must at that time contact the LA to advise their wish for the child to be placed on the waiting list for the following year.

Parents of prospective pupils are welcome to visit the school by prior arrangement.

The Fair Access Protocol for Wokingham Borough Council Schools has agreed arrangements to secure the timely placement of all pupils in schools. All admissions, including St Teresa’s, have agreed a protocol for in-year admissions (including children moving into the area). Parents should apply to Wokingham Borough Council or to their home authority if a co-ordinated in-year scheme is in operation. Please refer to the LA’s booklet. In-year applications for places at St Teresa’s are considered using the same criteria. Applications for a school place outside a child’s normal age group are considered by the Full Governing Body on an individual basis.

Appeals

Parents have the right of appeal if an application is rejected. This right does not apply where a child has been offered a place, but it is not in the parents’ preferred age group. Details of the procedure and the appropriate form can be obtained from: The Clerk to the Appeals Panel, Democratic Services Team, Wokingham Borough Council, Shute End, Wokingham RG40 1WQ (Tel: 0118 974 6059).
Wheatfield Primary School
Admissions Arrangements for 2020/2021

Wheatfield Primary School has adopted Wokingham Borough Council’s determined admission arrangements for Community and Voluntary Controlled schools for September 2020. These are given below, and further information is available on the Council website at www.wokinghamboroughcouncil.gov.uk/schools/admissions

1. The published Admission numbers for Wheatfield Primary School in 2020 is 30.

2. Applications for admission at the normal intake will be managed in accordance with Wokingham’s co-ordinated scheme on primary admissions. Please see Wokingham’s co-ordinated scheme on the Borough’s website for further details regarding applications, processing of offers, late applications, postal offers and acceptance procedures, deferment of school places, part-time entry, changes of preference and for information relating to requests from parents for school places outside the normal age group.

3. Applications for Reception places must be made by 15th January 2020.

4. Places at Wokingham Primary Schools will be offered on the basis of the preferences that are shown on the application form. Parents will be asked to rank up to four preferences and these will be considered under an equal preference system.

5. Children with a Statement of Special Educational Needs or Education Health Care Plan that names Wheatfield Primary School will be allocated a place before other applicants are considered. In this way the numbers of places available will be reduced by the number of children with a statement or plan that has named the school.

6. When Wheatfield Primary School is oversubscribed for any year group, applications for entry in 2020-2021 will be ranked in the following order.

First priority: Looked after and previously looked after children

Within the admission arrangements for all Wheatfield Primary School looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

- Children who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22(1) of the Children Act 1989, e.g. fostered or living in a children’s home, at the time an application for a school is made; and
- Children who have previously been in the care of a local authority or provided with accommodation by a local authority and who have left that care through adoption (see section 12 of the Adoption Act 1976 and children who were adopted under the Adoption and Children’s Act 2002 (see section 46 adoption orders), a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Applications received under this priority must be made by the person with parental responsibility for the child (e.g. the child’s social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

- confirmation by the home local authority that the child is looked after or
- confirmation by the local authority that last looked after the child

confirming that the child was looked after immediately prior to the issuing of one of the following orders:
- (i) adoption order
(ii) child arrangements order  
(iii) special guardianship order  

This criterion is not applicable to those children adopted under private adoption arrangements.

Places will be allocated under this criterion when places are first offered at a school and Wokingham Borough Council's Admission Team may also ask schools to admit over their Published Admission Number at other times under this criterion.

When Wheatfield Primary School is oversubscribed for any year group, applications for entry in 2020-2021 will be ranked in the following order:

**Second priority: Exceptional social/medical need**

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances will apply which will warrant a placement at a particular school. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child’s needs.

Providing evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.

**Third Priority – Designated area and sibling**

Children whose permanent home address is in the school’s designated area and who have a sibling - brother or sister, half brother or sister, adopted brother or sister, step brother or step sister or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling and who will be at the school when the child will enter the school.

**Fourth Priority – Designated Area**

Children whose permanent home address is in the schools’ designated area.

The designated area for each community and voluntary controlled school is held electronically and can be viewed through the Council’s website. These electronic maps have been adopted as the definitive descriptions of primary school designated areas for the purposes of admission arrangements and oversubscription criteria.

Living in the designated area does not guarantee a school place, as there may be more applications from parents living in the designated area than places available.

**Fifth priority – Siblings living outside designated area**

Children who have a sibling - brother or sister, half brother or sister, adopted brother or sister, step brother or step sister or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling and who will be at the school when the child will enter the school.

**Sixth priority: any other children**

Occasionally a parent with more than one child can express a preference for their designated area school for the older child, but Wokingham Borough Council’s Admission Team is unable to meet this preference. Wokingham Borough Council’s Admission Team will then allocate a place at a lower ranked preferred school or the most accessible school with places. If this is Wheatfield Primary School, the parent may then prefer to send younger sibling(s) to the same school as the older child attends. In such instances, Wheatfield Primary School may be regarded as if it were the designated area school for subsequent siblings and would be treated as meeting criterion C (sibling resident
within designated area). Parents must notify at the time of application that they consider this exception applies. Where there is an application for the actual designated area school(s), designated area status would still be applied.

**Important Information**

**Addresses**

Within the admission arrangements for Wheatfield Primary School the child’s home address excludes any business, relative’s or childminder’s address and must be the child’s normal place of residence. In the case of formal equal shared custody it is the address of the parent who claims Child Benefit for the child. In other cases it is where the child spends most of the time.

The address to be used for the initial allocation of places to Year R will be the child’s address at the closing date for applications. Changes of address may be considered in accordance with Wokingham’s Co-ordinated Scheme if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child’s current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Parents have a responsibility to notify Wokingham Borough Council’s Admission Team of any change of address.

**Multiple births or children with birth dates in the same academic year**

Where the application of oversubscription criteria results in splitting twins or other siblings from a multiple birth; places will be offered even if this will result in the school going above admission number.

Where the application of oversubscription criteria results in children with dates of birth in the same school year in the same family, places will not be offered as this will result in the school going above the admission number and to do so will result in the school breaching infant class size legislation at Key Stage 1 (e.g. class size must not break 30 children to 1 qualified teacher). In this instance, the places will be allocated by the drawing of lots carried out by at least two Children’s Services staff members. In such instances, parents will be offered the place and will need to decide whether they wish their children to be split or consider placement together at an alternative school after allocation.

**Tie Breakers**

Living in the designated area does not guarantee a school place as there may be more applications from parents living in the designated area than places available. Where this is the case, the relevant tiebreaker, as explained above, will be applied to decide which of the applicants can be offered places, and waiting list order.

Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a ‘direct distance mathematical routine’ within the Capita ONE system used by Wokingham Borough Council’s Admission Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras’ Theorem by measuring the distance in metres between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is least 10 miles.

In the unlikely event that two or more children live at the same distance or additional distance (measured as stated above) from school (including, for example, flats within the same building), and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least two Children’s Services staff.
Waiting lists

A waiting list will be maintained by the Wokingham Borough Council's Admission Team for Wheatfield Primary School where necessary for children not offered a school place until the end of year 6. Parents will need to re-apply for each year they wish their child to remain on the waiting list. No account is taken of the length of time spent on a waiting list.

Positions on waiting lists may go up or down due to pupil withdrawals or new or revised applications received, therefore waiting lists will be reviewed and revised:

- Each time a child is added to, or removed from, the waiting list
- When a child’s changed circumstances will affect their priority
- When parents respond to periodic requests to see if they wish to remain on the waiting list
- Children who are the subject of a direction by the local authority to admit, or who are allocated to a school in accordance with a Fair Access Protocol, will take precedence over those on a waiting list.

It is the responsibility of parents to ensure that the Wokingham Borough Council’s Admission Team is informed in writing if they want their child’s name to be removed from the waiting list or if their circumstances have changed from the original application.

Waiting list information will be available in accordance with the published timeline.

Appeals

All applicants who were not allocated a preferred school will be informed of their right of appeal. Appeals against the decision not to admit a child should be sent on the appropriate appeal form within 20 school days from the date of the letter refusing a place. The Appeals process for the school will be managed by Wokingham Borough Council’s Admission Team as a contracted service. Further details of the appeals process would be sent to the applicant if they are not offered a place, this will also be available from Wokingham Borough Council’s Admission Team.

Applicants will be informed where the admission of additional children would breach the infant class size limit.
Windmill Primary School
Admissions Arrangements for 2020/21

Windmill Primary School has adopted Wokingham Borough Council’s determined admission arrangements for Community and Voluntary Controlled schools for September 2020.

These are given below, and further information is available on the Council website at www.wokinghamboroughcouncil.gov.uk/schools/admissions

1. The published Admission numbers for Windmill Primary School in 2020 is 30.

2. Applications for admission at the normal intake will be managed in accordance with Wokingham’s co-ordinated scheme on primary admissions. Please see Wokingham’s co-ordinated scheme on the Borough’s website for further details regarding applications, processing of offers, late applications, postal offers and acceptance procedures, deferment of school places, part-time entry, changes of preference and for information relating to requests from parents for school places outside the normal age group.

3. for Reception places must be made by 15th January 2020.

4. Places at Wokingham Primary Schools will be offered on the basis of the preferences that are shown on the application form. Parents will be asked to rank up to four preferences and these will be considered under an equal preference system

5. Children with a Statement of Special Educational Needs or Education Health Care Plan that names Windmill Primary School will be allocated a place before other applicants are considered. In this way the numbers of places available will be reduced by the number of children with a statement or plan that has named the school.

6. When Windmill Primary School is oversubscribed for any year group, applications for entry in 2020-2021 will be ranked in the following order.

First priority: Looked after and previously looked after children

Within the admission arrangements for all Windmill Primary School looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

Children who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22(1) of the Children Act 1989, e.g. fostered or living in a children’s home, at the time an application for a school is made; and

Children who have previously been in the care of a local authority or provided with accommodation by a local authority and who have left that care through adoption (see section 12 of the Adoption Act 1976 and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders), a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Applications received under this priority must be made by the person with parental responsibility for the child (e.g. the child’s social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

• confirmation by the home local authority that the child is looked after or
• confirmation by the local authority that last looked after the child

confirming that the child was looked after immediately prior to the issuing of one of the following orders:
(i) adoption order
(ii) child arrangements order

194
(iii) special guardianship order

This criterion is not applicable to those children adopted under private adoption arrangements. Places will be allocated under this criterion when places are first offered at a school and Wokingham Borough Council’s Admission Team may also ask schools to admit over their Published Admission Number at other times under this criterion.

When Windmill Primary School is oversubscribed for any year group, applications for entry in 2020-2021 will be ranked in the following order.

**Second priority: Exceptional social/medical need**

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances will apply which will warrant a placement at a particular school. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child’s needs.

Providing evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.

**Third Priority – Designated area and sibling**

Children whose permanent home address is in the school’s designated area and who have a sibling - brother or sister, half brother or sister, adopted brother or sister, step brother or step sister or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling and who will be at the school when the child will enter the school.

**Fourth Priority – Designated Area**

Children whose permanent home address is in the schools’ designated area. The designated area for each community and voluntary controlled school is held electronically and can be viewed through the Council’s website. These electronic maps have been adopted as the definitive descriptions of primary school designated areas for the purposes of admission arrangements and oversubscription criteria.

Living in the designated area does not guarantee a school place, as there may be more applications from parents living in the designated area than places available

**Fifth priority – Siblings living outside designated area**

Children who have a sibling - brother or sister, half brother or sister, adopted brother or sister, step brother or step sister or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling and who will be at the school when the child will enter the school.

**Sixth priority: any other children**

Occasionally a parent with more than one child can express a preference for their designated area school for the older child, but Wokingham Borough Council’s Admission Team is unable to meet this preference. Wokingham Borough Council’s Admission Team will then allocate a place at a lower ranked preferred school or the most accessible school with places. If this is Windmill Primary School, the parent may then prefer to send younger sibling(s) to the same school as the older child attends. In such instances, Windmill Primary School may be regarded as if it were the designated area school for subsequent siblings and would be treated as meeting criterion C (sibling resident within designated area). Parents must notify at the time of application that they consider this exception applies. Where there is an application for the actual designated area school(s), designated area status would still be applied.
Important Information

Addresses

Within the admission arrangements for Windmill Primary School the child’s home address excludes any business, relative’s or childminder’s address and must be the child’s normal place of residence. In the case of formal equal shared custody it is the address of the parent who claims Child Benefit for the child. In other cases it is where the child spends most of the time.

The address to be used for the initial allocation of places to Year R will be the child’s address at the closing date for applications.
