* Places allocated against this column are for those children for whom no higher ranked preference could be offered, therefore the designated area school (if there are places available) or the most accessible school with places is provisionally allocated.

** The Resource has three places within the admissions number which are to be allocated by the Special Educations Needs Team in accordance with the review of individual pupil assessments.

*** Where the number allocated exceeds the Published Admission Number, this could be due to multiple birth children being allocated to the same setting; a child with an EHC Plan or a looked after/previously looked after child being allocated.
