To comply with the Immigration Act 2016, the Council is required to check eligibility to live and work in the UK for all applicants for driver and operator licences. Applicants will be required to provide evidence of this on request. Examples of acceptable documentation include a British passport, EC passport with the right to stay and work in the UK, permanent residence permit, work permit with a passport with correct authorisations, a UK birth certificate together with an official document giving the NI number such as a P45 or P60, or a biometric immigration document indicating a right to stay indefinitely in the UK or a right to do the work in question.

For applicants with a limited time to remain in the UK, the licence will only be granted for the period of permission to remain and may only be granted for a shorter period. The licence may be extended should the applicant's right to remain in the UK be made permanent.

If an applicant has extended leave to remain (pending a decision) the licence cannot be granted for more than six months, and again may only be granted for a shorter period. The licence may be extended should the applicant's right to remain in the UK be made permanent.

If a licence holder loses the right to remain in the UK during the currency of a licence, the licence ceases to have effect and the licence (and badge for drivers) must be returned within 7 days.
