

EU SETTLEMENT SCHEME WHAT YOU NEED TO KNOW

January 2021

HM Government

EU Settlement Scheme
OFFICIAL

WHAT IS THE EU SETTLEMENT SCHEME?

If you are an **EU, EEA or Swiss citizen** who was resident in the UK by **31 December 2020**, you and your family members (including children and non-EU citizens) need to apply to the **EU Settlement Scheme** to continue living in the UK **beyond 30 June 2021**.

Even if you have lived in the UK for many years or you have a UK permanent residence document you still need to apply to the EU Settlement Scheme.

You do not need to apply if you are an **Irish citizen** or if you have **indefinite leave to remain or enter**, but you can if you want to.

WHAT IS THE EU SETTLEMENT SCHEME?

The **EU Settlement Scheme** allows you and your family members to get the immigration status you need to continue to live, work and study in the UK beyond **30 June 2021**.

This status means you can continue to be eligible for:

Public services, such as healthcare and schools.

Public funds and pensions.

British citizenship, if you meet the requirements and want to apply.

WHO SHOULD APPLY?

Except in a few cases, **EU, EEA and Swiss citizens who were resident in the UK by 31 December 2020, and their non-EU family members**, need to apply to the EU Settlement Scheme.

EEA countries and Switzerland:

Austria	Greece	Norway
Belgium	Hungary	Poland
Bulgaria	Iceland	Portugal
Croatia	Ireland*	Romania
Republic of Cyprus	Italy	Slovakia
Czech Republic	Latvia	Slovenia
Denmark	Liechtenstein	Spain
Estonia	Lithuania	Sweden
Finland	Luxembourg	Switzerland
France	Malta	
Germany	Netherlands	

*** Irish citizens** do not need to apply, but they can if they want to. Their non-Irish, non-British family members will need to apply to the EU Settlement Scheme if they want to stay in the UK. A family member of a relevant person of Northern Ireland is also able to make an application to the scheme.

FAMILY MEMBERS OF EU, EEA AND SWISS CITIZENS

Non-EU family members who were living in the UK by **31 December 2020** also need to apply to the EU Settlement Scheme.

Close family members who were not living in the UK by 31 December 2020 will be able to join their EU family member in the UK **at any point in the future**, as long as the relationship still exists and their EU family member was resident in the UK by 31 December 2020 and usually has successfully applied to the scheme by 30 June 2021.

Close family members are: spouses, civil partners, unmarried partners and dependent children, grandchildren, parents and grandparents.

Family members do not need to be from the EU, they can come from anywhere in the world.

Children need to secure an immigration status as well as adults. For information about applying on behalf of children, visit **gov.uk/apply-settled-status-for-child**

HOW TO APPLY TO THE EU SETTLEMENT SCHEME

You need to complete a **short 3 step online application form** using a computer, tablet or mobile phone.

Your application saves automatically, so you can start the application and complete it at a different time if you want to.

Once you have made an application for yourself, this can be linked to your family member's application, using your unique applicant number.

It is **free to apply** to the EU Settlement Scheme.

Application **guidance** can be found on **GOV.UK**.

Once you have read the guidance, start your application at **gov.uk/eusettlementscheme**

HOW TO APPLY

STEP 1: IDENTITY

You can **verify your identity** and nationality using a valid passport or valid national identity card (if you are an EU citizen), or a valid biometric residence card or permit (if you are a non-EEA citizen).

You can either:

Scan your identity document using the **EU Exit: ID Document Check** app on compatible iPhone or Android.

Send in your identity document by post.

Visit a location providing access to the ID document scanning service. To check availability of this service and for more information, visit gov.uk/eu-id-scanner-locations

You will also have to upload a **digital photo** of yourself.

HOW TO APPLY

STEPS 2-3: RESIDENCE AND CRIMINALITY

Proof of Residence

Prove your residence in the UK by providing your National Insurance number, if you have one. In some cases, you may need to upload additional documents to your application, for example if you do not have a National Insurance number.

Criminality Check

Complete the criminality check by declaring any criminal convictions. Only serious or persistent criminality will affect your application.

Successful applicants will get **digital proof** of their status through an online service: **gov.uk/view-prove-immigration-status**. You will not get a physical document unless you are from outside the EEA and do not already have a biometric residence card. You can track the progress of your application online.

PRE-SETTLED STATUS AND SETTLED STATUS

Pre-settled Status

If you receive **pre-settled status**, also known as limited leave to remain or enter, this means you can stay in the UK for a period of five years. This will allow you to remain in the UK until you are eligible for settled status, generally once you have lived continuously in the UK for five years. Then you can apply for settled status.

Settled Status

If you receive **settled status**, also known as indefinite leave to remain or enter, this means there is no time limit on how long you can stay in the UK. You can go on to apply for British citizenship if you meet the requirements and want to apply.

Both **pre-settled status** and **settled status** allow you to continue to live, work and study in the UK beyond 30 June 2021.
