We wish to appoint a SEND TA to the Reef, our resource base class, for pupils with social communication needs and associated needs. The role will include one to one work, small group activities as part of the resource base team and in class support, of individual children, to include them in mainstream school routines and activities.

Making a difference to the next generation of children requires determination, resilience and energy but if you care enough to want to contribute positively to those who need our care the most we would love to hear from you. The work will be both challenging and rewarding.

This post includes lunchtime supervision of Resource base SEND pupils whilst eating and playing with friends.

We are looking for individuals who are...

- Creative, flexible, resilient, and energetic.
- Friendly and empathetic with a good sense of humour.
- Able to show excellent interpersonal and reflective skills.
- Experienced and/or trained in supporting children with social communication needs and associated needs including behaviour.
- Reliable and hardworking.

We offer at our Values Education Based School...

- An inclusive, nurturing ethos.
- A true commitment to staff well-being and professional development.
- A supportive, friendly and dedicated team.

Please read the specific job description and required person specification before applying.
