## **JUNIOR SCHOOL PREFERENCES**

In this section you are asked to state your school preferences in the order that you want them and your reasons for each preferred junior school.

This should include applications for own admission authority schools e.g. voluntary aided, foundation or academy schools and schools outside the Wokingham borough. It is your responsibility to complete any additional form for these schools.

These schools have their own admission criteria and policies, determined by their governing bodies or Academy Trust Board, so the reasons you give will assist in ensuring your application is considered under the appropriate criterion. These are usually different from the policies for Wokingham Borough community and voluntary controlled schools. Parents who wish their children to be considered for entry to such schools are advised to contact the preferred school for a copy of its admission policy.

If you want to apply for Primary Schools you will need to complete an In Year Application no more than 6-weeks before the required start date.
