Wokingham Home Refuge Scheme

Do You Feel Safe in your home?

Where to go for help.

What is the Home Refuge Scheme?

The Home Refuge Scheme helps to improve the safety of people experiencing domestic abuse.

Whether you are in your existing home or have moved somewhere else, we can help to increase the security in your property. The scheme is free to anyone living in the Wokingham Borough.

The scheme can provide you with increased security measures, such as door chains, viewers and window alarms to enable you to stay safe in your home.

You will also be offered information on other service providers who may be able to help you, for example, Domestic Abuse Service. The scheme can also arrange a full fire safety check from Royal Berkshire Fire & Rescue Service.

Who is it for?

The home Refuge Scheme is available to anyone who is experiencing domestic abuse. The scheme is free to all Wokingham Borough residents, including Council Tenants, Housing Association Tenants, Private Sector Tenants, as well as home owners. In order for the adaptations to be carried out we will need permission from the Landlord.

How do I access this service ?

Referrals can be made from anyone or any organisation by sending a referral form to: home.refuge@wokingham.gov.uk.

The referral form can be found on Wokingham Borough Council's website - <http://directory.wokingham.gov.uk/domestic-abuse>

What kind of work will be carried out?

The Home Refuge Scheme is tailored to individual needs and could include:

- Bolts, Door Chains & Security Lighting
- Lockable Letter Box Guard
- Window and Door Alarms
- As part of the Fire Safety Check - Smoke Alarms, and Fire Proof letterboxes

What happens next?

If you are eligible for the Scheme, once we have received your completed referral form we will contact you to arrange an initial visit. This visit will help us assess the adaptations we can make.

All of our staff are DBS checked and are aware of the importance of confidentiality. Once the changes are approved (if necessary) we will then book a second visit in which we will make the adaptations to the home to improve the security.

For further information contact the Home Refuge Team: Tel: (0118) 974 6000, opt 4, opt 3. Email: Home.refuge@wokingham.gov.uk
