

**WOKINGHAM  
BOROUGH COUNCIL**

**SHINFIELD ROAD, SHINFIELD  
PROPOSED PUFFIN CROSSING**

NOTICE IS HEREBY GIVEN that Wokingham Borough Council, in exercise of its powers under Section 23 of the Road Traffic Regulation Act 1984 and all other enabling powers, proposes to establish a Puffin Crossing at the following location:

**Shinfield Road, Shinfield**

The proposed Puffin Crossing will be located:

Outside Shinfield Vets, Alstonby, Shinfield Rd, extending for approximately 30 metres in each direction.

The proposed Puffin Crossing would make it safer for pedestrians and cyclists crossing this busy road, especially in peak traffic times. A pedestrian survey was undertaken and indicated many movements across this road, given the high volume of traffic and the character of the road, it is considered appropriate to propose a Puffin Crossing at this location.

Further details can be found by visiting the website: [Traffic Regulation Orders \(TROs\)](#)

Alternatively, documents may be inspected by appointment at the offices of Wokingham Borough Council, Shute End, Wokingham, Berkshire RG40 1WL.

Objections to the proposals and other representations specifying the grounds on which they are made may be sent in writing to the address below (or via the web address above) no later than **30<sup>th</sup> July 2026**. The Council will consider objections and representations received in response to this Notice. They may be disseminated widely for these purposes and made available to the public.
