The Emmbrook School

Our School

The Emmbrook is a mixed 11-18 comprehensive secondary school. We offer students of all abilities and interests the opportunity to fulfil their potential.

We have a strong sense of community. When Ofsted last visited (October 2023) we were proud of the first line of the report which began “pupils and parents value the ‘family feel’ of the school and how welcoming it is.”

You would be joining an amazing staff body. We are collaborative and supportive. Our CPD programme is organised by staff for staff; such peer-to-peer support allows every member of staff to develop and grow their professional expertise.

The hard work and dedication of staff is leading to rising standards and a track record of academic outcomes improving overtime. We are determined to sustain this journey.

Curriculum and Qualifications

We are committed to providing a curriculum that is broad, balanced, challenging and fosters a love of learning. The curriculum is designed to: build on students' prior learning, provide engaging and high-quality learning experiences, and promote aspirational performance and progress for all its students. Each subject area has its own clear statement of curriculum intent, designed to reflect the school's values and vision.

- In KS3, students follow the full breadth of the national curriculum to build a strong foundation of knowledge and skills for KS4.
- In KS4, students have a large degree of freedom to choose subjects that reflect their talents, interests and future aspirations. There is a wide range of GCSE subjects with vocational choices available and students can select four option subjects.
- In Sixth Form, we offer a traditional A-level pathway to university, degree apprenticeship, college or work.

Our students achieve academic excellence at GCSE and A-level. Our most able students out-perform their peers nationally and we support students to take up places at top universities, including Oxbridge. We take great pride in the achievements of all our students at all levels and we recognise that every single member of staff makes a vital contribution to this success.

Pastoral Life

The house system has been an integral part of the school since our inception. It aims to provide an even greater sense of community, competition and a range of opportunities for students to get involved in school life and try new skills. We have four houses: Jupiter (yellow), Mercury (red), Saturn (green) and Venus (blue). Every student in the school is identified within their house through their school ties which has a coloured stripe. Throughout the year there is a programme of inter-house competitions (including sports, academic, artistic and crafts events) which culminates with sports day in July. Students earn house points through the year.

We offer a wide range of clubs to enrich the experience of our students. This includes music (orchestra, bands and choirs), PE (individual and team sports), academic subjects (such as science) and hobbies/interests (for example retro-gaming or crochet). There is a well-established School Council and prefect system, both of which support student voice and provide students with opportunities to contribute to the development of the school. Students from all year groups have the opportunity to go on trips, ranging from day trips to local sites of interest, through to significant residential trips abroad (in recent years to Borneo, USA and China).

Family	Ambition	Integrity	Respect
We support each other in everything that we do.	We are determined to achieve excellence.	We are always honest and do the right thing.	We treat everyone and everything with care.

Our Culture

We have four values (family, ambition, integrity and respect) that form the foundation of our actions. Together, the first letter of these four values form the word 'fair' – this is our guiding principle; we act with fairness at all times.

About The Circle Trust

The Circle Trust, established in 2018, was created to serve Wokingham and the surrounded area. The Circle Trust was borne out of a desire that all children and young people have an excellent, well-rounded education and flourish in first-rate schools where the best teaching, the best facilities and the most up-to-date resources are made available to them.

 [An introduction to The Circle Trust](#)

We are a community of schools that have shared values and an essential common ethos and vision for education and learning. At the centre of our work together is improving the educational outcomes for our pupils.

Our Trust's vision is

All children and young people deserve to have an excellent well-rounded education and **to flourish** in first rate schools with the best teaching, the best facilities and the most up to date resources made available to them.

Our values are our cultural north star
they drive our behaviour and decision making.

The highest educational outcomes
for every learner is paramount

Preserving the unique identity and
ethos of all partner schools is
essential

To be anything but utterly
inclusive is non-negotiable

Being self-reflective is essential in
encouraging innovation, our Trust is
always driven to improve further

What we say is what we do, we
recognise talent, foster expertise,
believe well-being for all is
fundamental

Our Trust promotes collaborating
with others and being outward
looking

Our schools

We understand how to manage the balance between effective and efficient common systems whilst ensuring that the individual character and ethos of different schools is maintained. We work in a very transparent way, where schools have the opportunity to influence and their views are taken into account.

As a trust we are rooted in this approach and our ambition is clear; to improve the educational outcomes for children and young people. We don't want to change schools; we want to help them progress.

Our name

In the early days, we spent hours debating our name! We chose “The Circle Trust” as it symbolically reflects our approach and ethos. It is a name that is deliberately neutral, without association to a specific school. One of our core values is inclusivity, and we wanted our name to encapsulate that. We include any type of school or phase and appreciate the importance of treating every school as unique.

Our support

Our Trust provides the support and infrastructure that schools need to enable them to develop and improve, and for the school leadership and their local governance to achieve their objectives.

At the heart of our Trust is access to school improvement advice and guidance. We call this package of support “The Learning Curve!” As an all-through Trust (nursery—18 years), we are able to provide school improvement advice and strategy based on consistent and fluent approaches to education provision.

About Wokingham

Wokingham has plenty to offer and our historic market town is by no means standing still. We are coming to the end of a £100m town centre regeneration programme and the population continues to grow.

We are often found at or near the top of surveys for the best place to live and to raise a family. We are surrounded by spacious woodland and lush green fields. There are plenty of options for being active in the great outdoors – we are near excellent mountain bike trails, water sport centres, play areas, skateboard parks, golf courses and bridle paths. There are also many other ways to keep busy with nearby cinemas, ten pin bowling and theatres.

We enjoy good transport links by road and rail to key towns such as Reading, Bracknell, Windsor, Basingstoke and Guildford, in addition to being just 40 miles from central London and 25 miles from Heathrow Airport. Reading is an award-winning shopping destination in the Thames Valley region and Windsor is of course world-renowned for its Royal residence, Windsor Castle.

Wokingham has a strong community spirit which is highlighted by the fabulous May Fair, International Street Concert, Food and Drink Festival and Winter Carnival. The town truly comes alive during these events.

We love our town, and we look forward to welcoming you.
