Use your own words or preferred way of communicating. If someone helps, please keep your views separate from theirs.

Question	Your views
What do you enjoy, value or want people to know about you?	
What is going well for you at the moment?	
What feels difficult, and what would help?	
What are your long term aspirations for learning, employment, how you live and how you spend your free time?	
Parent/carer views: what is going well, what is worrying, and what needs to change?	
Parent/carer views: What outcome or change would you and your family most like to see?	

How were these views collected?
